Publications, Inc. Staff, 1997-10-28 She may be super rich and drop dead gorgeous but Los Angeles socialite Callaway Wilde can be as insecure as any girl about her man's love. Saying yes to a marriage proposal from sexy detective Evan Paley was a leap of faith for Cally who has been pursued by many and almost killed on occasion for her money. When her fiancé disappears, Cally fears he's left her high and dry. Turns out she's right but for the wrong reasons: he's been kidnapped. It started with a mysterious phone call that pulls Evan away from a little one on one time with Cally. Evan refuses to identify the caller, a woman in distress, which brings Cally down to earth fast. What secrets could he be keeping? Big ones, apparently. A dead body soon turns up in Evan's house and Evan has vanished. On a heart-pounding race to find him, Cally follows a trail of clues to cold-blooded murder and deadly corruption and may uncover more than she bargained for about the man she thought she knew.

BOOK JACKET      *Mobil Travel Guide Southern California 2005* Mobil Travel Guide, Mobil Travel Guide Staff, 2004-12 The Mobil Travel Guide star ratings are a 45-year-old consumer advocacy concept originally developed following the introduction of the interstate highway system. The goal of the Guide is not to identify and rate every property in the country but to recommend only the best in each category—ones that we would send our customers to. We look at the stars from a consumer's point of view, rating lodgings and restaurants across North America from the perspective of the average traveler. The Guides feature new enhanced descriptions for 2004. Listings include lodgings, restaurants, attractions, and events in established travel destinations as well as cities and towns on the way to established travel destinations. Our new easy-to-use format makes the Guides even more indispensable to travelers. Each regional guide is organized alphabetically by state with introductory information about the state followed by city listings in alphabetical order. For each city, the guide lists sites and attractions, lodgings, and then restaurants. One of the features that sets the Mobil Travel Guide apart from its competitors is its proprietary Mobil star rating system. Forty-five plus years of publishing experience and the oldest non-biased rating system in North America make the Mobil Travel Guide series a must-have for travelers wanting up-to-date ratings of hotels and restaurants.
