

REGIONAL PEACE-KEEPING
AND INTERNATIONAL
ENFORCEMENT:
THE LIBERIAN CRISIS

Regional Peace Keeping And International Enforcement The Liberian Crisis

Christine D. Gray

Regional Peace Keeping And International Enforcement The Liberian Crisis:

Regional Peace-keeping and International Enforcement Marc Weller, 1994 The military intervention in the Liberian civil war marks a significant departure in regional peace keeping and international peace enforcement This book reproduces significant documents many of which are not otherwise available including statements of the parties to the conflict official ECOWAS documents detailing its peace keeping efforts and materials relating to the involvement of the United Nations and humanitarian organizations A substantive introduction provides a detailed analysis of the legal issues raised by this controversial operation

Understanding Peacekeeping Paul D. Williams, 2020-12-18 Peace operations remain a principal tool for managing armed conflict and protecting civilians The fully revised expanded and updated third edition of *Understanding Peacekeeping* provides a comprehensive and up to date introduction to the theory history and politics of peace operations Drawing on a dataset of nearly two hundred historical and contemporary missions this book evaluates the changing characteristics of the contemporary international environment in which peace operations are deployed the strategic purposes peace operations are intended to achieve and the major challenges facing today s peacekeepers All the chapters have been revised and updated and five new chapters have been added on stabilization organized crime exit strategies force generation and the use of force Part 1 summarizes the central concepts and issues related to peace operations Part 2 charts the historical development of peacekeeping from 1945 through to 2020 Part 3 analyses the strategic purposes that United Nations and other peace operations are intended to achieve namely prevention observation assistance enforcement stabilization and administration Part 4 looks forward and examines the central challenges facing today s peacekeepers force generation the regionalization and privatization of peace operations the use of force civilian protection gender issues policing and organized crime and exit strategies

International Law and the Use of Force Christine D. Gray, 2008 This book explores the whole of the large and controversial subject of the use of force in international law it examines not only the use of force by states but also the role of the UN in peacekeeping and enforcement action and the growing importance of regional organizations in the maintenance of international peace and security Since the publication of the second edition of *International Law and the Use of Force* the law in this area has continued to undergo a fundamental reappraisal Operation Enduring Freedom carries on against Al Qaida and the Taliban in Afghanistan six years after the terrorist attacks of 11 September 2001 Can this still be justified as self defense in the war on terror Is there now a wide right of pre emptive self defense against armed attacks by non state actors The 2006 Israel Lebanon conflict and the recent intervention of Ethiopia in Somalia raise questions about whether the war on terror has brought major changes in the law on self defense and on regime change The 2003 invasion of Iraq gave rise to serious divisions between states as to the legality of this use of force and to talk of a crisis of collective security for the UN In response the UN initiated major reports on the future of the Charter system these rejected amendment of the Charter provisions on the use of force They also rejected any right of pre emptive self

defense They advocated a responsibility to protect in cases of genocide or massive violations of human rights the events in Darfur show the practical difficulties with the implementation of such a duty The Burden of Collective Goodwill Abiodun Alao, 2017-07-05 The book is the first to discuss in detail the extensive external involvement in the Liberian civil war a war that claimed up to 200 000 lives created a massive refugee crisis and brought West Africa to the tribunal of international attention The book is conceived against the background that the international response to the conflict has features that are unprecedented in the management of civil conflicts in the post cold war era For example the regional peacekeeping mission was the first after the end of the cold war while the dispatch of UN Observer mission was the first ever joint peacekeeping mission between the UN and a regional organisation The extensive involvement of international organisations in the conflict has not been witnessed in the region since the Biafran war of 1967 1970 *The Use of Force in International Law* Tom Ruys, Olivier Corten, Alexandra Hofer, 2018-04-26 The international law on the use of force is one of the oldest branches of international law It is an area twinned with the emergence of international law as a concept in itself and which sees law and politics collide The number of armed conflicts is equal only to the number of methodological approaches used to describe them Many violent encounters are well known The Kosovo Crisis in 1999 and the US led invasion of Iraq in 2003 spring easily to the minds of most scholars and academics and gain extensive coverage in this text Other conflicts including the Belgian operation in Stanleyville and the Ethiopian Intervention in Somalia are often overlooked to our peril Ruys and Corten s expert written text compares over sixty different instances of the use of cross border force since the adoption of the UN Charter in 1945 from all out warfare to hostile encounters between individual units targeted killings and hostage rescue operations to ask a complex question How much authority does the power of precedent really have in the law of the use of force

