## **Mission Santa Barbara 1782 1965:**

**Mission Santa Barbara, 1782-1965** Maynard J. Geiger, 1965      **California Mission Landscapes** Elizabeth Kryder-Reid, 2016-11-30 Nothing defines California and our nation's heritage as significantly or emotionally says the California Mission Foundation as do the twenty one missions that were founded along the coast from San Diego to Sonoma. Indeed the missions collectively represent the state's most iconic tourist destinations and are touchstones for interpreting its history. Elementary school students today still make model missions evoking the romanticized versions of the 1930s. Does it occur to them or to the tourists that the missions have a dark history? California Mission Landscapes is an unprecedented and fascinating history of California mission landscapes from colonial outposts to their reinvention as heritage sites through the late nineteenth and twentieth centuries. Illuminating the deeply political nature of this transformation, Elizabeth Kryder Reid argues that the designed landscapes have long recast the missions from sites of colonial oppression to aestheticized and nostalgia-drenched monasteries. She investigates how such landscapes have been appropriated in social and political power struggles, particularly in the perpetuation of social inequalities across boundaries of gender, race, class, ethnicity, and religion. California Mission Landscapes demonstrates how the gardens planted in mission courtyards over the past 150 years are not merely anachronistic but have become potent ideological spaces. The transformation of these sites of conquest into physical and metaphoric gardens has reinforced the marginalization of indigenous agency and diminished the contemporary consequences of colonialism. And yet importantly, this book also points to the potential to create very different visitor experiences than these landscapes currently do. Despite the wealth of scholarship on California history, until now no book has explored the mission landscapes as an avenue into understanding the politics of the past, tracing the continuum between the Spanish colonial period, emerging American nationalism, and the contemporary heritage industry.

**Ghosts of Santa Barbara and the Ojai Valley** Evie Ybarra, 2017-10-02 Stories of spirits, sañces, and strange events in Southern California history. Photos included. From the Chumash legends of the Dolphins and the Whispering Tree to the ghostly sightings at Sedgwick Reserve, hauntings abound here. In beautiful La Conchita, nightfall reveals dark secrets to anyone who will listen. Sightings of mysterious apparitions are common along Creek Road, considered one of the most haunted highways in California. In the 1800s, Summerland was home to spiritualists who held sañces in the Big Yellow House. The Santa Barbara Mission is home to many specters, including the famous Franciscan monk said to roam the cemetery and gardens. Discover these stories and more with author Evie Ybarra as she explores the haunted side of history.

Kyle, Hero Eugene Rensch, Ethel Grace Rensch, Mildred Brooke Hoover, William Abeloe, 2002-09-06 The only complete guide to the historical landmarks of California, this standard work has now been thoroughly revised and updated.
