

Mitterrand A Political Biography

Pepijn Corduwener

Mitterrand A Political Biography:

Mitterrand Wayne Northcutt,1992 **Francois Mitterrand** David S. Bell,2005-10-21 An insightful political biography of one of the most influential figures in contemporary French and European politics this work explores the development of Francois Mitterrand's career against the backdrop of post war French politics and society Francois Mitterrand Alistair Cole,2018-10-24 Francois Mitterrand is one of France's most famous twentieth century politicians yet interpretations of his values and leadership vary widely Alistair Cole's in depth study starts with a chronological overview of Mitterrand's career and proceeds with a policy based assessment of Mitterrand's presidency By evaluating Mitterrand's policies in relation to various key roles such as the party leader the President the dispenser of patronage the European statesman and the World Leader this book places his leadership in comparative perspective and offers a new understanding of him as an individual political leader This fully up dated paperback edition will be invaluable for students of contemporary European politics as well as those interested in the career of one of post war Europe's leading statesmen **A Dictionary of Political Biography** Christopher Riches,Dennis Kavanagh,2013-09-19 Originally compiled by an expert team of contributors this dictionary covers all the major figures in world politics of the twentieth century Authoritative and wide ranging it describes and assesses the lives of more than 1 100 men and women who have shaped political events across the world Each entry includes an account of the background career and achievements of the individual concerned balancing fact with critical appraisal This second edition commissioned especially for Oxford Reference contains over 25 new entries and the whole text has been thoroughly revised and updated **Mitterrand** Philip Short,2014-12-22 Aesthete sensualist bookworm politician of Machiavellian cunning Francois Mitterrand was a man of exceptional gifts and exceptional flaws who during his fourteen years as President strove to drag his tradition bound and change averse country into the modern world As a statesman and as a human being he was the incarnation of the mercurial contrarian France which Britain and America find so perennially frustrating He embodied the ambiguities and the contradictions of a nation whose modern identity is founded on a stubborn refusal to fit into the Anglo American scheme of things Yet he changed France more profoundly than any of his recent predecessors arguably including even his great rival Charles de Gaulle During the war he was both the leader of a resistance movement and decorated for services to the collaborationist regime in Vichy After flirting with the far Right he entered parliament with the backing of conservatives and the Catholic Church before becoming the undisputed leader of the Left As President he brought the French Communists into the government the better to destroy them And all the while he managed to find time for an extraordinarily complicated private life This is a human as much as a political biography and a captivating portrait of a life that mirrored Mitterrand's times **François Mitterrand** Ronald Tiersky,2000-07-21 Francois Mitterrand was a controversial politician with a contested strategy and a flawed character In spite of being one of France's most detested political figures he was also undoubtedly one of twentieth century Europe's most substantial durable and

statesmanlike leaders From his much disputed passages at Vichy during WWII through the major policies of his presidency Mitterrand's career is a lens through which one can view the anxieties fears and instabilities as well as achievements and successes of contemporary French political history In this first major political biography since his death Ronald Tiersky looks at the contradiction that was Mitterrand and the legacy he left to France and the world This promises to be the standard book on this great world leader for years to come Tiersky's crisp energetic narration gives both a sense of the biographer's fascination with his subject and an appreciation for the sheer breadth of Mitterrand's experience Publishers Weekly

A Dictionary of Political Biography Dennis Kavanagh,1998 From Churchill Stalin and Kennedy to Blair Clinton and Mandela A Dictionary of Political Biography covers all the major figures in world politics of the twentieth century Compiled by an expert team of contributors under the editorship of Dennis Kavanagh this new dictionary contains over 1 000 entries which describe and assess the lives of the men and women who have shaped political events across the world Each entry includes an account of the background career and achievements of the individual concerned balancing fact with critical appraisal Including entries on Idi Amin Yasser Arafat Dwight D Eisenhower Slobadan Milosevic Francois Mitterrand Mary Robinson and Mao Zedong A Dictionary of Political Biography is an indispensable and authoritative reference for anyone interested in twentieth century history and politics

The Presidents of the French Fifth Republic D. Bell,J. Gaffney,2013-01-29 In the French Republic political leadership is normally provided by the presidency albeit from a very narrow constitutional base This volume examines the strengths and weaknesses of that leadership as well as the way that executive power has been established in the republican context

French Presidentialism and the Election of 1995 Lorna Milne,John Gaffney,2018-12-21 First published in 1997 this volume examines the presidential elections one of the central events of the democratic process in France and arguably the main organising principle of French politics since 1962 provide an opportunity to assess the development of the regime More significantly they allow us to assess modifications to the office of president and to French Presidentialism which are both reflected in and affected by the electoral campaign and the elections themselves This book provides such an assessment with specific reference to the candidates issues and events of the 1995 Presidential elections

