the splendours of Renaissance Europe thus moderating Japanese notions about the outside world and foreign barbarians The boys travelled through Portugal Spain and Italy and were feted wherever they went In Venice the authorities even postponed the annual festival in honour of St Mark the city's patron so that the Japanese might view the spectacle More importantly the boys met Philip II of Spain several times as well as Pope Gregory XIII and his successor Sixtus V This is the first book length study in English of the mission and provides important new insights into the work of the Jesuits in Japan and the nature of the legation's impact on late sixteenth century European perceptions of Japan
