Reincarnation A Mystics Path:

Reincarnation Robert Allan Stewart, 2003 Through past life recall Stewart shares with us the sheer excitement of a cavalry charge and the shock of sudden death He relates his astounding first successes with mystic techniques and where those techniques led him He first sets the stage for these remarkable experiences by outlining a history of reincarnation belief and the scientific evidence for reincarnation He explains how reincarnation is part of a world heritage of belief that goes back to our prehistoric beginnings and has been a part of every human society we know about including our own He then leads us through his own personal quest how he learned certain mystic techniques and how we too can experiment with them safely The climax is his relation of his past life memories for the memories we recall most easily are the most intense experiences of our previous lives Within those memories are often facts that can be taken to libraries museums and archives where Stewart has found public records that eerily verify specific facts including names and dates

Mystical Paths Susan Howatch, 2010-12-08 No writing today can equal Susan Howatch's ability to write compelling novels that combine theology and psychology in a complex fast moving plot offering beautifully delineated characters and the suspense of a mystery thriller The denouement will leave readers breathless Publishers Weekly Nicholas Darrow is a strong willed and independent minded man full of the energy and assurance of his age and his moment in time he is twenty five in 1968 A magnet for attention and attraction Nicholas is already beset by a troubled past and expert at ignoring the grip it has on his life But as he follows his father into the Anglican priesthood his fascination with his own psychic powers results near tragedy It will only be by facing the truth about his relationship with his father that Nicholas can find his way out of the seemingly impenetrable darkness that engulfs him Told with all the drama intelligence and emotional depth we have come to expect from Susan Howatch *Mystical Paths* is a breathtaking novel about the powerful often painful but finally indestructible ties between parent and child And like its four highly praised predecessors in the Church of England series it is a novel that celebrates the redeeming power of self knowledge and faith Intelligent compelling and fascinating The Cleveland Plain Dealer