A History of Modern France Jeremy D. Popkin,2016-05-23 Organized chronologically A History of Modern France presents a survey of the dramatic events that have punctuated French history including the French Revolution the upheavals of the 19th century the world wars of the 20th century and France's current role in the European Union Written for today's undergraduate students the text presents scholarly controversies in an unbiased manner and reflects the best of contemporary scholarship in French history

The Human Tradition in Modern France K. Steven Vincent,Alison Klairmont-Lingo,2000-10-01 The Human Tradition in Modern France gives a human perspective of the history of France from 1789 to the present revealed in essays that highlight individuals and intriguing events that too often have been lost under labels and statistics Students will gain an understanding of the humor and passion in French history from

these new original essays by well established scholars This collection also relates the individuals events and controversies to current historiographical debates The Human Tradition in Modern France is an excellent supplementary text for courses on French history and is also useful for courses in world history and Western Civilization

The Oxford Companion to Politics of the World Joel Krieger, 2001-08-02 The world has seen dramatic changes since the publication of the first edition of The Oxford Companion to Politics of the World in 1993 In the post Cold War world globalization now offers wealth and opportunities on a broader scale as well as greater international harmony but threatens to reinforce the advantage gap between wealthy and poor regions and intensify environmental degradation Conflict and squalor expressed in brutal brushfire wars epidemics and chronic underdevelopment vie with equally dramatic accounts of growth and democracy associated with a liberal political order and the global diffusion of trade investment and communications Drawing on the breadth of the first edition this updated edition reflects the changing world with a reassessment of many of the core themes of the Companion and new articles on the people concepts and events that have shaped the world since 1993 The second edition includes biographies of Kofi Annan Tony Blair Bill Clinton and Gerhard Schröder articles on events such as the Rwandan Genocide and the war in Kosovo and coverage of international trade developments such as NAFTA and the World Trade Organization Eighty seven of the 672 articles in the Second Edition are completely new most others are thoroughly revised This edition also features a substantial new set of articles a dozen essays on critical issues written by influential figures Recognizing the importance of including varying viewpoints the editors have commissioned these essays to provide an informed and often passionate debate on controversial topics Discussions include Lani Guinier and Glenn Loury on Affirmative Action Francis Fukuyama and Milton Fisk on the Limits of Liberal Democracy and Lloyd Axworthy and John Bolton on the United Nations The contributors discuss nearly every nation in the world including extensive information on institutions political parties leaders and the sources of political mobilization and conflict The volume also includes biographies of more than seventy five political leaders and thinkers who have shaped the contemporary political world Articles include detailed discussions of critical historical developments and events concepts international law and organizations The Oxford Companion to Politics of the World Second Edition is an accessible timely thought provoking and comprehensive reference that captures the complexity and vitality of contemporary world affairs

Former Leaders in Modern Democracies K. Theakston, J. de Vries, Jouke de Vries, 2012-04-05 What comes next for a former leader in a democracy a Prime Minister or President obliged to leave office because they have lost an election come to the end of their constitutionally fixed term lost the backing of their party or chosen to leave This book analyses the role and political influence of former leaders in Western democratic states

The Encyclopedia of the Cold War Spencer C. Tucker, 2007-09-12 A comprehensive five volume reference on the defining conflict of the second half of the 20th century covering all aspects of the Cold War as it influenced events around the world The conflict that dominated world events for

nearly five decades is now captured in a multivolume work of unprecedented magnitude from a publisher widely acclaimed for its authoritative military and historical references Under the direction of internationally known military historian Spencer Tucker ABC CLIO's *The Encyclopedia of the Cold War: A Political, Social, and Military History* offers the most current and comprehensive treatment ever published of the ideological conflict that not so long ago enveloped the globe From the Second World War to the collapse of the Soviet Union *The Encyclopedia of the Cold War* provides authoritative information on all military conflicts, battlefield and surveillance technologies, diplomatic initiatives, important individuals and organizations, national histories, economic developments, societal and cultural events, and more The nearly 1,300 entries, plus topical essays and an extraordinarily rich documents volume, draw heavily on recently opened Russian, Eastern European, and Chinese archives The work is a definitive cornerstone reference on one of the most important historical topics of our time

