Missing Rejacketed:

Missing Catherine MacPhail, Cathy MacPhail, 2011-11-21 Maxine's parents have had to do perhaps the worst possible thing to confirm the identity of her brother Derek's body by the clothes he was wearing when he disappeared. So the brother who was missing is now officially dead. But then the worst possible thing really happens. Maxine receives a telephone call from somebody saying he is her brother. She can hardly believe her ears. Has Derek come back from the dead? In this pacey thriller the author manages to confront many issues including how different people deal with grief, the very underrated effect of severe bullying at school and sibling rivalry, all in a fast-paced compelling narrative voice.

Underworld Catherine MacPhail, Cathy MacPhail, 2012-02-14 Five Scottish teenagers must deal with their own fears and rivalries when they are trapped in caverns on an island in the North Sea.

Frankie & Stankie Barbara Trapido, 2013-07-18 Dinah and her sister Lisa are growing up in 1950s South Africa where racial laws are tightening. They are two little girls from a dissenting liberal family. Big sister Lisa is strong and sensible while Dinah is weedy and arty. At school the sadistic Mrs. Vaughan Jones is providing instruction in mental arithmetic and racial prejudice. And then there's the puzzle of lunch break. Would you rather have a native girl or a koelie to make your sandwiches? A first-year classmate asks. But Dinah doesn't know the answer because it's her dad who makes her sandwiches. As the apparatus of repression rolls on, Dinah finds her own way. As we follow her journey through childhood and adolescence, we enter into one of the darker passages of twentieth-century history.

Witch Child - Rejacket Celia Rees, 2009-07-06 When Mary sees her grandmother accused of witchcraft and hanged for the crime, she is silently hurried to safety by an unknown woman. The woman gives her tools to keep the record of her days, paper and ink. Mary is taken to a boat in Plymouth and from there sails to the New World where she hopes to make a new life among the pilgrims. But old superstitions die hard and soon Mary finds that she like her grandmother is the victim of ignorance and stupidity and once more she faces important choices to ensure her survival. With a vividly evoked environment and characters skilfully and patiently drawn, this is a powerful literary achievement by Celia Rees that is utterly engrossing from start to finish.

Warriors of Alavna - Rejacket N.M. Browne, 2009-05-04 When Dan and Ursula become lost in a thick mist, they have no idea that once they step out of the other side they will find themselves in an England of thousands of years ago and embroiled in a civil war between ancient Britons and Romans. Soon they will have to rely on strengths that neither of them knew they had as they battle both physical and magical enemies, not only to ensure their own safety but also to try and help save the lives of the Combrogii who face the might and power of the Roman army. In this powerful and sweeping epic novel, survival depends on learning magical arts and respecting codes of behaviour that pre-date all modern life. It is a difficult world to survive in. Are Dan and Ursula able to master all they need to know in time to ensure that they do not become victims of a time far harsher than any they could ever have imagined?