International Law and the Use of Force Christine Gray, 2018-02-09 This book explores the large and controversial subject of the use of force in international law It examines not only the use of force by states but also the role of the UN in peacekeeping and enforcement action and the increasing role of regional organizations in the maintenance of international peace and security The UN Charter framework is under challenge Russia s invasion of Georgia and intervention in Ukraine the USA s military operations in Syria and Saudi Arabia s campaign to restore the government of Yemen by force all raise questions about the law on intervention The war on terror that began after the 9 11 terrorist attacks on the USA has not been won It has spread far beyond Afghanistan it has led to targeted killings in Pakistan Somalia and Yemen and to intervention against ISIS in Iraq and Syria Is there an expanding right of self defence against non state actors Is the use of force effective The development of nuclear weapons by North Korea has reignited discussion about the legality of pre emptive self defence The NATO led operation in Libya increased hopes for the implementation of responsibility to protect but it also provoked criticism for exceeding the Security Council s authorization of force because its outcome was regime change UN peacekeeping faces new challenges especially with regard to the protection of civilians and UN forces have been given

revolutionary mandates in several African states But the 2015 report *Uniting Our Strengths* reaffirmed that UN peacekeeping is not suited to counter terrorism or enforcement operations the UN should turn to regional organizations such as the African Union as first responders in situations of ongoing armed conflict *The Law Against War* Olivier Corten, 2021-07-29 Praise for previous edition a comprehensive meticulously researched study of contemporary international law governing the use of armed force in international relations Andrew Garwood Gowers Queensland University of Technology Law Review Volume 12 2 When this first English language edition of *The Law Against War* published it quickly established itself as a classic Detailed analytically rigorous and comprehensive it provided an indispensable guide to the legal framework regulating the use of force Now a decade on the much anticipated new edition brings the work up to date It looks at new precedents arising from the Arab Spring the struggle against the Islamic State in Iraq and Syria and the conflicts in Ukraine and Yemen It also reflects the new doctrinal debates surrounding recent state practice Previous positions are reconsidered and in some cases revised notably the question of consensual intervention and the very definition of force particularly to accommodate targeted extrajudicial executions and cyber operations Finally the new edition provides detailed coverage of the concept of self defense reflecting recent interpretations of the International Court of Justice and the ongoing controversies surrounding its definition and interpretation *Akehurst's Modern Introduction to International Law* Peter Malanczuk, 2002-04-12 First published in 2002 Routledge is an imprint of Taylor Francis an informa company

Pan-Africanism, and the Politics of African Citizenship and Identity Toyin Falola, Kwame Essien, 2013-10-08 There is no recent literature that underscores the transition from Pan Africanism to Diaspora discourse This book examines the gradual shift and four major transformations in the study of Pan Africanism It offers an academic post mortem that seeks to gauge the extent to which Pan Africanism overlaps with the study of the African Diaspora and reverse migrations how Diaspora studies has penetrated various disciplines while Pan Africanism is located on the periphery of the field The book argues that the gradual shift from Pan African discourses has created a new pathway for engaging Pan African ideology from academic and social perspectives Also the book raises questions about the recent political waves that have swept across North Africa and their implications to the study of twenty first century Pan African solidarity on the African continent The ways in which African institutions are attracting and mobilizing returnees and Pan Africanists with incentives as dual citizenship for diasporans to support reforms in Africa offers a new alternative approach for exploring Pan African ideology in the twenty first century Returnees are also using these incentives to gain economic and cultural advantage The book will appeal to policy makers government institutions research libraries undergraduate and graduate students and scholars from many different disciplines **Peace Agreements and Civil Wars in Africa** , *The Mask of Anarchy Updated Edition* Stephen Ellis, 2006-09 Liberia has been one of Africa s most violent trouble spots In 1990 when thousands of teenage fighters including young men wearing women s clothing and bizarre objects of decoration laid siege to the capital the world took

