War of Shadows Gershom Gorenberg, 2021-01-19 In this World War II military history Rommel's army is a day from Cairo a week from Tel Aviv and the SS is ready for action Espionage brought the Nazis this far but espionage can stop them if Washington wakes up to the danger As World War II raged in North Africa General Erwin Rommel was guided by an uncanny sense of his enemies plans and weaknesses In the summer of 1942 he led his Axis army swiftly and terrifyingly toward Alexandria with the goal of overrunning the entire Middle East Each step was informed by detailed updates on British

positions The Nazis somehow had a source for the Allies' greatest secrets Yet the Axis powers were not the only ones with intelligence Brilliant Allied cryptographers worked relentlessly at Bletchley Park breaking down the extraordinarily complex Nazi code Enigma From decoded German messages they discovered that the enemy had a wealth of inside information On the brink of disaster a fevered and high stakes search for the source began War of Shadows is the cinematic story of the race for information in the North African theater of World War II set against intrigues that spanned the Middle East Years in the making this book is a feat of historical research and storytelling and a rethinking of the popular narrative of the war It portrays the conflict not as an inevitable clash of heroes and villains but a spiraling series of failures accidents and desperate triumphs that decided the fate of the Middle East and quite possibly the outcome of the war The Pius War Joseph Bottum, David G. Dalin, 2010-03-16 In the brutal fight that has raged in recent years over the reputation of Pope Pius XII leader of the Catholic Church during World War II the Holocaust and the early years of the Cold War the task of defending the Pope has fallen primarily to reviewers These reviewers formulated a brilliant response to the attack on Pius but their work was scattered in various newspapers magazines and scholarly journals making it nearly impossible for the average reader to gauge the results In The Pius War Weekly Standard's Joseph Bottum has joined with Rabbi David G. Dalin to gather a representative and powerful sample of these reviews deliberately chosen from a wide range of publications Together with a team of professors historians and other experts the reviewers conclusively investigate the claims attacking Pius XII The Pius War and a detailed annotated bibliography that follows will prove to be a definitive tool for scholars and students destined to become a major resource for anyone interested in questions of Catholicism the Holocaust and World War II **The New York Times Book Review**, 1991-04 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback
