

THE MAKING OF **MODERN RUSSIA**

LIONEL KOCHAN AND
RICHARD ABRAHAM

Making Modern Russia

Lionel Kochan

Making Modern Russia:

The Making of Modern Russia Lionel Kochan, Richard Abraham, 1983 The Making Modern Russia Lionel Kochan, 1977

Myth Making in the Soviet Union and Modern Russia Vicky Davis, 2017-11-30 The 1943 battle to free the Soviet Black Sea port of Novorossiisk from German occupation was fought from the beach head of Malaia zemlia where the young Colonel Leonid Brezhnev saw action Despite widespread scepticism of the state's appropriation and inflation of this historical event the heroes of the campaign are still commemorated in Novorossiisk today by an amalgam of memoir monuments and ritual Through the prism of this provincial Russian town Vicky Davis sheds light on the character of Brezhnev as perceived by his people and on the process of memory for the ordinary Russian citizen Davis analyses the construction and propagation of the local war myth to link the individual citizens of Novorossiisk with evolving state policy since World War II and examines the resultant social and political connotations Her compelling new interdisciplinary evidence reveals the complexity of myth and memory challenging existing assumptions to show that there is still scope for the local community and even the individual in memory construction in an authoritarian environment This book represents a much needed departure from the study of myth and memory in larger cities of the former Soviet Union adding nuance to the existing portrait of Brezhnev and demonstrating the continued importance of war memory in Russia today **The Making of Modern Russia** Lionel Kochan, 1973

Power in modern Russia Andrew Monaghan, 2017-09-20 The book explores the Russian leadership's strategic agenda and illuminates the range of problems it faces in implementing it Given these difficulties and the Russian leadership's concerns about an unstable and increasingly competitive world the Russian official and expert community often use the term mobilisation to describe the measures that Moscow is increasingly resorting to in order to implement its agenda The book explores what this means and concludes that many of the terms used in the Western debate about Russia both misdiagnose the nature of the challenge and misrepresent the situation in Russia At a time when many of the books about Russia are focused specifically on the war in Ukraine and the deterioration in relations between the Euro Atlantic community and Russia or are biographies of Vladimir Putin it offers a new and unique lens through which to understand how Russia works and how Russian domestic and foreign politics are intimately linked **The Making of Holy Russia** John Strickland, 2013-09-01 This

book is a critical study of the interaction between the Russian Church and society in the late 19th and early 20th century While other studies exist that draw attention to the voices in the Church typified as liberal in the years leading up to the Revolution this work introduces a wide range of conservative opinion that equally strove for spiritual renewal and the spread of the Gospel Grounded in original research conducted in the newly accessible libraries and archives of post Soviet Russia this study is intended to reveal the wider relevance of its topic to an ongoing discussion of the relationship between national or ethnic identities on the one hand and the self understanding of Orthodox Christianity as a universal and transformative faith on the other *The Making of Modern Russia* Lionel Kochan, John L. H. Keep, 1997 Drawing on documentation only

recently made available in the West this extensively revised and updated edition reflects current views in Russia and abroad on the country's past as it approaches the new millennium **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved Russia, 1855-1991 Peter Oxley, 2001 Written for the AS A2 examinations this book focuses on exam board selected topics It covers almost 150 years of Russian history from Alexander II through Glasnost to the modern times It deals the period 1895-1941 with separate chapters on the Russian Revolution Lenin and Stalin

Thinking Orthodox in Modern Russia Patrick Lally Michelson, Judith Deutsch Kornblatt, 2014-07-31 This collection of essays on Russian religious thought focuses on the extent to which Russian culture and ideology has been informed by the nation's roots in Orthodox Christianity A HISTORY OF MODERN RUSSIA Robert Service, 2013-02-04 Russia had an extraordinary twentieth century undergoing upheaval and transformation Updating his acclaimed History of Modern Russia Robert Service provides a panoramic perspective on a country whose Soviet past encompassed revolution civil war mass terror and two world wars He shows how seven decades of communist rule which penetrated every aspect of Soviet life continue to influence Russia today This new edition takes the story from 2002 through the entire presidency of Vladimir Putin to the election of his successor Dmitri Medvedev **Succession to the Throne in Early Modern Russia** Paul Bushkovitch, 2021-03-18 This revisionist history explores how the tsar's power was transferred in Russia over three centuries as cultural practices and customs evolved *Sophia, Regent of Russia, 1657-1704* Lindsey Hughes, 1990-01-01 Om Sof ja 1657-1704 der som formynder for sine yngre brødre Fedor 1661-1682 og Ivan 1666-1696 var Ruslands første kvindelige regent *Misinterpreting Modern Russia* Bruno S. Sergi, 2011-10-27 When President Vladimir Putin ascended to the Kremlin at the end of the 1990s he had to struggle with the after effects of Boris Yeltsin's political agenda outrageous corruption endless social injustice and deeply entrenched interests dating back to Gorbachev and beyond From the outset Putin saw his task as leveling out the political scenery Discontent had been building up among ordinary Russians on these consequences of the dramatically unstable 1990s Stabilization of the political system and cleaning up the widespread corruption were Putin's aims and the Russian people supported him wholeheartedly Many observers in the West were quick to condemn Putin and depict him as an authoritarian dishonest leader who was still linked to the KGB When asked why Russians were supporting the new Kremlin many experts explained that it was a paradox that combined the country's supposed history of tyranny and its people's inclination towards it These explanations shaped the West's understanding of modern Russia and they appear to be unshakeable in cultural circles today Bruno Sergi argues in this new study that the way to know the complete story behind how Putin's presidency has been viewed in Russia is to examine closely the hard realities that conditioned Putin's policies and responses *Misinterpreting Modern Russia Western Views of Putin and his Presidency* looks beyond the stereotypes to the hard logic of the 1990s and asks a range of provocative questions about the disintegration of the old Soviet empire and the extraordinary riches that have caused so much opportunity and turmoil in

