## **Missouri Review Volume 24 No 2 2001:**

**An Ethics Beyond** Kevin Richard Kaiser, 2019-07-22 This study examines the fiction of contemporary American author George Saunders in terms of how it presents situations applicable to the chief notions of posthumanist ethics and how these conceptions concern nonhuman animals which are prevalent in his writing Posthumanist ethics can help us understand what is at play in Saunders's fiction Meanwhile his texts can help us understand what is at stake in posthumanist ethics This interdisciplinary project may be beneficial both to conceiving new notions of ethics that are more inclusive and more implicitly to understanding the relevance of Saunders's fiction to the current American sociocultural climate *A Critical History of Contemporary Chinese Fiction* Cheng Guangwei, 2024-12-31 This book studies the history of contemporary Chinese fiction criticism highlighting the role of critics in shaping contemporary literary history The author divides the history of contemporary Chinese fiction criticism into three periods 1949 1976 1977 1991 and 1992 2015 The first period saw the emergence of the circle of critics who insisted on judging literary works by political standards The second period brought the rise of the Beijing Critics Circle and the Shanghai Critics Circle The former advocated artistic standards in judging works while the latter introduced contemporary Western literary theories into literary criticism The third period marked the emergence of Scholarly Criticism Criticism of Women's Fiction and Post 1960s Fiction Criticism reflecting critics attitudes toward history and philosophy Drawing on historical materials this study illuminates contemporary literary trends and the contributions of key writers and critics It also relates literary criticism to the social environment underlining the simultaneous relationship between contemporary fiction criticism and social ideology This book will be invaluable to scholars and students of Chinese literature and literary criticism especially those interested in the diverse landscape of contemporary Chinese culture **Guerrilla Warfare in Civil War Missouri, Volume III, January-August 1864** Bruce Nichols, 2014-01-21 This book is a thorough study of all known guerrilla operations in Civil War Missouri from January through August 1864 It explores the various tactics each side used to try to gain advantage with regional differences affected by the differing personalities of commanders The author utilizes both well known and obscure sources military and government records private accounts county and other local histories period and later newspapers and secondary sources published after the war to identify which Southern partisan leaders and groups operated in which areas of Missouri and describe how they operated and how their kinds of warfare evolved This work presents the actions of Southern guerrilla forces and Confederate behind Union lines recruiters chronologically by region to reveal the relationship of seemingly isolated events to other events The book also studies the counteractions of an array of different types of Union troops to show how differences in training leadership and experience affected actions in the field The Fox and the Flies Charles van Onselen, 2010-08-09 A chance encounter with Silver's career in South Africa set Charles van Onselen on a twenty five year obsession a journey to reconstruct the shadowy life and times of in some ways to match wits with a devious master criminal

From Russian Poland in the 1860s where Silver was born Joseph Lis to London in the 1880s turn of the century New York Argentina and Africa van Onselen recaptures the dangerous demimonde of the Atlantic world Silver's notoriety was found among the most confidential correspondence of a dozen countries what those in law enforcement kept to themselves however was how their officers had attempted to use Silver as an informer to infiltrate syndicates built on vice only to have him outwit them as he moved in the risky space between police and prostitutes Such is the meticulousness of van Onselen's research that *The Fox and the Flies* is as rich in history as it is in the detail and drama of Silver's career as layer after layer of his life and times are revealed And it has an extraordinary pay off for van Onselen contends that Joseph Silver's darkest secret of all lay in London in the autumn of 1888 when before he embarked on his legendary life of crime he was indeed Jack the Ripper

*International Security Studies*□Volume 3□Number 2□Winter 2017□ TAO Jian,2017-12-01      **Stillness in a Mobile**

**World** David Bissell,Gillian Fuller,2013-01-11 This edited collection of essays on the conceptual political and philosophical importance of stillness is positioned within a world that has increasingly come to be understood through the theoretical and conceptual lens of movement With contributions from leading scholars in the field the diversity of this collection illuminates the multiplicity of ontological and epistemological registers through which stillness moves from human geography to media studies cultural theory to fine arts With the help of luminaries such as Deleuze Bergson Barthes and Beckett this book interweaves cutting edge theoretical insight with empirical illustrations which examine and traverse a multitude of practices spaces and events In an era where stasis slowness and passivity are often held to be detrimental this collection puts forward a new set of political and ethical concerns which help us to come to terms with understand and account for im mobile life Stillness in a Mobile World in an essential source of reference for both undergraduate and post graduate students working within disciplines such as cultural studies sociology mobility studies and human geography      **Quality Matters in Early**
