How to be a Good Lover Kwabena Osei,2022-07-10 It is meaningful to talk about love Love is the universal language The essence of life is the divine love Love beautifies life Life without love is meaningless The circle of life operates on the energy of love and sex To be ignorant about love and sex through which you existed for the human experiences on the mother earth is suicidal Let us talk about love and sex in the open platform to enlighten mankind Awareness in the divine principles of love automatically upgrades your romances through loving kindness to boost your sexual capabilities to be a good lover Lack of the knowledge about the true love and the false love alike rushing in love for possessiveness many people are perishing each and every day by the edge of the hidden sword of the false love This precious book how to be a good lover is very significant for the human race It is meant to serve as the preventive measures against the deceptions and the atrocities being caused consistently in the name of love Life relationship or marriage is all about self expression through loving kindness and caring for each other to make the world a safer place for mankind      *The Theatre of Love, Sex, Marriage and Beyond* Gaglozoo H. A. Berdie,2016-04-25 It is through a deep reflection that I have been able to frame the title of this book which is The Theatre of Love Sex Marriage and Beyond In fact the contents of this book take their roots from the title This book is designed to cover as much as possible a substantial number of the various aspects of the subjects I have discussed as dealt with specifically by the innumerable authors at one time or the other It is without the slightest doubt that not all or every aspect of the subjects of love sex and marriage written or propounded by authors researchers psychologists sexologists and medical scientists can be found in one book These different and innumerable ideas theories hypothesis and research findings are as scattered in uncountable books articles newsprints or papers and magazines I will in all honesty admit that what I have attempted to do in this book is only a tip of the iceberg considering the infinitude of the intellectual input and output of others in the myriad of data on the subject I have divided this book into four parts love sex marriage and the beyond These notwithstanding I hope this humble rendition however inadequate would give readers a general overview of the essentials of these enigmatic subjects of love sex marriage and the beyond      *A Witch's Craft, Book 1: Herbs & Oils for A Witch's Craft* Viktorija Briggs,2016-02-24 A newly updated and revised comprehensive book of herbal and oil correspondences for all of your magickal ritual and spell works      **Prayer** Peter Roche de Coppens,2003-09-19 We are presently living at a truly extraordinary time of profound transformation Most people wherever they may be living in the world are presented with very real and great dangers but equally real and perhaps even greater opportunities To survive and thrive in the 21st century it is

essential to activate our intuition and to awaken our spiritual consciousness The royal road the fundamental skill to achieve this is prayer Integrating the teachings of the spiritual tradition of the Eastern Orthodox Church and of Psychosynthesis the author who has personally experienced the theory and practice of prayer in his own being life and observed many different people in different cultures do the same aims at making prayer become conscious alive meaningful and effective While the essential prayers were drawn from the Christian tradition the same can be done with prayers coming from any valid tradition The key here is to be able to contact and drawn down the Light from the inner Source that already dwells at the core of our being

**Love's Rite** R. Vanita, 2005-10-20 This is the first book to examine the same sex weddings and same sex couple suicides reported in India over the last two decades Ruth Vanita examines these cases in the context of a wide variety of same sex unions from Fourteenth century narratives about co wives who miraculously produce a child together to Nineteenth century depictions of ritualized unions between women to marriages between gay men and lesbians arranged over the internet Examining the changing legal literary religious and social Indian

and Euro American traditions within which same sex unions are embedded she brings a fresh perspective to the gay marriage debate suggesting that same sex marriage dwells not at the margins but at the heart of culture Love's Rites by Ruth Vanita is a finalist for a Lambda Literary Award

Revival: Studies of Savages and Sex (1929) Alfred Ernest Crawley, 2018-05-08 The success of my revised edition of Mr Crawley's *The Mystic Rose* has encouraged me to bring together in the present volume some of his papers previously unpublished in book form on subjects akin to those of his great work Mr Crawley's treatment of these problems of sexual anthropology especially on the psychological side was in the years in which he was most actively at work too uncompromisingly original to meet with general acceptance even in academic circles But now his standpoint which can perhaps be best described as being that of a profound psychological analysis on the basis of biological common sense is beginning to be appreciated And the following papers will be found I think to contain all those qualities which so sharply differentiate Mr Crawley's work from that of most other students in the same fields

