Aaron Jason Silver,2006-07-01 My reasons for writing this book are rather complex because I have seen no other books on the shelves that were comprehensive enough to interest the straight population as well This book is as much for them as it is for gay people because it I believe it provides important information for them to help them understand us better and why many gay men may behave the way they do Gay culture to the straight culture as always seemed mysterious as if we were hiding something Perhaps we have been so I hope this book helps them understand better the gay culture and hopefully it may help them better understand how certain behaviors may have developed and a bit of a history lesson on how gay culture originally came to be My greatest hope is that this book will cause the much need discussion about why many of us behave the way we do My thoughts are that the high school girly behaviors are the manifestations of unhealed wound that I refer to as ghost wounds that are a direct result of the damage that has been done during the very critical school age years when many of us were trying to find out who were and develop some self esteem Unfortunately for most gay men that I have spoken to had very lonely childhoods where they felt isolated picked on at school and they most often felt like outsiders I believe these experiences have done more damage to gay people than we have ever given credit to As a result these ghost wounds have never been healed and follow them around for a lifetime unless addressed and will influence much of your behaviors and most importantly your ability to understand and really feel the beauty and deliciousness of true intimacy whether it be with friends or lifepartners Frequent sexual encounters are not intimacy It s devoid of intimacy and often leads to a deeper feeling of isolation loneliness and depression The last of what I want to say is good luck in your que **A**

Perfect Body Norm Powers,2009-11 Lose weight and even grow your breasts larger by using your God given powers of your mind All things are possible to her who believes The mind is incredibly powerful when coupled with belief and the will to carry it through This book teaches you how to utilize the powers of the mind by practicing a variety of exercises and learning the methods A whole chapter is dedicated to the Bible as to how this is not only possible but it is also permissible In fact for me it is a requirement to pray this way for myself and for others because it is so effective and powerful **The Bride's**
