Relativity in Man and Society Arthur Fisher Bentley,1926 **Relativity in Man and Society** Arthur Fisher Bentley,1967-01-01 **Reconstructing Political Pluralism** Avigail I. Eisenberg,1995-01-01 This reappraisal of the pluralist tradition systematically explores accounts of political pluralism offered by James Dewey Figgis Cole Laski Follett and Dahl and shows how each variant contains a distinct account of the relation between group power individual interest and self development These historical accounts provide the resources with which Eisenberg reconstructs a democratic theory of political pluralism At the center of political pluralism she argues is a pluralist approach to self development that can address the key ambiguities of identity politics and provide a more effective means to balance the power relations between individuals and communities than can individualist or communitarian approaches **Modern Pluralism** Mark Bevir,2012-04-19 The first history of one of the most important intellectual movements of the modern era **The Sociological Review** ,1928 **To Amend the Employment Act of 1946** United States.
