

The image shows a museum interior. A dark blue wall features the title 'MUSEUM REGISTRATION METHODS' in white, bold, sans-serif capital letters. To the left of the text is a white graphic element consisting of three horizontal lines of decreasing length, resembling a stylized 'E' or a set of steps. Below the wall, a wooden display case is visible, containing various items, including what appears to be a book or a small plaque. The lighting is soft, and the overall atmosphere is professional and educational.

Registration Methods For The Small Museums:

Registration Methods for the Small Museum Daniel B. Reibel, 2008-03-20 Daniel B Reibel's *Registration Methods for the Small Museum* has been the definitive guide to registration methodology since 1978. Covering all aspects of the registration of museum collections, it provides practical solutions for any museum professional in a concise, readable manner. The step-by-step guide begins with developing policy and then takes the reader through acquisition, numbering, accessioning, documentation, loans, and deaccessioning, all of the steps necessary to establish and maintain a registration system. The fourth edition brings the classic handbook up to date with the electronic registration techniques that are available for today's museum.

Registration Methods for the Small Museum Daniel B. Reibel, 1997-04-09 The definitive guide to registration methodology for smaller institutions and beginning or part-time registrars. This is a completely new and updated version of the original classic, included is a discussion of computer technology and its uses and implications for the small museum. Also provided are sample manuals and forms for immediate use.

Registration Methods for the Small Museum Daniel B. Reibel, Deborah Rose Van Horn, 2018 *Registration Methods for the Small Museum* has been the definitive guide to registration methodology for small museums since 1978. The book covers all aspects of the registration process and provides practical solutions for the small museum professional in a concise, readable manner. This step-by-step guide begins with developing policy and takes the reader through acquisition, numbering, accessioning, documentation, loans, and deaccessioning. It is a great introduction to both manual and computer systems and can help those that are unfamiliar with museum registration systems learn more about their collections. The fifth edition updates the handbook to fit the registration systems in today's small museums and provides additional forms that weren't in previous editions of the book. Features include:
o Easy to understand forms and templates
o Overviews of both manual and computer registration systems
o Overview of the acquisition process
o Overview of the cataloging process
o Overviews of museum loans
o Examples of a collections policy and registration manual for a small museum
o Guidance for small museums on how to create a new registration system or interpret the one they have.
