Making Of A Gymnast:

The Making of a Gymnast Jean Boulogne, Carl De Baldo, 1978 **The Making of a Gymnast** Hawthorn, 1985-06-03

A World-Class Gymnast Lloyd Readhead, 2004 Contents Introducing gymnastics How the sport has changed Champion qualities The people behind the gymnast A good coach Women s artistic gymnastics Women s floor and vault Men s artistic gymnastics Men s rings vaults and bars The training gym Learning in the gym Foundation skills More foundation skills Spectacular skills More spectacular skills The training programmed Training exercises Stamina and diet Safety and welfare Becoming a champion gymnast Records and landmarks *Behind the Scenes Gymnastics* Blythe Lawrence, 2019-08-01 Learn what it takes to become a professional gymnast Readers will get a fascinating insider look at the life of a gymnast from preparing for competition to events outside the gym *Women's Artistic Gymnastics* Roslyn Kerr, Natalie Barker-Ruchti, Carly Stewart, Gretchen Kerr, 2020-04-08 This book lifts the lid on the high pressured complex world of women s artistic gymnastics By adopting a socio cultural lens incorporating historical sociological and psychological perspectives it takes the reader through the story and workings of women s artistic gymnastics Beginning with its early history as a feminine appropriate sport the book follows the sport through its transition to a modern sports form Including global cases and innovative narrative methods it explores the way gymnasts have experienced its intense challenges the complexities of the coach athlete relationship and how others involved in the sport such as parents and medical personnel have contributed to the reproduction of a highly demanding and potentially abusive sporting culture With the focus on a unique women s sport the book is an important read for researchers and students studying sport sociology sport coaching and physical education but it is also a valuable resource for anyone interested in the development of sporting talent **Coaching Youth Gymnastics** Lloyd Readhead, 2016-11-30 Coaching Youth Gymnastics is an invaluable resource for both new coaches and also for more experienced teachers Those who train coaches will also find much of value in the book The various disciplines of gymnastics are explained together with how they fit into the framework of international gymnastic competition and the author discusses various coaching styles and how they might best be applied in different circumstances Topics covered in this new book include the role of the coach sports psychology floor exercise skills coaching use of apparatus and preparing for competition Fully illustrated with 21 colour photographs and 200 diagrams **Ethnography in Social Science Practice** Julie Scott-Jones, Sal Watt, 2010-04-19 Ethnography in Social Science Practice explores ethnography s increasing use across the social sciences beyond its traditional bases in social anthropology and sociology It explores the disciplinary roots of ethnographic research within social anthropology and contextualizes it within both field and disciplinary settings The book is of two parts Part one places ethnography as a methodology in its historical ethical and disciplinary context and also discusses the increasing popularity of ethnography across the social sciences Part two explores the stages of ethnographic research via a selection of multidisciplinary case studies A number of key questions are explored What exactly is

ethnographic research and what makes it different from other qualitative approaches Why did ethnography emerge within one social science discipline and not others Why did its adoption across the social sciences prove problematic What are the methodological advantages and disadvantages of doing ethnographic research Why are ethnographers so concerned by issues of ethics politics representation and power What does ethnography look like within different social science disciplines The book is aimed at social science students at both undergraduate and postgraduate level and each chapter has pedagogic features including reflective activities and suggested further readings for students
