Coyote Country Arnold E. Davidson, 1994 For most North Americans Canadians as well as Americans the term Western evokes images of the frontier brave sheriffs and ruthless outlaws good cowboys and bad Indians As Arnold E Davidson shows in this groundbreaking study a number of Canada's most interesting and experimental Western writers parody reverse or otherwise defuse the paraphernalia of the classic U S Western Lacking both a real and imagined frontier Canadian settlers rode trains into the new territory already policed by Mounties the writers of Canadian Westerns were set a different task from their American counterparts and were subsequently freed to create some of the most complex and engrossing fiction yet produced in Canada Davidson details the evolution of the U S and Canadian Western forms tracing the divergence between the two as Canadian writers responded to their unique historical circumstances by reinventing the West as well as

the Western and establishing a new literary landscape where author and reader could work out new possibilities of being

Surveying a range of texts by Canada's most innovative writers with special attention to women writers and Native stories of Coyote he provides close readings of novels by Howard O Hagan Sheila Watson Robert Kroetsch Aritha van Herk Anne Cameron Peter Such W O Mitchell Beatrice Culleton and Thomas King A unique study Coyote Country offers at one and the same time a theory of Canadian Western fiction a history of crosscultural paradigms of the West as manifested in novels and an intensive reading of some of Canada's best literature

Indigena Awry Annharte, 2012-11-30 NDN word warrior Marie Annharte Baker's fourth book of poems Indigena Awry is her largest and wildest yet It collects a decade's worth of verse fifty nine poems Set noticeably in Winnipeg and Vancouver but in many other places on either side of the Medicine Line as well the poems are a laser eyed meander through contested streets filled with racism classism and sexism Shot through with sex and violence and struggle and sadness and trauma her work is always set to detect and confront the delusions of colonialism and its discontents These poems are informed by a sceptical spirituality They call for justice for NDNs through the Permanent Resistance that goes around in cities This is bruising and exacting stuff but Annharte is also one of poetry's best jokers In Indigena Awry you can find fictitious girl gangs coexisting with real boy ones NDN grannies may be found flirting salaciously in some internet chat room One might use duct tape to prevent a war You might be worried that hand signalling for a Timbit on an airplane flight will be considered a terrorist act Annharte may be seam walking a singular path but she is not without allies In the United States they could include Leslie Marmon Silko and Chrystos In Canada Beth Brant and Gerry Gilbert The jazz inflections of Beat writing are often apparent in her work She swings from a poetic madness into a mad poetics Way under it all acting as a deep sort of platform could be considered the Kenyan writer Ngugi wa Thiong'o's project of decolonizing one's mind Both sketch out an argument that we will not see feel or respond correctly in or to our own lives without doing this because otherwise we will be living within a philosophical myopia generated by a bad fiction While Indigena Awry is written for NDN persons it is highly recommended for truth seekers of every nature and anarchists of word and spirit In an Annharte poem you might lose your way only to find what's important

The Iowa Baseball Confederacy W. P. Kinsella, 2003 From the author of the bestselling Shoeless Joe comes another vintage baseball tale that like magic holds together and entices you from one page to the next until at the end you ache for more Milwaukee Journal

Listening to Old Woman Speak Laura Smyth Groening, 2005-01-18 Groening argues that what Frantz Fanon terms the manichean allegory has shaped European understanding of the New World to such an extent that the image patterns fundamental to the allegory continue to dominate depictions of Native characters Although a world separated into two categories defined by light and dark reason and emotion mind and body technology and nature future and past is no longer also characterized as good and evil revaluing the tropes has not made them disappear And without their disappearance good intentions notwithstanding nonaboriginal Canadian writers will continue to portray Native characters as part of a dead and dying

culture Groening demonstrates that the real issue cannot be about censorship as censorship involves the abrogation of freedom and the imagination is never truly free [Encyclopedia of Post-Colonial Literatures in English](#) Eugene Benson, L.W.
