A Mother'S Dream and Other Stories Craig Lawrence, 2011-06-13 This is a book of short stories with no particular theme Though some will deal with real issues in our society which all can relate to not only in America but anywhere there is poverty and violence others are for simple enjoyment It is my hope that everyone who reads this book will in some way be changed by its contents in a positive direction and that it will help those who do not understand the less fortunate to open up their eyes to the world around them After all we are all the same **The Mother's Dream** Mary Grafton Thomas, 1860

The Mother's Dream Hannah Flagg Gould, 1853 Half our sorrows half our troubles Making head and heart to ache Are the fruit of blowing bubbles Bright to view but quick to break All have played the child imbecile Breathing hard to swell the sides Of a shining fluid vessel Frailer than the air it rides From the infant s cradle rising All the bubble mania show Oft our richest wealth comprising In the bubbles that we blow Brilliant buoyant upward going Pleased we mark them in their flight Every hue of iris showing As they glance along the light Little castles high and airy With their crystal walls so thin Each presents the wicked fairy Vanity enthroned within But when two have struck together What of either do we find Not so much as one gay feather Flying Hope has left behind Still the world are busy blowing Every one some empty ball So the seeds of mischief sowing Where to burst the bubbles fall Nor for self alone to gather Is our evil harvest found Oft with pipe and cup we rather Step upon our neighbor s ground **The Dragon Mother's Dream** Gerhard Fischer, 2018-10-01 This is the story of a journey to Southern California home of the American Dream in search of fame and fortune An Australian couple of mixed German Chinese origin with their six year old son Maximilian leave their settled life in Sydney to move to California The boy s Mandarin name is Xiaolong meaning Little Dragon and the dream of his mother is that he will one day become the number one golf player in the world She has contacted Tiger Woods first professional coach who is supposed to take the boy under his wings and she is determined to make her dream come true The book follows Maximilian s exposure to playing junior golf the highlights and pitfalls along with the emotional ups and downs of children involved in competitive sport and their parents sometimes conflicting and contradictory expectations culminating in an account of Maximilian competing at the Junior World Championship in San Diego But *The Dragon Mother s Dream* is more than a book about golf Part travelogue and part parenting memoir it is a journal about living in one of the most privileged places in California It documents the everyday realities and idiosyncracies of the contemporary American way of life recorded with great precision and attention to detail by an Australian writer of European roots and sometimes satirical often ironic sensibilities At the end of the book the mother s dream takes an unexpected twist **When Mothers Dream** Brenda Cooper, 2025-08-12 Award winning writer Brenda Cooper celebrates the strength of the female in many guises mother daughter engineer biologist and more From a young dreamer who fights to protect the endangered Southern Resident Killer Whales to two older women whose grandchildren are being raised by AIs to a future scientist who tries to keep the world safe from bioengineered creatures *When Mothers Dream*
