Making Of A Crusader Billy Graham:

Billy Graham Curtis Mitchell,1966 *The Making of a Billy Graham Crusader* Curtis Mitchell,1966 *Billy Graham and the Beloved Community* Michael G. Long,2016-04-30 This study is the first detailed analysis of Billy Graham's thought during one of the most volatile periods of American history the Martin Luther King Jr years 1955-1968 Using previously unpublished documents this book argues that although the popular evangelist occasionally supported King's mission to save America he largely opposed King's vision of the beloved community and his tactics of civil disobedience The book also offers the controversial claim that because Graham allowed his political allegiances to trump his biblical Christianity he never dreamed of nor worked for a world marked by lasting racial reconciliation economic justice and peace

Ulmer,2011-12-19 In the area of finances our decision to go it alone by not following God's ways is what relegates many of us to struggle to live paycheck to paycheck as have nots Throughout Scripture God gives us full guidance and instructions processes and commands on how to live our life and deal with just about every conceivable situation that we might encounter However He never forces us to follow His ways even though experience shows His ways are always best for our ultimate peace happiness productivity and success In this groundbreaking look at the parables of the talents and the man of noble birth pastor teacher and author Dr Kenneth Ulmer reveals Christ's call to us to do business for Him With Dr Ulmer's help learn the difference between bringing a tithe and being a tither the kingdom principle that money is to earn money how to reverse the errors of taking the process out of prosperity buying into the poverty lie and letting the world be smarter than us regarding finances how to become a producer and not just a consumer and much more Whether we have a lot of money or a little our use of the money entrusted to us will determine whether or not we and our families reach our kingdom potential and our kingdom blessings Follow Dr Ulmer's biblical prescription to see the many blessings that await those who will faithfully take care of business and make their money count **The Making of a New Creature** Janie Jordan,2020-12-04 Annie Jenkins is truly a woman of God a congregant who impresses even her church leaders with her biblical knowledge

The Lord's Radio Mark Ward Sr., 2017-07-19 Evangelical Christianity the faith professed by one in four Americans exerts an enormous influence in American society Believed by some to have originated as a reaction to the social revolution of the 1960s evangelicalism as a distinct subculture in fact dates to the advent of radio The evangelical faithful flocked to the airwaves developing a nationwide mass culture as listeners across denominational lines heard the same popular preachers and music Evangelicals left behind the fundamentalism of the early 20th century as broadcast ministries laid the foundation for the culturally engaged New Christian Right of the late 20th century This historical ethnography presents the era's major radio evangelists and songwriters in their own words drawing on their writings and recordings as well as songbooks liner notes and song story anthologies of the period

Glossolalia and the Problem of Language Nicholas Harkness, 2021-03-19 Speaking in tongues also known as glossolalia has long been a subject of curiosity as well as vigorous theological debate A worldwide phenomenon that spans multiple Christian traditions glossolalia is both celebrated as a supernatural gift and condemned as semiotic alchemy For some it is mystical speech that exceeds what words can do and for others it is mere gibberish empty of meaning At the heart of these differences is glossolalia's puzzling relationship to language Glossolalia and the Problem of Language investigates speaking in tongues in South Korea where it is practiced widely across denominations and congregations Nicholas Harkness shows how the popularity of glossolalia in Korea lies at the intersection of numerous often competing social forces interwoven religious

legacies and spiritual desires that have been amplified by Christianity's massive institutionalization. As evangelicalism continues to spread worldwide, *Glossolalia and the Problem of Language* analyzes one of its most enigmatic practices while marking a major advancement in our understanding of the power of language and its limits. *From a Ministry for Youth to a Ministry of Youth* Ruth Lukabyo, 2020-09-30 At a time of unprecedented secularization and declining church attendance, youth ministry in the twenty-first century should be doomed. So why is Protestant youth ministry in Sydney vibrant and in many places growing? This book sets out to answer this question, which is of such importance for the future of the Australian church. A pioneering model of youth ministry evolved in the 1930s and was already flourishing in churches, schools, and universities by the 1950s. Its early high point was the Billy Graham Crusade of 1959, which may legitimately be seen as an Australian youth revival. The new model broke with past practice by cultivating ministry leadership by young people, by promoting peer groups to nurture and share faith, and by fostering ministry collaboration between young men and women. The model used by theological conservatives and liberals alike and has proved both enduring and fruitful. This book will engage with the model of youth ministry and the religious experiences of young people in Sydney. By reading it, you will not only learn from the significant achievements of young people in the past but be better equipped to creatively consider new methods of ministry for the twenty-first century. *I Fired God* Jocelyn R. Zichterman, 2013-05-14 A compelling memoir and account of the Independent Fundamental Baptist church and its shocking history of religious abuse. Jocelyn Zichterman was born, raised, married into, and finally with her family fled the Independent Fundamental Baptist church. Founded by the fiery preacher Bob Jones with several hundred thousand members, IFB congregants are told they must not associate with members of other Baptist denominations and evangelicals, with an emphasis on secrecy, insular marriages within the church, a subservience for women, and unusual child-raising practices. In *I Fired God*, Jocelyn Zichterman systematically details the IFB's disturbing history, exposing a cult-like atmosphere of corruption, greed, and abuse. Having been initiated into its innermost circles, Zichterman knows that the gentle demeanor America sees in the form of the Duggar clan on *19 Kids and Counting* disguises the truth about the darker side of the church. With written documentation and sources so thorough that law enforcement has used her work as a foundation for criminal prosecutions, Zichterman exposes the IFB with revelations including the disturbing world of abuse within the IFB and doctors and teachers who cater exclusively to church members and fail to report physical and sexual abuse. The IFB controlled Bob Jones University, which issues degrees of questionable value while making vast sums of money for its founders. The way the IFB influences politics on the local, state, and national level and protects its abusive culture under the constitutional guarantee of freedom of religion. **Night of Tears, Years of Joy** Samuel Miller, 2008-04 Can any good come from a head-on collision in a Volkswagen? Massive head injuries seem like an inadequate description of author Samuel Miller's injuries on a fateful night on a North Carolina highway nearly four decades ago. And yet, looking back, it was a night of divine providence as the lives of five young men were mercifully spared. The reader

is invited to join the author on an emotional journey through a grueling ordeal that confronts an age old question Can God bring good out of tragedy Not allowed to look in a mirror due to the severity of his facial injuries the author survives and embarks on a memorable voyage of lifelong ministry to those who are hurting As Dr Horace Ward points out in his foreword Samuel has been blessed with a powerful testimony and a fruitful ministry Samuel has an experience worth telling and he tells each word extremely well Samuel Miller author son of South American missionaries is a graduate of Cedarville College and Wright State University An ordained minister since 1973 he is married to Connie teacher and writer Presently involved in evangelistic ministry they pastored twenty one years in West Virginia and Ohio They are the parents of two sons Jeff and Richard both married
