Regional Development And Structural Policy In Mexico:

OECD Regional Development Studies Regional Development and Structural Policy in Mexico OECD,1997-12-12 Examines Mexico's regional development policy options for the coming decade **Regional Development and Structural Policy in Mexico** Organisation for Economic Co-operation and Development,1997 Examines Mexico's regional development policy options for the coming decade *Regional Development and Structural Policy in Mexico* Denis Besnainou,1997

OECD Economic Surveys: Mexico 1998 OECD,1998-02-25 This 1998 edition of OECD's periodic review of Mexico's economy examines recent economic developments policies and prospects It includes a special feature on health care reform

OECD Territorial Reviews: Chihuahua, Mexico 2012 OECD,2012-04-13 This book examines the gains that might be made by a territorial approach to policymaking that integrates sectoral policies fosters value added in rural activities and links SME development and FDI attraction policies as well as innovation capacities and applications **NAFTA's Impact on**

Mexico's Regional Development Adrián de León-Arias,Patricio Aroca,2021-10-01 In this book the dynamics of continuity and change in the regional economic development of Mexico and the US border states are analyzed These studies cover the last 25 years after the first trade agreement between a developed and a developing country took place and where international trade and investment have been combined with a set of relevant local factors such as regional innovation industrialization patterns multinational corporations modes of operation public investment and national content of exports The book offers researchers a precise identification of stylized facts that characterize the pattern of regional development in Mexico and the US Southwest as well as state of the art applications contrasting hypotheses from new economic geography endogenous and neo Schumpeterian economic growth models and new international trade To graduate and advanced undergraduate students in the fields of spatial geographic economics this book offers an excellent source for its updated review of current topics on regional development in Mexico To policy makers the book helps to identify policy areas to reinforce the dynamics of regional development Whereas other books have looked at the several impacts of NAFTA on national economies productive sectors and societies this book analyzes the trade agreement's impact with a long term view across the diversity of developments of Mexico's regions As well the analysis is carried out with the perspective of prospective reforms of a renovated trade agreement between the United States and the new Mexican federal administration The collaborators in this book are researchers who are experts at the international and national levels in the field of regional economic development During the last 25 years they have conducted their analyses in different regions of Mexico and the United States as university researchers advisors to state and federal governments and as practitioners **OECD Territorial Outlook** OECD,2001-05-16 This first edition of the OECD Territorial Outlook examines RECENT policy developments in the areas of urban rural and regional affairs in OECD countries *Políticas públicas para un crecimiento incluyente* Pablo Cotler,2007 Mexico Beyond NAFTA Martin Puchet Anyul,Lionello F Punzo,2001-05-17 With chapters by leading Mexican

