Make Yourself The Best:

Building Your Best Life Merie Weismiller Wallace, 2024-05-21 You might be surprised to know how many adults pick up their heads one day and ask themselves how did I end up here Merie Weismiller Wallace a still photographer who has worked on some of Hollywood's most interesting films reveals things she learned and ideas she discovered that allowed her to create a uniquely wonderful life It all started when Merie was failing in junior high then imagined exactly what she would prefer and through an odd combination of events and persistence she found her dreams and aspirations coming true At the time no one told her that she had used a technique of visualization that successful people use purposefully Even though she never knew that most of the ideas and techniques in this book existed she began to have a gut feeling that there was more to life than people were telling her about Building Your Best Life will help you discover your authentic self and break through

uncertainty It offers new options and ways of thinking so that you too can build yourself a personally fulfilling and meaningful life **Right Choice** Jeanette Bradley M. Ed., 2019-01-31 This Plan of Action section will present the basic concepts of the Right Choice Program The suggestions for how to begin and then carry out the program are presented Part IV deals with Right Choice implementation Since one of the basic concepts is that discipline needs to be taught the teacher needs to set aside time each day to teach the lessons of the Right Choice Program The lessons are written as prompts and suggestions to teach the meaning of the concepts The teacher can elaborate or divide the lessons into small sections as needed to best suit the class's needs Teachers need to be sure that the students understand the concept being presented and then give them the opportunity to practice what is being taught The first thing the teacher needs to establish is his expectations in his classroom It can never be assumed that students know how to act or what to do in every situation **Do Your Best Bear**
