Miss Marjoribanks Chronicles Of Carlingford:

Chronicles of Carlingford and Miss Marjoribanks Margaret O. W. Oliphant, 2004-11-26 From the moment of her mother's death Lucilla Marjoriebanks knows her vocation a conviction based on the influence of morally uplifting novels and the sublime confidence in herself is the first necessity to a woman on a mission The usurping of Dr Marjoriebanks as master of his own table and the assuaging of Nancy his formidable housekeeper are but small steps in Lucilla's scheme for she intends nothing less than the transformation of Carlingford society Lucilla's evenings become the talk for this quiet country town not only are they an essential source of gossip and entertainment for old friends and neighbours of Grange Lane but they are also the setting for some of Lucilla's most startling accomplishments For it is on these occasions under the watchful eye and guidance of this magnificent young woman that reputations are made and lost and romances are pursued and undone

(Margaret), *Miss Marjoribanks* Mrs. Oliphant (Margaret), 2014 Love Jane Austen's Emma If so you'll relish every page of Margaret Oliphant's *Miss Marjoribanks* Part of the author's *Carlingford Chronicles* this delightful novel follows the indomitable Lucilla Marjoribanks who returns to her hometown to take care of her father She inserts herself into the local social scene with her trademark abundance of confidence but will her machinations and plans be well received by the townspeople *Chronicles of Carlingford, Vol. 3* Margaret O. Oliphant, 2018-03-05 Excerpt from *Chronicles of Carlingford Vol 3 Miss Marjoribanks* Truth in the adjective She was not to be described as a tall girl which conveys an altogether different idea but she was large in all particulars full and well developed with somewhat large features not at all pretty as yet though it was known in Mount Pleasant that somebody had said that such a face might ripen into beauty and become grandiose for anything any body could tell Miss Marjoribanks was not vain but the word had taken possession of her imagination as was natural and solaced her much when she made the painful discovery that her gloves were half a number larger and her shoes a hairbreadth broader than those of any of her companions but the hands and the feet were both perfectly well shaped and being at the same time well clothed and plump were much more presentable and pleasant to look upon than the lean rudimentary school girl hands with which they were surrounded To add to these excellences Lucilla had a mass of hair which if it could but have been cleared a little in its tint would have been golden though at present it was nothing more than tawny and curly to exasperation She wore it in large thick curls which did not however oat or wave or do any of the graceful things which curls ought to do for it had this aggravating quality that it would not grow long but would grow ridiculously unmanageably thick to the admiration of her companions but to her own despair for there was no knowing what to do with those short but ponderous locks These were the external characteristics of the girl who was going home to be a comfort to her widowed father and meant to sacrifice herself to his happiness In the course of her rapid journey she had already settled upon everything that had to be done or rather to speak more truly had rehearsed everything according to the habit already acquired by a quick mind a good deal occupied with itself First she meant to fall into her father's arms forgetting with that singular facility for overlooking the peculiarities of others which belongs to such a character that Dr Marjoribanks was very little given to embracing and that a hasty kiss on her forehead was the warmest caress he had ever given his daughter and then to rush up to the chamber of death and weep over dear mamma And to think I was not there to soothe her last moments Lucilla said to herself with a sob and with feelings sufficiently real in their way After this the devoted daughter made up her mind to come down stairs again pale as death but self controlled and devote herself to papa Perhaps About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do
