Lentz III,2013-04-25 This book provides a single source of biographical information for the thousands of individuals who have held high elective and appointive offices in the federal state and municipal governments The first half of the book lists positions in the government with a chronological record of the persons who have held the positions and the duration of their terms of office Executive branch listings include the presidents first ladies vice presidents cabinet members deputy and undersecretaries of cabinet departments directors and administrators of high government agencies high ranking military officials ambassadors and high ranking presidential staff and White House aides In the judiciary the chief justice of the United States and members of the Supreme Court the U S Court of Appeals and U S District Courts are listed Legislative listings include presidents of the Continental Congresses speakers of the House of Representatives presidents pro tempore of the Senate majority and minority leaders in both houses of Congress members of Congress territorial delegates resident commissioners governors and lieutenant governors Next are sections on state and territorial governments listing governors and lieutenant governors and city governments listing mayors of over 150 cities The second half of the book is a biographical index of individuals found in the earlier sections listed in alphabetical order The entries contain dates of birth and death when known political party or affiliation state or states of significance to the officeholder and listing of offices held The Political Reference Almanac ,2001 The Parties in Court Robert C. Wigton,2013-12-11 American political parties have long existed in a gray area of constitutional law because of their uncertain status Parties in this country are neither fully public nor fully private entities This constitutional ambiguity has meant that political parties are considered private organizations for some purposes and public ones for others This public private entity problem has arisen in many different legal contexts over the years However given their case by case method of judicial review courts have typically dealt with only very discrete parts of this larger problem This work is an endeavor to describe and analyze the constitutional status of political parties in this country by synthesizing the best judicial and scholarly thinking on the subject In the final chapter I draw on these ideas to propose my own scheme for how political parties might be best accommodated in a democracy Current Publications in Legal and Related Fields ,1992 **The Marketplace of Democracy** Michael P. McDonald,John Samples,2007-02-01 A

Brookings Institution Press and Cato Institute publication Since 1998 U S House incumbents have won a staggering 98 percent of their reelection races Electoral competition has also declined in some state and primary elections The Marketplace for Democracy combines the resources of two eminent research organizations Brookings and the Cato Institute to address several important questions about our democratic system How pervasive is the lack of competition in arenas only previously speculated on such as state legislative contests and congressional primaries What have previous reform efforts such as direct primaries and term limits had on electoral competition What are the effects of redistricting and campaign finance regulation What role do third parties play In sum what does all this tell us about what might be done to increase electoral competition The authors including a number of today s most important scholars in American politics consider the historical development legal background and political aspects of a system that is supposed to be responsive and accountable yet for many is becoming stagnant self perpetuating and tone deaf How did we get to this point and what if anything should be done about it Elections are the vehicles through which Americans choose who governs them and the power of the ballot is still the best lever ordinary citizens have in keeping public officials accountable The Marketplace of Democracy considers different policy options for increasing the competition needed to keep American politics vibrant responsive and democratic Contributors include Stephen Ansolabehere MIT William D Berry Florida State University Bruce Cain University of California Berkeley Thomas Carsey Florida State University James Gimpel University of Maryland John Hanley UC Berkeley John Mark Hansen University of Chicago Paul S Herrnson University of Maryland Gary Jacobson University of California San Diego Thad Kousser UC San Diego Frances Lee Univer
