Pirate Hunters
Robert Kurson,2015-06-16 NEW YORK TIMES BESTSELLER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE A thrilling adventure of danger and deep sea diving historic mystery and suspense by the author of Shadow Divers Finding and identifying a pirate ship is the hardest thing to do under the sea But two men John Chatterton and John Mattera are willing to risk everything to find the Golden Fleece the ship of the infamous pirate Joseph Bannister At large during the Golden Age of Piracy in the seventeenth century Bannister should have been immortalized in the lore of the sea his exploits more notorious than Blackbeard s more daring than Kidd s But his story and his ship have been lost to time If Chatterton and Mattera succeed they will make history it will be just the second time ever that a pirate ship has been discovered and positively identified Soon however they realize that cutting edge technology and a willingness to lose everything aren t enough to track down Bannister s ship They must travel the globe in search of historic documents and accounts of the great pirate s exploits face down dangerous rivals battle the tides of nations and governments and experts But it s only when they learn to think and act like pirates like Bannister that they become able to go where no pirate hunters have gone before Fast paced and filled with suspense fascinating characters history and adventure Pirate Hunters is an unputdownable story that goes deep to discover truths and souls long believed lost Praise for Pirate Hunters You won t want to put it down Los Angeles Times An exceptional adventure Highly recommended to readers who delight in adventure suspense and the thrill of discovering history at their fingertips Library Journal starred review A terrific read The book gallops along at a blistering pace shifting us deftly between the seventeenth century and the present day Diver Nonfiction with the trademarks of a novel the plots and subplots the tension and suspense Kurson has found gold The Dallas Morning News Rollicking a fascinating story about the world of pirates piracy and priceless treasures The Boston Globe Kurson s narration is just as engrossing as the subject The Christian Science Monitor A wild ride and an extraordinary adventure

Kurson's own enthusiasm combined with his copious research and an eye for detail makes for one of the most mind blowing pirate stories of recent memory one that even the staunchest landlubber will have a hard time putting down Publishers Weekly starred review The two contemporary pirate ship seekers of Mr Kurson's narrative are as daring intrepid tough and talented as Blood and Sparrow and Bannister As depicted by the author they are real life Hemingway heroes The Wall Street Journal Kurson takes his knowledge of the underwater world and applies it to the Golden Age of Piracy thrillingly detailing the highs and lows of chasing not just gold and silver but also history Booklist A great thriller full of tough guys and long odds and It's all true Lee Child

Pirate Empires Linda Hill, AI, 2025-03-21 Pirate Empires explores the significant yet often overlooked role of pirate societies in shaping world history Far from being mere criminals these pirate havens exerted considerable economic influence by disrupting global trade patterns and forcing nations to adapt their naval warfare tactics Pirate societies such as those in Tortuga and Madagascar weren't just about plunder they also fostered alternative social structures that challenged established state authority The book examines how these pirate havens functioned detailing their governance and defensive strategies and analyzes their impact on naval warfare and the evolution of maritime law It highlights how the struggle against piracy spurred innovations in naval technology and led to the development of international agreements aimed at suppressing maritime threats By presenting pirate societies not as isolated incidents but as complex geopolitical entities Pirate Empires offers a fresh perspective on their lasting legacy The book progresses through sections that explore the establishment of pirate havens their impact on naval warfare and the legal efforts to combat piracy Using primary sources and archaeological findings it paints a vivid picture of pirate life and their influence on global systems demonstrating how these illicit networks shaped the modern world