recent years **Imperial Russia** J. Paxton, 2000-11-17 Imperial Russia provides an accessible reference tool for students researchers historians and Russian history enthusiasts It covers the period from Ivan IV to the death of Nicholas II There are chronologies for each of the reigns and the handbook covers important political and administrative changes the influence of the West religion serfdom and economic progress Wars and international relations are succinctly explained as is the rise of radicalism and the revolutions of 1905 and 1917 Other sections deal with education the arts law press and censorship It is essential reading for anyone interested in Soviet and East European history *Poets of Modern Russia* Peter France, 1982 A serious and detailed study of modern Russian poetry aimed at readers with little or no Russian Russia's Hero Cities Ivo Mijnsen, 2021-05-04 World War II known as the Great Patriotic War to Russians ravaged the Soviet Union and traumatized those who survived After the war memory of this anguish was often publicly repressed under Stalin But that all changed by the 1960s Under Brezhnev the idea of the Great Patriotic War was transformed into one of victory and celebration In Russia's Hero Cities Ivo Mijnsen reveals how contradictory national recollections were revised into an idealized past that both served official needs and offered a narrative of heroism This triumphant narrative was most evident in the creation of 13 Hero Cities now located across Russia Belarus and Ukraine These cities which were host to some of the fiercest and most famous battles were named champions Brezhnev's government officially recognized these cities with awards financial contributions and ritualized festivities Their citizens also encountered the altered history at every corner on manicured battlefields in war memorials and through stories at the kitchen table Using a rich tapestry of archival material oral history interviews and newspaper articles Mijnsen provides a thorough exploration of two cities in particular Tula and Novorossiysk By exploring the significance of Hero Cities in Soviet identity and the enduring but conflicted importance they hold for Russians today Russia's Hero Cities exposes how the Great Patriotic War no longer has the power to mask the deep rifts still present in Russian society **Russian Writers and Society in the Nineteenth Century** Ronald Hingley, 2021-06-15 This book first published in 1977 begins with a close look at the lives of nineteenth century Russian writers and at the problems of their profession It then examines their environment in its broader aspects the Russian empire being considered from the point of view of geography ethnography economics and the impact of individual Tsars on writers and society A discussion of the main social estates follows and concluding is an analysis in their literary context of the activities of the competing forces of cohesion and disruption in imperial society the civil service law courts police army schools universities press censorship revolutionaries and agitators This book makes possible a fuller understanding of the works of Pushkin Dostoyevsky Chekhov and the other great Russian writers The Politics of Security in Modern Russia Mark Galeotti, 2016-03-03 The Putin era saw a striking securitization of politics something that he has bequeathed to his chosen successor Dmitry Medvedev The omens from the early days of the Medvedev presidency have been mixed marked both by less confrontational rhetoric towards the West and by war with Georgia and continued re armament Has the Medvedev generation learned the lessons not

just from the Soviet era but also from the Yeltsin and Putin presidencies or will security remain the foundation of Russian foreign and domestic policy Fully up to date to reflect the evolving Medvedev presidency the 2008 Georgian war and the impact of the economic downturn this volume is a much needed objective and balanced examination of the ways in which security has played and continues to play a central role in contemporary Russian politics The combination of original scholarship with extensive empirical research makes this volume an invaluable resource for all students and researchers of Russian politics and security affairs Historical Dictionary of the Russian Federation Robert A. Saunders,2019-09-20

Straddling Europe and Asia the Russian Federation is the largest country in the world and home to a panoply of religious and ethnic groups from the Muslim Tatars to the Buddhist Buryats Over the past 40 years Russia has experienced the most dramatic transformation of any modern state The second edition of Historical Dictionary of the Russian Federation provides insight into this rapidly developing country This volume includes coverage of pivotal movements events and persons in the late Soviet Union 1985 1991 and contemporary Russia 1991 present This second edition of Historical Dictionary of the Russian Federation contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Russia The Making of Russian History Rex A. Wade,2009

Making Modern Russia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Making Modern Russia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Making Modern Russia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that

the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Making Modern Russia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Making Modern Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Modern Russia is one of the best book in our library for free trial. We provide copy of Making Modern Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Modern Russia. Where to download Making Modern Russia online for free? Are you looking for Making Modern Russia PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Making Modern Russia. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Making Modern Russia are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials.