*THE RATIONAL SEX LIFE FOR MEN* EXNER, 1914

**Cartographies of Desire** Gregory M. Pflugfelder, 1999 A remarkable and sorely needed synthesis of the best of traditional historiographical documentation and critically astute analysis and contextualization *Cartographies* complements and frankly exceeds any of the English language monographs on similar topics that precede it and it represents significant contributions to several fields outside of East Asian history including literature gender studies lesbian and gay studies and cultural studies Earl Jackson Jr author of *Strategies of Deviance Studies in Gay male Representation and Fantastic Living The Speculative Autobiographies of Samuel R Delany*

**The Sexual Lives of Savages** Bronislaw Malinowski, 2013-04-15 This volume provides an ethnographic account of courtship marriage and family life among the people of the Trobriand Islands

**Divine Feminine** Joy Dixon, 2003-05-01 Honorable Mention for the Wallace K Ferguson Prize from the Canadian Historical Association Chosen by *Choice Magazine* as an Outstanding Academic Title of 2003 In 1891 newspapers all over the world carried reports of the death of H P Blavatsky the mysterious Russian woman who was the spiritual founder of the Theosophical Society With the help of the equally mysterious Mahatmas who were her teachers Blavatsky claimed to have brought the ancient wisdom of the East to the rescue of a materialistic West In England Blavatsky's earliest followers were mostly men but a generation later the Theosophical Society was dominated by women and theosophy had become a crucial part of feminist political culture *Divine Feminine* is the first full length study of the relationship between alternative or esoteric spirituality and the feminist movement in England Historian Joy Dixon examines the Theosophical Society's claims that women and the East were the repositories of spiritual forces which English men had forfeited in their scramble for material and imperial power Theosophists produced arguments that became key tools in many feminist campaigns Many women of the Theosophical Society became suffragists to promote the spiritualizing of politics attempting to create a political role for women as a way to sacralize the public sphere Dixon also shows that theosophy provides much of the framework and the vocabulary for today's New Age movement Many of the assumptions about class

race and gender which marked the emergence of esoteric religions at the end of the nineteenth century continue to shape alternative spiritualities today      *The Rational Sex Life for Men* Max Joseph Exner,1917      **Genders and Sexualities in Indonesian Cinema** Ben Murtagh,2013-09-23 Indonesia has a long and rich tradition of homosexual and transgender cultures and the past 40 years in particular has seen an increased visibility of sexual minorities in the country which has been reflected through film and popular culture This book examines how representations of gay lesbian and transgender individuals and communities have developed in Indonesian cinema during this period The book first explores Indonesian engagement with waria male to female transgender identities and the emerging representation of gay and lesbi Indonesians during Suharto s New Order regime 1966 98 before going on to the reimagining of these positions following the fall of the New Order a period which saw the rebirth of the film industry with a new generation of directors producers and actors Using original interview research and focus groups with gay lesbi and waria identified Indonesians alongside the films themselves and a wealth of archival sources the book contrasts the ways in which transgendered lives are actually lived with their representations on screen      **Spirituality, Love Relationships, Sexuality and Moral Correctness** Vladimir Živković,2024-03-19 The book was written based on the real experiences and cognitions of the author Many topics are covered in this book The problems and misconceptions of contemporary spirituality are exposed The author described the truth about God love and the meaning of life in an unusual but simple way The topics of men and women were touched upon in which way both sexes make mistakes and make life difficult for themselves in terms of love and sex Constructive solutions and suggestions are given regarding modern love relationships morality and sexuality The book does not provide a template as many books do This book provides guidance and highlights a wide range of possibilities and consequences that the worldly focused person does not count on or pay attention to As soon as there is no pattern it means that the decision is yours but your decision will be correct and fruitful because of this book We will mention only some of the topics covered in detail in this book misconceptions of modern people happiness in love relationships the truth about God karma and moral correctness enlightenment and spiritual awakening the meaning of life and creation positive living of sexuality seduction engagement and marriage fostering self esteem dignity and self worth emotional healing and emotional intelligence spiritual experiences and knowledge of God traps of the mind developing character traits and knowledge of God s attributes dangers and misconceptions of social networks and atheism and much more You just need to research and process the information from the book and go on your own joyfully through life Don t let some unpleasant statements from the book upset you However you decide for yourself and you know what you want The book is precisely intended for you to live more correctly and happily and act with meaning Good luck      *The Gender Legacy of the Mao Era* Xin Huang,2018-07-11 This book traces how the legacy of the Maoist gender project is experienced or contested by particular Chinese women remembered or forgotten in their lives and highlighted or buried in their narratives Xin Huang examines four women s life stories an urban woman who
