Marie-David Weill

Religieux Et Clercs Contre Dieu:

Religieux et clercs contre Dieu Louis Bouyer, 1975 *The Trinitarian Wisdom of God: Louis Bouyer's Theology of the God-World Relationship* Keith Lemna, 2022-12-16 Christian theology in recent decades has seen an explosion in the number of books published seeking a renewal of Trinitarian ontology. There has also been a proliferation of studies dedicated to the theology of Wisdom. Few if any of these books on the Trinity or on Wisdom have drawn for inspiration on the comprehensive vision of French Oratorian priest Louis Bouyer. 1913-2004, one of the greatest theologians of the modern age, Bouyer produced a comprehensive work of theology that integrated these two seminal concerns based on a vast re-sourcing of the Christian tradition. Dr. Keith Lemna explores Bouyer's achievement in depth, showing that at the heart of his venture was a deep contemplative penetration into God's mediation to the world, his creation, sustenance, and redemption of creation in the Wisdom of the Eternal Son. Bouyer is a decisive resource for theologians wanting to develop the Christian understanding of the Trinity and creation based on tradition but in dialogue with modern cosmological thought. *The Trinitarian Wisdom of God*: Louis Bouyer's Theology of the God-World Relationship gets to the heart of Louis Bouyer's theology of the God-World relationship more deeply than any other has done before. In doing so, Lemna recovers a great theologian at his best. « **Être sanctifié pour sanctifier** » Xavier Carbonell Segales, 2017-06-30 Comment répondre au défi de la nouvelle vangelisation dans nos sociétés occidentales sécularisées. Un christianisme non pas enfermé sur lui-même mais en sortie et en dialogue avec les non-croyants requiert notamment une présentation positive de la valeur chrétienne du travail et des activités ordinaires de la vie du chrétien au milieu du monde. Cette étude met en lumière la contribution significative du théologien Louis Bouyer (1913-2004) dans ce domaine. L'éclairage transversal du sujet, partant de la dogmatique, la liturgie et la théologie spirituelle, permettra une complémentarité des approches qui s'ouvre des considérations spirituelles concrètes en réponse aux défis de notre temps. Une étude qui permet alors de saisir comment, aux yeux de Bouyer, la réponse du fidèle, le laïc, l'acteur et sauveur de Dieu s'incarne dans sa vie au milieu du monde et ce, travers une spiritualité minemment liturgique, baptismale et eucharistique. C'est ainsi que les chrétiens pourront rayonner leur foi autour d'eux dans leur vie familiale, sociale et professionnelle, en contribuant alors, selon les mots de Bouyer, à la christification de l'univers tout entier. *Paul VI* Yves Chiron, 2022-05-13 Following after brilliant authoritarian Pope Pius XII and good humored Pope John XXIII, Pope Paul VI seemed hesitant, anxious, even tormented. Yet the impact of his fifteen year long papacy was colossal: not a single aspect of Church life was left untouched in the whirlwind of change unleashed by the Ecumenical Council; he guided and sought to implement. Who was this man, Giovanni Battista Montini (1897-1978) who so altered the face, the voice, the bearing of Catholicism? Versatile historian Yves Chiron is equal to the challenge of portraying this multifaceted and in many ways enigmatic figure who was ordained a priest without passing through the seminary and never held a simple parish assignment. Taking advantage of hitherto untapped archival sources and the testimony of numerous witnesses, Chiron builds up a faithful portrait of a figure

controversial at every stage of his career from his anti fascist activities as university chaplain to his work in the diplomatic corps which would create tensions with Pius XII from his heavy years as Archbishop of Milan to his Janus like role at the Second Vatican Council when his interventions alternately delighted and devastated both progressives and conservatives from his intimate involvement in the recasting of the Roman Catholic liturgy to his adamant rejection of contraception which left him abandoned by bishops and theologians who held the world's willing ear Paul VI emerges as a pope torn between conflicting interpretations of aggiornamento and overwhelmed by crises in the Church as he tried to reconcile fundamental principles of dogma with pressures from modernist reformers

L'union conjugale et le sens du sacré Christian-Noël Bouwé, 2016-09-02 Quel est le rapport entre l'union conjugale et le sens du sacré Cette question nous confronte deux thèmes cruciaux de notre temps Ces deux dimensions de l'existence humaine que sont la relation entre homme et femme en une seule chair et l'ouverture sacramentelle au mystère de Dieu semblent être en crise dans la société contemporaine La différence sexuelle se comprend comme une simple question biologique ou bien s'explique selon les usages culturels mais se sépare radicalement de la question de Dieu Par ailleurs cette question religieuse reste enfermée dans la subjectivité personnelle L'intuition ici développée est que au contraire entre d'une part l'union dans la différence de l'homme et la femme et d'autre part la recherche de Dieu dans le rite religieux il existe une étroite correspondance Bouwé développe ce lien en explorant les écrits de Louis Bouyer visionnaire et fécond Selon Bouyer la sexualité est le signe prédestiné mais la voie même de sa réalisation du mystère dans cette histoire de l'homme qui va être convertie de l'histoire de sa chute en celle de sa redemption et de son adoption divine En Jésus cette différence exprime une purification et une transformation qui donne lieu une nouvelle manière virgine de la vivre Toutefois en toutes ces tapes l'expérience sponsale demeure comme un référent indéniable pour dire la révélation de Dieu dans la personne du Christ Si l'Eglise devait perdre cette référence basique la différence sexuelle elle perdrait aussi le tissu originel de sa pratique sacramentelle elle perdrait également sa capacité d'exprimer et de communiquer la foi aux hommes Cet ouvrage contribue aussi bien à l'illumination de la culture contemporaine qu'à la mission vangelisatrice de l'Eglise

