Affirmations Keith Gilbert,2014-09-13 neuro linguistic programming Affirmations shows you how to design your own affirmations that are relevant to YOUR life Until we give our unconscious minds new ideas to play with they will do what they have always done If you are aware of habits of thinking or behaviours that you don t like then you might want to give yourself new ideas to change those old habits This is where affirmations can be invaluable and neuro linguistic programming

Affirmations is the state of the art in affirmations Keith Gilbert author of my favourite parenting book gets to the heart of the problem with affirmations as they re conventionally presented and offers an alternative way of looking at them that s more respectful of our individuality This is a book written by a thinker and for me this author s perspective is always a mentally stimulating change from that of the hacks and parrots I so frequently encounter in this particular genre Bob Collier Creator of the Parental Intelligence Newslette

Spiritual Wisdom from Jesus Christ Felix Wantang,2014-08-29 All proceeds from this book go to charity The most important component of God s plan for humanity was the gift of His one and only son on the cross for the sins of the world As Christians the systematic approach we use to present this gift to the sinful world will determine the effectiveness of our role as followers of Jesus Christ It is very easy to tell someone that Jesus died for the sins of the world but how do you bring them to that place where they can effectively see Jesus as a personal gift designed to save their soul This book will help you understand God s unique gift and bring you to that place where you can see the world through the eyes of Jesus Christ
