Edwards, 2011-11-15 Real Dreams Thirty Years of Short Stories is a collection of 15 short stories written between 1981 and 2011 The stories are from multiple genres with some common themes including hope dreams light darkness perseverance and spirituality wrapped up in some novel ideas Enjoy these diverse and timeless works three decades in the making **British Books in Print**, 1980 *A Tomb With a View - The Stories & Glories of Graveyards* Peter Ross, 2020-09-03 A FINANCIAL TIMES I PAPER AND STYLIST BOOK OF THE YEAR In his absorbing book about the lost and the gone Peter Ross takes us from Flanders Fields to Milltown to Kensal Green to melancholy islands and surprisingly lively ossuaries a considered and moving book on the timely subject of how the dead are remembered and how they go on working below the surface of our lives Hilary Mantel Ross is a wonderfully evocative writer deftly capturing a sense of place and history while bringing a deep humanity to his subject He has written a delightful book The Guardian The pages burst with life and anecdote while also examining our relationship with remembrance Financial Times best travel books of 2020 Among the year's most surprising sleeper successes is A Tomb with a View In a year with so much death it may have initially seemed a hard sell but the author's humanity has instead acted as a beacon of light in the darkness The Sunday Times Fascinating Ross makes a likeably idiosyncratic guide and one finishes the book feeling strangely optimistic about the inevitable The Observer Ross has written a lively elegy to Britain's best burial grounds Evening Standard Best New Books of Autumn 2020 One of the non fiction books of the year The i paper 2020 Best Books for Christmas Brilliant Stylist Best Christmas books for Christmas 2020 Never has a book about death been so full of life James Joyce and Charles Dickens would've loved it a book that reveals much gravity in the humour and many stories in the graveyard It also reveals Peter Ross to be among the best non fiction writers in the country Andrew O Hagan For readers of The Salt Path Mudlarking Ghostland Kathleen Jamie and Robert Macfarlane Enter a grave new world of fascination and delight as award winning writer Peter Ross uncovers the stories and glories of graveyards Who are London's outcast dead and why is David Bowie their guardian angel What is the remarkable truth about Phoebe Hessel who disguised herself as a

man to fight alongside her sweetheart and went on to live in the reigns of five monarchs Why is a Bristol cemetery the perfect wedding venue for goths All of these sorrowful mysteries and many more are answered in *A Tomb With A View* a book for anyone who has ever wandered through a field of crooked headstones and wondered about the lives and deaths of those who lie beneath **Goliath** Max Blumenthal, 2013-10-01 2014 Lannan Foundation Cultural Freedom Notable Book Award In *Goliath* New York Times bestselling author Max Blumenthal takes us on a journey through the badlands and high roads of Israel Palestine painting a startling portrait of Israeli society under the siege of increasingly authoritarian politics as the occupation of the Palestinians deepens Beginning with the national elections carried out during Israel's war on Gaza in 2008-09 which brought into power the country's most right wing government to date Blumenthal tells the story of Israel in the wake of the collapse of the Oslo peace process As Blumenthal reveals Israel has become a country where right wing leaders like Avigdor Lieberman and Bibi Netanyahu are sacrificing democracy on the altar of their power politics where the loyal opposition largely and passively stands aside and watches the organized assault on civil liberties where state funded Orthodox rabbis publish books that provide instructions on how and when to kill Gentiles where half of Jewish youth declare their refusal to sit in a classroom with an Arab and where mob violence targets Palestinians and African asylum seekers scapegoated by leading government officials as demographic threats Immersing himself like few other journalists inside the world of hardline political leaders and movements Blumenthal interviews the demagogues and divas in their homes in the Knesset and in the watering holes where their young acolytes hang out and speaks with those political leaders behind the organized assault on civil liberties As his journey deepens he painstakingly reports on the occupied Palestinians challenging schemes of demographic separation through unarmed protest He talks at length to the leaders and youth of Palestinian society inside Israel now targeted by security service dragnets and legislation suppressing their speech and provides in depth reporting on the small band of Jewish Israeli dissidents who have shaken off a conformist mindset that permeates the media schools and the military Through his far ranging travels Blumenthal illuminates the present by uncovering the ghosts of the past the histories of Palestinian neighborhoods and villages now gone and forgotten how that history has set the stage for the current crisis of Israeli society and how the Holocaust has been turned into justification for occupation A brave and unflinching account of the real facts on the ground *Goliath* is an unprecedented and compelling work of journalism
