Paul Jones, 1992-01-01 In this very personal book W Paul Jones sees the diverse experience of individuals as the backbone of spirituality and claims that the Trinity affirms a rich diversity within God and within God's way of relating to the world He considers each Person of the Trinity as being involved in each function of God as creator redeemer and sanctifier and arrives at nine dimensions of God's life that invite a response Jones develops each of the nine dimensions with an extended meditation followed by a series of practical and creative spiritual exercises *The Different Drum* M. Scott Peck, 2010-05-11 The overall purpose of human communication is or should be reconciliation It should ultimately serve to lower or remove the walls of misunderstanding which unduly separate us human beings one from another Although we have developed the technology to make communication more efficient and to bring people closer together we have failed to use it to build a true global community Dr M Scott Peck believes that if we are to prevent civilization destroying itself we must urgently rebuild on all levels local national and international and that is the first step to spiritual survival In this radical and challenging book he describes how the communities work how group action can be developed on the principles of tolerance and love and how we can start to transform world society into a true community *A World Waiting to Be Born* M. Scott Peck, 2009-07-22 Just as *The Road Less Traveled* provided hope and guidance for individuals seeking growth this major new work by M Scott Peck M D offers a needed prescription for our deeply ailing society Our illness is Incivility morally destructive patterns of self absorption callousness manipulateness and materialism so ingrained in our routine behavior that we do not even recognize them There is a deepening awareness that something is seriously wrong with our personal and organizational lives Using examples from his own life case histories and dramatic scenarios of businesses that made a conscious decision to bring civility to their organizations Dr Peck demonstrates how change can be effected and how we and our organizations can be restored to health This wise practical and radical book is a blueprint for achieving personal and societal well being **A Spirituality Named Compassion** Matthew Fox, 1999-09-01 Fox marries mysticism with social justice leading the way toward a gentler and more ecological spirituality and an acceptance of our interdependence A road map to fulfillment for the coming century In *A Spirituality Named Compassion* Matthew Fox the popular and controversial author establishes a spirituality for the future

that promises personal social and global healing Using his own experiences with the pain and lifestyle changes that resulted from an accident Fox has written an uplifting book on the issues of ecological justice the suffering of Earth and the rights of her nonhuman citizens Fox defines compassion as creativity put to the service of justice and argues that we can achieve compassion for both humanity and the environment as we recognize the interconnectedness of all things Working toward the creation of a gentler ecological and feminist Christianity Fox marries mysticism and social justice emphasizing that as we enter a new millennium society needs to realize that spirituality s purpose is to guide us on a path that leads to a genuine love of all our relations and a love for our shared interdependence The A to Z of New Age Movements Michael

Confessions, Revised and Updated Matthew Fox, 2015-11-10 Matthew Fox's stirring autobiography Confessions reveals his personal intellectual and spiritual journey from altar boy to Dominican priest to his eventual break with the Vatican Five new chapters in this revised and updated edition bring added perspective in light of the author's continued journey and his reflections on the current changes taking place in the Catholic church Instead of living out his vows as a Dominican brother Matthew Fox was expelled from the Order after 34 years by Cardinal Ratzinger who later became Pope Benedict XVI Fox took this as a warning from the Church that henceforth thinkers should not think but get in line It is from this anti intellectual inquisition style mentality that the cover up of priestly pedophilia also grew as the Vatican appointed several generations of bishops and cardinals whose only criterion for selection was that they be uncritical yes men Confessions tells the inside story of what it was like standing in front of the train when the Vatican was on the attack It also reflects on the meaning of the encouragingly healthy papacy of Pope Francis but holds little hope for the institutional church Rather this book points to the main interest and accomplishments of the author's work to bring spirituality and prophetic warriorhood alive again in society and religion Fox draws inspiration from great mystics of the past such as Hildegard of Bingen a champion of the Divine Feminine and Meister Eckhart a profoundly mystical and ecumenical champion of those without a voice and the return of the archetype of the Cosmic Christ alongside the teachings of the historical Jesus and the bringing forth of the wisdom traditions from all the world's spiritual traditions to stand up for eco justice gender justice economic justice and social justice *The Catholic World Report*, 1998 *The Catholic World*, 1990 **A Way to God** Matthew Fox, 2016-04-01 This unique reflection was prompted by an invitation Matthew Fox received to speak on the centennial of Thomas Merton's birth Fox says that much of the trouble he's gotten into such as being excommunicated in 1993 from the

Dominican Order by Cardinal Ratzinger who later became Pope Benedict was because of Thomas Merton who sent Fox to Paris to complete a doctoral program in philosophy Fox found that Merton s journals poetry and religious writings revealed a deeply ecumenical philosophy and a contemplative life experience similar to that of Meister Eckhart the fourteenth century mystic theologian who inspired Fox s own creation spirituality It is little surprise to find Fox and Merton to be kindred spirits but the intersections Fox finds with Eckhart are intellectually profound spiritually enlightening and delightfully engaging