notice Since then Liberia has been through devastating civil upheaval What began as a civil conflict has spread to other West African nations Eschewing popular stereotypes and simple explanations Stephen Ellis traces the history of the civil war that has blighted Liberia in recent years and looks at its political ethnic and cultural roots He focuses on the role religion and ritual have played in shaping and intensifying this brutal war In this edition with a new preface by the author Ellis provides a current picture of Liberia and details how much of the same problems still exist The Mask of Anarchy Stephen Ellis,2001-03 An essential explanation to the 1990 civil upheaval in Liberia that rippled through West Africa For the last decade Liberia has been one of Africa s most violent trouble spots In 1990 when thousands of teenage fighters including young men wearing women s clothing and bizarre objects of decoration laid siege to the capital the world took notice Since then Liberia has been through devastating civil upheaval and the most feared warlord Charles Taylor is now president What began as a civil conflict has spread to other West African nations Western correspondents saw in the Liberian war a primeval savage Africa a heart of darkness They focused on sensational primitive aspects of the conflict such as the prevalence of traditional healers and soothsayers and shocked the international community with tales of cannibalism especially the eating of the body parts of defeated opponents which was widespread Eschewing popular stereotypes and simple explanations Stephen Ellis traces the history of the civil war that has blighted Liberia in recent years and looks at its political ethnic and cultural roots He focuses on the role religion and ritual have played in shaping and intensifying this brutal war *Legal Perspectives on Security Institutions* Hitoshi Nasu,Kim Rubenstein,2015-07-24 Explores the tensions that arise when institutions address contemporary security threats **The United Nations and Collective Security** Gary Wilson,2014-02-03 The role of the United Nations in collective security has been evolving since its inception in 1945 This book explores collective security as practiced within the legal framework provided by the United Nations Charter with a particular focus upon activity undertaken under the auspices of the UN Security Council the body conferred by the Charter with the primary responsibility for the maintenance of international peace and security Although the book is primarily grounded in international law where appropriate it also draws upon relevant political insights in order to present a clear picture of the UN collective security system in operation and the factors which impact upon the way in which it functions Offering a comprehensive analysis it considers the full range of measures which can be utilised by the UN in the performance of its collective security remit including military enforcement action peacekeeping non military sanctions and diplomacy The book considers each of these measures in detail assessing the legal framework applicable to the form of action the main legal controversies which arise in respect of their appropriate utilisation and the UN s use of this collective security tool in practice The book draws conclusions about the main strengths and shortcomings of the various means through which the UN can attempt to prevent minimise or end conflict African Interventionist States Roy May,Oliver Furley,2017-10-05 This title was first published in 2002 Examining the recent phenomenon in conflicts in Africa this text addresses situations where

African states and African military intervene in conflicts either in neighbouring states or beyond While this trend has been widely observed this is the first in depth research that deals with such issues It breaks new ground in identifying the key issues actors and actions and includes analysis of military capacities of African states and the way in which armies are used including the increasing role of private security companies and mercenaries The changing attitudes among members of the OAU are examined in particular the increasing acceptance of interventionism and the blurring of boundaries The most significant cases of intervention are examined together with less well documented examples such as Lesotho and Guinea Bissau This engaging account makes for a compelling resource for academics and practitioners alike

Illegal Peace in Africa Jeremy I. Levitt, 2012-01-30 This volume examines the legal and political efficacy of transitional political power sharing between democratically constituted governments and the African warlords rebels or junta that seek to violently unseat them This book addresses this issue and others through the prism of three West African case studies Liberia Sierra Leone and Guinea Bissau

