**Homeowner** Ian C. Winter, 2021-03-23 Originally published in 1994 this book provides an important contribution to contemporary housing debates as well as clear examples of the use of qualitative data in causal analysis Based on 3 original Australian case studies and a range of international data this book demonstrates that the interests and meanings of home ownership can lead home owners into radical courses of social action that oppose the status quo despite national governments having sponsored a remarkable growth in home ownership to promote a loyal citizenship and political stability