Memoirs Louis Bouyer, 2015-09-04 This is the memoir of one of the great theologians and churchmen of the last century It is difficult to exaggerate Louis Bouyer's contribution to Catholic theology and his behind the scenes role in certain important twentieth century events in the life of the Church A French convert from Lutheranism a priest of the Oratory an expert on Scripture liturgy the history of spirituality Newman ecclesiology and Reformation theology and a twice appointed member of the International Theological Commission Bouyer was a man of immense theological vision and profound depth of knowledge and insight He was both a major theological contributor to the renewed vision that led to the Second Vatican Council and a staunch critic of its misunderstanding in the decades that followed it Bouyer recounts the story of his life and learning the people places events and ideas that shaped his profoundly Catholic life He tells of his relationships and encounters with such theological and Church notables as Yves Congar Jean Danielou Henri de Lubac Joseph Ratzinger later

Pope Benedict XVI Hans Urs von Balthasar and Karl Rahner A disciple of the Lord and a man of great love for the Church he often writes with parrhesia pastoral frankness and wit about the shortcomings of Catholic institutions and life especially with respect to changes undertaken in the name of reform but which did not truly partake of the sources of the Church's life and mission About the writing of his memoir Bouyer said In the pages that follow what I would like to recall is what on final or undoubtedly very nearly final reflection seems to me to have the most meaning I hope that those who read them and especially my friends both known and unknown for a writer are not many of these latter often among the closest will also draw some profit from them perhaps more than I do myself I hasten to add that the entertainment that these pages could at least I hope provide them is an integral part in my eyes of that potential profit For it is a too little known but to me unquestionable fact that Providence has a great and of course the best sense of humor

La originalidad de la existencia cristiana en la búsqueda teológica de Louis Bouyer Enrique Rueda Gómez-Calcerrada, 2022-02-18 Louis Bouyer 1913 2004 es probablemente uno de los grandes teólogos del siglo pasado menos estudiado La presente obra pretende paliar este déficit ofreciendo una visión de conjunto de su teología con una propuesta de su articulación interna Bouyer considera la vida monástica como paradigma de la vida cristiana Siguiendo esta intuición el autor muestra el itinerario de búsqueda de lo específico cristiano ligado a la descripción del monacato El recorrido emprendido va mostrando las principales características de la teología de Bouyer señalando el puesto que ocupan en el conjunto de su pensamiento Se desemboca en la categoría de Sabiduría como la perspectiva teológica suprema para contemplar la existencia cristiana La Sabiduría supone tanto el designio divino como la respuesta del hombre esto se lleva a cabo siguiendo el dinamismo eucarístico que aparece como la clave para captar la unidad del pensamiento de Bouyer Cubieta

Vers la plénitude du Christ Bertrand Lesoing, 2017-01-06 Le hiatus entre les espérances soulevées par le mouvement oecuménique et les difficultés rencontrées sur le chemin de l'unité invite repenser en profondeur le mode de conciliation des églises Bertrand Lesoing propose une voie possible explorer en se mettant à l'écoute de Louis Bouyer 1913 2004 première vue l'homme ne paraît pas le mieux placé pour une telle entreprise son statut de transfuge ainsi que ses jugements l'emportent peut-être le disqualifiaient d'emblée Pourtant de l'ensemble de son œuvre se dégage une vision tout à la fois exigeante et originale susceptible d'éviter certaines des chausse-trappes du mouvement oecuménique En maintenant une vision intransigeante de l'unité du Corps du Christ il déplace le centre de gravité des discussions de l'ecclésiologie vers les questions d'anthropologie et de théologie fondamentale En refusant de s'engager dans les carrefours obligés du débat interconfessionnel il engage reformuler les grandes problématiques héritées du passé Finalement l'oecuménisme apparaît moins comme une série de difficultés à résoudre qu'un appel penser oecuméniquement le mystère chrétien en red couvrant dans l'ensemble des confessions chrétiennes les filons authentiquement catholiques

L'Humanisme eschatologique de Louis Bouyer Marie-David Weill, 2016-09-02 Comment le plus fulgurant des théologiens français du XXe siècle est-il demeuré dans l'ombre jusqu'à nos jours Voici ce théologien complet enfin intégralement exposé à partir des aspects les