International Law Malcolm N. Shaw, 2003-09-25 This fifth edition of Malcolm Shaw s bestselling textbook on international law provides a clear authoritative and comprehensive introduction to the subject fully revised and updated to Spring 2003 Basically preserving the structure which made the previous edition so successful a new chapter on Inter state Courts and Tribunals considers the role of the International Court of Justice and the International Tribunal on the Law of the Sea and there is a new chapter on international humanitarian law Also examined are arbitration tribunals and the role of international institutions such as the WTO in resolving conflicts The prosecution of individuals for violations of international law is examined Additional coverage of events in Kosovo and Iraq analyses the questions of humanitarian intervention and the role of the UN Written in a clear and accessible style setting the subject firmly in the context of world politics and the economic and cultural influences affecting it this book remains a highly readable and invaluable resource for students and practitioners alike The scope of the text makes this essential reading for students of international law international relations and the political sciences The book is also valuable to professionals and governmental and international civil servants

Humanitarian Occupation Gregory H . Fox, 2008-02-21 This book analyzes a new phenomenon in international law international organizations assuming the powers of a national government in order to reform political institutions After reviewing the history of internationalized territories this book asks two questions about these humanitarian occupations First why did they occur The book argues that the missions were part of a larger trend in international law to maintain existing states and their populations The only way this could occur in these territories which had all seen violent internal conflict was for international administrators to take charge Second what is the legal justification for the missions The book examines each of the existing justifications and finds them wanting A new foundation is needed one that takes account of the missions authorisation by the UN Security Council and their pursuit of goals widely supported in the international community

Internationalized Armed Conflicts in International Law Kubo Macak, 2018-07-12 This book

provides the first comprehensive analysis of factors that transform a prima facie non international armed conflict NIAC into an international armed conflict IAC and the consequences that follow from this process of internationalization It examines in detail the historical development as well as the current state of the relevant rules of international humanitarian law The discussion is grounded in general international law complemented with abundant references to case law and illustrated by examples from twentieth and twenty first century armed conflicts In Part I the book puts forward a thorough catalogue of modalities of conflict internationalization that includes outside intervention State dissolution and recognition of belligerency It then specifically considers the legal qualification of complex situations that feature more than two conflict parties and contrasts the mechanism of internationalization of armed conflicts with the reverse process of de internationalization Part II of the book challenges the conventional wisdom that members of non State armed groups do not normally benefit from combatant status It argues that the majority of fighters belonging to non State armed groups in most types of internationalized armed conflicts are in fact eligible for combatant status Finally Part III turns to belligerent occupation traditionally understood as a leading example of a notion that cannot be transposed to armed conflicts occurring in the territory of a single State By contrast the book argues in favour of the applicability of the law of belligerent occupation to internationalized armed conflicts

The UN, Peace and Force Michael Pugh, 2013-11-05 Restoring and maintaining peace within war torn societies is a relatively new task for the United Nations This book examines the options for the UN in the use of force to secure peace and the extent to which peacekeeping can be effectively extended to coerce warring factions A combination of internationally distinguished academics and new scholars at the forefront of research are represented making an important contribution to the debate about the role of international military operations in the maintenance of international peace and security

As recognized, adventure as with ease as experience virtually lesson, amusement, as well as arrangement can be gotten by just checking out a books **Regional Peace Keeping And International Enforcement The Liberian Crisis** moreover it is not directly done, you could allow even more regarding this life, going on for the world.

We find the money for you this proper as without difficulty as easy pretentiousness to acquire those all. We present Regional Peace Keeping And International Enforcement The Liberian Crisis and numerous books collections from fictions to scientific research in any way. accompanied by them is this Regional Peace Keeping And International Enforcement The Liberian Crisis that can be your partner.

Regional Peace Keeping And International Enforcement The Liberian Crisis Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Regional Peace Keeping And International Enforcement The Liberian Crisis PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Regional Peace Keeping And International Enforcement The Liberian Crisis PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Regional Peace Keeping And International Enforcement The Liberian Crisis free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Regional Peace Keeping And International Enforcement The Liberian Crisis Books

1. Where can I buy Regional Peace Keeping And International Enforcement The Liberian Crisis books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
