Jesus and the Beauty of Obedience Based Discipleship David Young presents a bold call for obedience based discipleship and argues that it alone is the proper response to the kingship of Jesus Many have wrongly associated obedience with bad theology believing that Jesus demand for obedience is a form of works righteousness or legalism Others simply don t like obedience and resist the demands Jesus makes in calling us to follow him But if we surrender to the kingship of Jesus we will find the life we were designed to live We are accustomed to calling Jesus Savior And we should But until recently many in the Western church have not learned to call Jesus King The kingship of Jesus has implications for how we live We can either rebel against him raising puppet kings and constructing our own kingdoms or we can submit to him in obedience based discipleship Could it be that you are still sitting on the throne of your life treating King Jesus as a mere advisor What would change in your life if you started treating Jesus as nothing short of your King Young unpacks five principles for those who wish to follow Jesus as King Surrender to the authority of King Jesus Embrace the mission of King Jesus Live immersed in King Jesus Obey the teachings of King Jesus Behold the presence of King Jesus Following these five steps awakens us to a life truly worth living a life of power peace beauty and love This is eternal life that we would know and follow Jesus as King of the Universe and king over our lives After all you don t merely believe in kings You obey them *Strong Arm Tactics* John Maxymuk,2016-04-05