economists matched by reactions from European colleagues this book offers a novel viewpoint on the North American Free Trade Area NAFTA process **Foreign Direct Investment in Russia** P. Fischer, 2016-05-02 Russia's post reform crisis can be alleviated The country has the market the abundant natural resources and the human skills that foreign investors seek What it needs is policies that enhance FDI inflows Policy makers can learn from the other large emerging markets like China India and Mexico where FDI has revitalized the economy **G.K. Hall Bibliographic Guide to Latin American Studies** Benson Latin American Collection, 1999 **Regional Economic Development in Mexico** Alejandra Trejo Nieto, 2025-10-16 Latin America is the most unequal region in the world and geographical imbalances are a significant component of overall inequality On average regional economic disparities here are four times higher than in countries of the Organisation for Economic Co operation and Development OECD This book underscores the significance of subnational development and delivers a historical examination of regional processes inequalities and development in Mexico While many books analyse economic development at a high level few offer a ground up regional perspective Despite being among the 15 largest economies in the world development in Mexico has been characterised by striking disparities Uneven regional development in this country is a phenomenon that has persisted over decades and centuries This volume offers a fresh perspective unique data analysis and actionable insights of economic development that go beyond traditional analyses based on a macroeconomic standpoint Based on an extensive bibliographic review and rigorous empirical research that includes paradigmatic case studies it offers a critical interpretation of regional disparities and the factors that have driven the development of different regions Additionally the book carries out an analysis of regional policies and includes a reflection on the scope of recent reconfigurations at both the international and national levels It invites scholars researchers and policymakers to open an enriching dialogue to understand the routes that countries such as Mexico have taken and can take in the future on its way to a more hopeful and equitable future Alejandra Trejo Nieto is an economist and professor at the Centre for Demographic Urban and Environmental Studies El Colegio de México México **El Mercado de Valores**, 1998 **Bibliographic Guide to Government Publications** New York Public Library. Research Libraries, 1999 **Estudios Económicos de la OCDE: México 1998** OECD, 1998-02-10 **Regional Problems and Policies in Latin America** Juan R. Cuadrado-Roura, Patricio Aroca, 2014-01-07 This contributed volume is the first book in English to offer a current and critical vision of regional problems and policies in the countries of Latin America The book is in three main parts a general overview of regional processes and trends in Latin America as a whole country level coverage of seven individual countries and comparative analyses of common major problems such as migration education labor poverty decentralization exports and foreign direct investments Written by renowned academics and experts from the region the book seeks to provide a better understanding of regional challenges and trends regional disparities that exist in many Latin American countries and the increasing importance of metropolitan areas *Handbook of Latin American Studies, Vol. 61* Lawrence Boudon, 2006-04-01

The one source that sets reference collections on Latin American studies apart from all other geographic areas of the world The Handbook has provided scholars interested in Latin America with a bibliographical source of a quality unavailable to scholars in most other branches of area studies Latin American Research Review Beginning with volume 41 1979 the University of Texas Press became the publisher of the Handbook of Latin American Studies the most comprehensive annual bibliography in the field Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 140 specialists in various disciplines the Handbook alternates from year to year between social sciences and humanities The Handbook annotates works on Mexico Central America the Caribbean and the Guianas Spanish South America and Brazil as well as materials covering Latin America as a whole Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas The Handbook of Latin American Studies is the oldest continuing reference work in the field Lawrence Boudon of the Library of Congress Hispanic Division has been the editor since 2000 and Katherine D McCann has been assistant editor since 1999 The subject categories for Volume 61 are as follows Anthropology Economics Geography Government and Politics Political Economy International Relations Sociology Handbook of Local and Regional Development Andy Pike, Andres Rodriguez-Pose, John Tomaney, 2010-11-17 The Handbook of Local and Regional Development provides a comprehensive statement and reference point for local and regional development The scope of this Handbook s coverage and contributions engages with and reflects upon the politics and policy of how we think about and practise local and regional development encouraging dialogue across the disciplinary barriers between notions of local and regional development in the Global North and development studies in the Global South This Handbook is organized into seven inter related sections with an introductory chapter setting out the rationale aims and structure of the Handbook Section one situates local and regional development in its global context Section two establishes the key issues in understanding the principles and values that help us define what is meant by local and regional development Section three critically reviews the current diversity and variety of conceptual and theoretical approaches to local and regional development Section four address questions of government and governance Section five connects critically with the array of contemporary approaches to local and regional development policy Section six is an explicitly global review of perspectives on local and regional development from Africa Asia Pacific Europe Latin America and North America Section seven provides reflection and discussion of the futures for local and regional development in an international and multidisciplinary context With over forty contributions from leading international scholars in the field this Handbook provides critical reviews and appraisals of current state of the art conceptual and theoretical approaches and future developments in local and regional development HMSO Agency Catalogue Great Britain. Her Majesty's Stationery Office, 1998 **OECD Territorial Reviews: Mexico 2003** OECD, 2003-02-07 This review of Mexico evaluates emerging territorial development strategies as well as relevant changes in governance such as new horizontal and vertical co

ordination mechanisms being introduced in conjunction with improved federal arrangements
