Making A Soul:

God's Autopsy and the Living Truth of Soul Hal Childs, 2022-08-22 The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God s Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung's psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in Love and the Soul Robert Sardello, 2011-06-28 With economies in peril war in the Middle East genocides global warming and a host of other grim phenomena the world has never seemed so besieged The solution says Robert Sardello lies with the individual In this timely thoughtful book he explains how the soul can engage with the outer world to produce radical change Because we think of the world as a vast mechanism and behave as mechanical objects in it the results are devastation and dysfunction. The key is to learn to identify with the plight of the Earth by developing a true sense of individual imagination and conscious awareness of inner purpose and beauty in conjunction with the soul of the world Sardello shows how to achieve this awareness and bring what is inside out into the world inspiring balance and stability Using the Grail legend and the myth of Sophia known as the Soul of the World as well as writings by Jung James Hillman and Rudolf Steiner Love and the Soul helps readers imagine a revitalized Earth by exploring the significance of grieving the transformative power of radical receptivity the creative power of dreaming and a new basis for community ,2025-02-03 What do we mean when we say that something has power Plato's dialogues are probably the first philosophical corpus to address this question Powers are causes they account for how events happen They are properties that agents have as well as dispositions in those who suffer the effects of an action This explanation is the basis of Plato's metaphysics and moral philosophy He proposed that things are the power they have to act or be acted upon this is their nature This book brings together a group of specialists to guide the reader through this fascinating theory **Deliverance and Spiritual Body Mapping** Carolyn Steidley, 2016-06-13 Will you go to hell for me asked the Lord I remember standing in my living room stunned It took me a few days to be able to answer him I replied with a shaking Yes He then took me in a vision to the gates of hell I could smell the sulfur and feel the heat The gates were huge thick black iron they swung open as I approached

I was standing on stepping stones just big enough for my feet and lava swirled around the stones I heard the Lords voice Dont be afraid Carolyn I have a net around you and yours I looked and saw a large net all around me I continued along the stones and then I saw it a hand reached desperately to me out of the lava I grabbed a hold and pulled for all I was worth The vision ended From that vision I learned there are people all around us who are in the own personal hells We are to set the captives free The Lord gave me a way to help It is called Spiritual Body Mapping and it works It is an amazing way to guickly diagnose and target the strengths as well as areas that need to be addressed in an individuals life As you read this book I pray for the spirit of wisdom and revelation to enlighten you God Bless you Carolyn Steidley **Journey of Soul** Harold Klemp, 2025-01-24 As you read these books you ll realize that here is someone who shows us that everything we need to fulfill our truest dreams and desires is already as close and real as our heartbeats Leading Edge Review You spend a lifetime trying to answer deeply burning questions about yourself Who am I Why am I here Why do I feel this longing like something s missing You are about to make a giant leap forward on this the last leg of your long journey home to God You ll find that the answers you ve been looking for lie in your own experience Through stories and techniques you can use every day Journey of Soul guides you toward a personal understanding of the nature of Soul the possibility of past lives how to overcome the fear of death and the spiritual potential of dreams Carl Jung and Soul Psychology Donald Lathrop, E Mark Stern, Karen Gibson, 2014-02-04 Psychotherapy is profoundly indebted to Carl Jung who among others discovered the mappings of soul psychology Carl Jung and Soul Psychology is a fascinating exploration of the identity and unifying work of soul psychology The editors have met a monumental challenge in enlisting the scope of wisdom represented in this unique book Mama Vidette Vanderweide, 2012-11-20 For women of all ages whether married single a mother or not S O U L Mama is about what happens when you wake up to a life that doesn't seem to be your own It no longer fits It is the realization that its not the life you want Vidette shares her personal story of finding herself unfulfilled as a corporate employee a mother of two young children and a wife One devastating night changed the trajectory of her life and awakened her to the realization that she no longer wanted the life she had But what happens when you wake up to that realization yet you have a life organized around you that you cant walk away from Use S O U L Mama to Create an epic revolution in your life Discover daily principles and tools to use to permanently make every day an experience of an epic life Create and enjoy healthier relationships more purpose in your life more money and successfully transform your life from ordinary to extraordinary

Singing to the Plants Stephan V, Beyer,2010-01-15 In the Upper Amazon mestizos are the Spanish speaking descendants of Hispanic colonizers and the indigenous peoples of the jungle Some mestizos have migrated to Amazon towns and cities such as Iquitos and Pucallpa most remain in small villages They have retained features of a folk Catholicism and traditional Hispanic medicine and have incorporated much of the religious tradition of the Amazon especially its healing sorcery shamanism and the use of potent plant hallucinogens including ayahuasca The result is a uniquely eclectic shamanist

culture that continues to fascinate outsiders with its brilliant visionary art Ayahuasca shamanism is now part of global culture Once the terrain of anthropologists it is now the subject of novels and spiritual memoirs while avahuasca shamans perform their healing rituals in Ontario and Wisconsin Singing to the Plants sets forth just what this shamanism is about what happens at an ayahuasca healing ceremony how the apprentice shaman forms a spiritual relationship with the healing plant spirits how sorcerers inflict the harm that the shaman heals and the ways that plants are used in healing love magic and Memoir and Remains of the Rev. G. JUNG: Symbols of Transformation (Volume 5) C.G. Jung, 2014-12-05 In 1911 Jung published a book of which he says it laid down a programme to be followed for the next few decades of my life It was vastly erudite and covered innumerable fields of study psychiatry psychoanalysis ethnology and comparitive religion amongst others In due course it became a standard work and was translated into French Dutch and Italian as well as English in which language it was given the well known but somewhat misleading title of The Psychology of the Unconscious In the Foreword to the present revised edition which first appeared in 1956 Jung says it was the explosion of all those psychic contents which could find no room no breathing space in the constricting atmosphere of Freudian psychology It was an attempt only partially successful to create a wider setting for medical psychology and to bring the whole of the psychic phenomena within its purview For this edition appearing ten years after the first bibliographical citations and entries have been revised in the light of subsequent publications in the Collected Works and in the standard edition of Freud's works some translations have been substituted in quotations and other essential corrections have been made but there have been no changes of substance in the text My Hotel in Nether World Hong ChenQiuDu,2020-09-09 Because Wang Siyao had been born with the Ghost Eye she had received a black stone token from her ancestors when she was eighteen From there she had opened the door of the inn **Derek Jarman's Visionary Arts** Michael Charlesworth, 2024-05-16 Derek Jarman's place in the history of film is assured by virtue of his vibrant defiant films that experiment with the very process of film making and create new forms His paintings their excitements and their profundity are less well known Michael Charlesworth sheds light on the varied ramifications of Jarman's artistic practice from his years at Prospect Cottage Dungeness and provides the first book length study of his interest in depth psychology He draws on Jarman's paintings especially his landscapes from the 1960s and 70s his multiple series such as black and broken

glass GBH Queer and Evil Queen and his last Ecstatic Landscapes 1991 3 He also showcases Jarman s excellence as a writer with respect to his memoir Kicking the Pricks In a novel approach to Jarman s cinema selecting films such as Journey to Avebury 1973 Caravaggio 1986 The Garden 1990 and Blue 1993 Charlesworth emphasizes themes and artistry rather than narrative Exploring the ways in which Jungian and post Jungian psychology were absorbed into Jarman s varied works Derek Jarman s Visionary Arts provides a fresh perspective on his painting film and writing It celebrates him as one of the major British artists of the late 20th century engaging with current debates about queer sexualities environmentalism and climate catastrophe
