Tucker,2018-01-24 What if our actual lives aren't written like a simple story Nor like a book that flows neatly and sequentially from chapter to chapter via a rigidly linear plot But written instead through a series of creative interludes or moments Further still what if our lives shouldn't simply happen to us But rather be lived through our affirmative acts of seeking life As part of an ongoing active quest A human quest for deeply spiritual lives of continuously becoming In Unbinding the Perpetual Soul Jeffrey C Tucker writes via a series of essays These diverse accessible engaging creative and provocative essays are organized around our human quests for being For to be entails continuous and challenging but highly rewarding quests for things such as identity wellbeing belonging truths things sacred healing transcendence and meaning Questing is not an easy journey to be sure But it's life changing It's exhilarating It's exciting and rewarding And while far from certain in its destination one thing is for sure you'll be a better healthier and far more actualized person in the process You'll be more spiritually whole and grounded So join in this quest if you will An inclusive soulful unbinding and life giving one at that