The Problem of Democracy in Postwar Europe Pepijn Corduwener, 2016-08-25 The current perception of democratic crisis in Western Europe gives a renewed urgency to a new perspective on the way democracy was reconstructed after World War II and the principles that underpinned its postwar transformation This study accounts for the formation of the postwar democratic order in Western Europe by studying how the main political actors in France, West Germany, and Italy conceptualized democracy and strove over its meaning Based upon a wide range of librarian and archival sources from these countries, it tracks changing conceptions of democracy among leading politicians, political parties, and leaders of social movements and unveils how they were deeply divided over key principles of postwar democracy, such as the political party, the free market economy, representation, and civic participation By comparing three national debates on the question what democracy meant and how it should be institutionalized and practiced, this study argues that only in the 1970s conceptions of democracy converged and key political actors accepted each other as democrats with similar conceptions of democracy This study thereby deconstructs the myth of the quick emergence of one consensual Western European model of democracy after 1945, demonstrates that its formation was a long and contentious process in which national differences were often of crucial importance, and contributes to an enhanced understanding of the historical roots of the current sentiment of democratic crisis

Focus On: 100 Most Popular Former Roman Catholics Wikipedia contributors, **Rereading Camara Laye** Adele King, 2002-01-01 Camara Laye (1928-80) traveled to France from his native Guinea in 1947 on a scholarship to study automobile mechanics While there, he was encouraged by a supporter of the French Union to record the memories of his childhood The resulting book, *L'Enfant noir*, was praised for its style and its uncritical attitude toward French colonization A year later Laye published *Le Regard du roi*, a Kafkaesque story of a white man in Africa, which was very different in tone, style, and content from *L'Enfant noir* and from any other African literature being published at the time *L'Enfant noir* and *Le Regard du roi* became seminal works of African fiction in French and were translated into English as *The African Child* and *The Radiance of the King* Adele King met Camara Laye in 1978, two years before his death, and in 1980 published the principal

study about him The Writings of Camara Laye In 1991 King set out to disprove rumors that Laye was not the author of one of his novels *Le Regard du roi* Instead she became convinced that the rumors were true and in the process unexpectedly discovered a far more interesting story about the creation of Laye as an author and public figure Rereading Camara Laye describes King s research which has taken more than ten years Her inquiry involved finding those who knew Laye in Paris in the 1950s and interviewing them when possible as well as examining documents in libraries and archives in France and Belgium King s findings provide important insights into French publishing and colonial politics in the years following World War II She also shows how interpretations of Laye s novels have been shaped by the assumption that they were written by an African

De Gaulle's Legacy W. Nester,2014-12-16 This book explores the following What is the art of power What is the art of French power How did Charles de Gaulle understand and assert power establishing the Fifth Republic and breaking centuries of political instability How well or poorly have his successors wielded the art of French power to define defend or enhance French interests

European Myths Sam-Sang Jo,2007 The history of the European Community European Union s EC EU development is a narrative of crises generated and resolved To date the resolution of crises in community affairs has furthered European integration The characteristic pattern of integration is dialectical two steps forward and one step back with crises both accounting for the steps backward and forward This book examines why the crises were constructively resolved rather than the often explored how of the resolutions This work contends that European myths which emerged from Europe s cataclysmic experiences in World War I and II cement the member states within the EC EU and lead to greater social economic and political integration with the EC EU During the periodic crises the European myths have eliminated every choice except the choice to move European integration forward Professor Sam Sang Jo s analysis argues that once the European myths weaken the tensions among EU member states are likely to escalate

Out of Ashes Konrad H. Jarausch,2016-08-29 A sweeping history of twentieth century Europe that examines its unprecedented destruction and abiding promise A sweeping history of twentieth century Europe Out of Ashes tells the story of an era of unparalleled violence and barbarity yet also of humanity prosperity and promise Konrad Jarausch describes how the European nations emerged from the nineteenth century with high hopes for continued material progress and proud of their imperial command over the globe only to become embroiled in the bloodshed of World War I which brought an end to their optimism and gave rise to competing democratic communist and fascist ideologies He shows how the 1920s witnessed renewed hope and a flourishing of modernist art and literature but how the decade ended in economic collapse and gave rise to a second more devastating world war and genocide on an unprecedented scale Jarausch further explores how Western Europe surprisingly recovered due to American help and political integration Finally he examines how the Cold War pushed the divided continent to the brink of nuclear annihilation and how the unforeseen triumph of liberal capitalism came to be threatened by Islamic fundamentalism global economic crisis and an uncertain future A gripping narrative Out of Ashes explores the paradox of the

European encounter with modernity in the twentieth century shedding new light on why it led to cataclysm inhumanity and self destruction but also social justice democracy and peace

This is likewise one of the factors by obtaining the soft documents of this **Mitterrand A Political Biography** by online. You might not require more get older to spend to go to the book commencement as with ease as search for them. In some cases, you likewise pull off not discover the notice Mitterrand A Political Biography that you are looking for. It will extremely squander the time.
