Model Schools in the Model City Amber N. Wiley, 2025-04-22 Access to educational resources has been a tool of liberation for Black Americans from the antebellum period to the present With this book Amber N Wiley emphasizes the value of education as a means for social equality Black Americans wanted the American Dream to apply to them and equal opportunity for quality education was at the forefront of making that dream a reality Model Schools in the Model City chronicles how Black Washingtonians used public education as a means of racial uplift in the face of entrenched white resistance and repeated assertions of white supremacy For Black Washingtonians it was the school building a permanent structure made of sturdy material that was the physical realization of Black liberation agency and the right to exist as citizens of the United States Furthermore it was the school building that stood as the litmus test to whether Black Washingtonians citizenship was perpetually guaranteed thus they fought with all the tools at their disposal to maintain access to quality education in the nation s capital In this book Wiley recounts the untold story of Black Washingtonians educational ambitions especially as they were manifested in the schools themselves

his conversion to socialism and labor law during the Great Depression From Detroit to Mississippi Goodman saw police and other officials giving the color of law to actions that stifled freedom of speech and nullified the rights of workers and minorities The authors highlight Goodman s landmark cases in defense of labor and civil rights and examine the complex relationships he developed along the way with individuals like Supreme Court Justice and former Michigan governor Frank Murphy UAW president Walter Reuther Detroit mayor Coleman Young and congressman George Crockett Drawing from a rich collection of letters oral histories court records and press accounts the authors re create the compelling story of Goodman s life The Color of Law demonstrates that the abuse of power is non partisan and that individuals who oppose injustice can change the course of events *The Adapted City* H.
