Filming John Fowles James Aubrey, 2015-07-10 John Fowles wrote five compelling stories later made into motion pictures This book examines for the first time the film and video adaptations of these stories as well as Fowles's role in adapting his literary genius to visual media Besides his authorship of the screenplay for *The Magus* 1968 Fowles was an uncredited contributor to *The Collector* 1965 and *The French Lieutenant's Woman* 1971 and to the British television adaptations *The Ebony Tower* and *The Enigma* His unpublished short story *The Last Chapter* was adapted as a theatrical short film satirizing the James Bond novels Few are aware that the 1997 thriller *The Game* was a brilliant adaptation of *The Magus* or that Fowles himself acted out scenes from that novel for a Greek television documentary This book gives deserved recognition to John Fowles as a contributor to cinema a medium he both loved and distrusted where his stories acquired vivid alternative lives

American Enchantment Michelle Sizemore,2017-11-01 The demise of the monarchy and the bodily absence of a King caused a representational crisis in the early republic forcing the American people to reconstruct the social symbolic order in a new and unfamiliar way Social historians have routinely understood the Revolution and the early republic as projects dedicated to and productive of reason

with the people as an orderly and sensible collective at odds with the volatile and unthinking crowd American Enchantment rejects this traditionally held vision of a rational public sphere arguing that early Americans dealt with the post monarchical crisis by engaging in civil mysticism not systematic discussion and debate By evaluating a wide range of social and political rituals and literary and cultural discourses Sizemore shows how enchantment becomes a vital mode of enacting the people after the demise of traditional monarchical forms In works by Charles Brockden Brown Washington Irving Catharine Sedgwick and Nathaniel Hawthorne as well as in Delaware oral histories accounts of George Washington s inauguration and Methodist conversion narratives enchantment is an experience uniquely capable of producing new forms of popular power and social affiliation Recognizing the role of enchantment in constituting the people overturns some of the most common sense assumptions in the post revolutionary world above all that the people are not simply a flesh and blood substance but also a mystical force

Nearly two decades after he made the winning shot in the state championship basketball game, he remains much adored and the focal point of community pride. So he decides to parlay his local popularity into a successful restaurant, Duke's Place. But no sooner does he get his restaurant up and running than disaster strikes. One day Little Tony DeMarco, his brother-in-law and a known mob enforcer, comes into the restaurant and murders Duke's oldest friend. Now Duke faces the hardest decision of his life. DeMarco thinks he's untouchable, but Duke discovers a way to take him down along with his mob superiors.
