**IMPORTANT NOTE:** This Library Guide has been produced in single space in order to minimize paper use. Please remember that when you produce your own APA documents, all text and references must be double-spaced.

- The American Psychological Association (APA) style, as presented in this handout, is widely accepted in the Social Sciences.
- The APA citation format requires citation within the text rather than endnotes or footnotes.
- In-text citations usually include the name of the author and the date of publication, to lead the reader to the listing found in the "References" section, which is placed at the end of the research paper.
- Complete information about each source cited in the text is supplied in the "References" list.

Based on the *Publication manual of the American Psychological Association* (7<sup>th</sup> ed.). Washington, DC: American Psychological Association. There is a copy in the Reference Collection (Ref. 150.149 Am35) and at the Service Desk on reserve. Ask a librarian if you need assistance.
