Making Out In Korean:

Making Out in Korean Peter Constantine, Gene Baij, 2014-09-23 Making Out in Korean is a fun accessible and thorough Korean phrasebook and guide to the Korean language as it's really spoken. Nan neoga joa michigesseo Uri tto mannalkka I'm crazy about you. Shall we meet again. Answer this correctly in Korean and you may be going on a hot date. Incorrectly and you could be hurting someone's feelings or getting a slap. Korean classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios but chances are while in Korea you will spend a lot more time trying to make new friends or start new romances something you may not be prepared for. If you are a student, businessman or tourist traveling to South Korea or North Korea and would like to have an authentic and meaningful experience the key is being able to speak like a local. This friendly and easy to use Korean phrase book makes this possible. Making out in Korean has been carefully designed to act as a guide to modern colloquial Korean for use in everyday informal interactions giving access to the sort of catchy Korean expressions that aren't covered in traditional language materials. As well as the Romanized forms (romanji) each expression is given in authentic Korean script (hangul) so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. In addition easy to use phonetic spellings of all Korean words and phrases are given. For example How are you? annyeonghaseyo is also written as anh nyawng hah seyo. This Korean phrasebook includes A guide to pronouncing Korean words correctly. Explanations of basic Korean grammar such as word order, questions and formal vs informal tenses. Complete Korean translations including Korean Script (hangul). Useful and interesting notes on Korean language and culture. Lots of colorful fun and useful expressions not covered in other phrasebooks. Titles in this unique series of bestselling phrase books include Making Out in Chinese, Making Out in Indonesian, Making Out in Thai, Making Out in Korean, Making Out in Hindi, Making Out in Japanese, Making Out in Vietnamese, Making out in Burmese, Making Out in Tagalog, Making Out in Hindi, Making Out in Arabic, Making Out in English. More Making Out in Korean and More Making Out in Japanese.

More Making Out in Korean Ghi-woon Seo, Laura Kingdon, 2015-12-22 More Making Out in Korea is a fun accessible and thorough Korean phrase book and guide to the Korean language as it's really spoken. Now in its third edition this is the perfect introduction to Korean as it's really spoken from everyday interactions to basic questions to the language of love. It includes phrases and tidbits of information on a variety of social situations such as eating out, traveling, texting and much more. More Making Out in Korean features a pronunciation guide and basic grammar as well as guidelines for the use of polite and informal phrases so you'll never put a foot wrong when meeting and getting to know people. Exploring clubs and bars. Getting serious in relationships. Talking to friends through social media. Each expression in this Korean phrasebook is given in Korean script as well as the Romanized form to enhance your experience of the language and help you with written socializing on computers and gadgets. Full of colorful slang, straight talk and a little cultural savvy on the side, this book has what you need to get started. Pick it up and get ready to converse.

Korean American Families in Immigrant America Sumie Okazaki, Nancy Abelmann, 2018-10-09 An engaging ethnography of Korean American immigrant families navigating the United States Both scholarship and popular culture on Asian American immigrant families have long focused on intergenerational cultural conflict and stereotypes about tiger mothers and model minority students This book turns the tables on the conventional imagination of the Asian American immigrant family arguing that in fact families are often on the same page about the challenges and difficulties navigating the U S s racialized landscape The book draws on a survey with over 200 Korean American teens and over one hundred parents to provide context then focusing on the stories of five families with young adults in order to go in depth and shed light on today s dynamics in these families The book argues that Korean American immigrant parents and their children today are thinking in shifting ways about how each member of the family can best succeed in the U S Rather than being marked by a generational division of Korean vs American these families struggle to cope with an American society in which each of their

lives are shaped by racism discrimination and gender Thus the foremost goal in the minds of most parents is to prepare their children to succeed by instilling protective character traits The authors show that Asian American and particularly Korean American family life is constantly shifting as children and parents strive to accommodate each other even as they forge their own paths toward healthy and satisfying American lives This book contributes a rare ethnography of family life following them through the transition from teenagers into young adults to a field that has largely considered the immigrant and second generation in isolation from one another Combining qualitative and quantitative methods and focusing on both generations this book makes the case for delving more deeply into the ideas of immigrant parents and their teens about raising children and growing up in America ideas that defy easy classification as Korean or American **The Rainy Spell and Other**
