Meditations for Church Volunteers Valerie Gittings, 2003 Meditations for Church Volunteers is the perfect gift to say thank you to those who volunteer in the church Great for ushers lay readers and those who volunteer to help with child care in the kitchen or on church committees or other volunteer work Filled with encouraging words and thought provoking suggestions from someone who has volunteered in local parishes for many years this compact and thoughtful book will be a welcome companion to those who give their time freely These inexpensive books were created with church budgets in mind with ecumenical language that fits any mainline church **The Living Church** ,1978-07 The devout Christian's help to meditation on the life of ... Jesus Christ, and the Apostolic Church Thomas Thellusson Carter, 1869 **The Well-Managed Ministry** Philip M. Van Auken, 1989 Philip Van Auken has developed a management resource handbook in response to this problem Sensitive to the needs of the often over burdened Christian professional his workbook aims at assisting administrators in developing effective and efficient personal management styles ones that are in harmony with their value systems Written in a modular format the book is designed to be user friendly Easy to digest and action oriented in focus each chapter explores a key component of successful management Through a three step format of Discussion Modules Situation Reviews and Action Plans each topic is thoroughly and systematically addressed Included are worksheets not only for managers but for other ministry team members as well This book is the tool you need as a leader or manager to transform your ministry from the mundane to the monumental **The Devout Christian's Help to Meditation on the Life of Our Lord Jesus Christ, and the Apostolic Church** Thomas Thellusson Carter, 1866 **Library of Congress Subject Headings** Library of Congress, Library of Congress. Office for Subject Cataloging Policy, 2011 The Workers are Few J. Alexander Rutherford, 2025-01-31 By all indications the Western Church is facing a crisis of pastoral ministry Pastoral ministry is on a trajectory of decline despite the fact that God has opened a massive mission field on our doorstep a mission field that requires workers Moreover we continue to export the same model of ministry to the global Church inviting them to join us in the state of crisis In Matthew 9 37 38 Jesus invites his disciples to consider the vast harvest of souls God has prepared a harvest awaiting workers If we want to see our churches healthy and our neighbours come to know Jesus we must be interested in God's work to prepare workers for the harvest This book is an attempt to repair what is broken to contribute to the repair of pastoral ministry I am convinced that no problem is more urgent to the church globally than this one yet I am also convinced the solution to this problem is quite simple This book argues that our crisis is the result of swapping the biblical vision of pastoral ministry for a poor substitute and our failure to raise disciples in our local church Part 1 identifies significant reasons why we are in a crisis Part 2 lays a biblical foundation for rebuilding a biblical model of pastoral ministry and Part 3 shows how this foundation can be built upon in the life of a local church **Quis habitabit, Psalm xv: a meditation for Christian socialists, the substance of 3 addresses** James Granville Adderley, 1903 **The Christian**
