Russia Monica Attard, 1998      The Successor Paddy Manning, 2022-11-01 Rupert s stepped down What now The first major biography of Lachlan Murdoch unauthorised and complete After years of speculation about his succession plans in 2023 Rupert Murdoch announced his retirement and the appointment of his eldest son Lachlan as sole chair of News Corp The decision confirmed Lachlan s position as one of the world s most powerful people Yet despite a lifetime in the spotlight his personality politics and business acumen remain enigmatic What can we expect from his leadership of News Corp and Fox and what will his ascension mean for politics and media around the world In this riveting biography acclaimed journalist Paddy Manning explores Lachlan Murdoch s upbringing political beliefs and his track record as head of Fox Corporation the man ultimately responsible for Fox News Manning follows Lachlan s trajectory from a privileged Manhattan childhood through his college years at Princeton his shock decision to walk away from the family business and his ultimate return as the prodigal son The portrait that emerges is one of intriguing contradictions Is Lachlan a risk loving adventurer or a dutiful son Ultra conservative or thoughtful libertarian Scarred by a series of spectacular business failures or an underrated leader who has shrewdly repositioned his family s assets This is a book about the good the bad and the ugly of the global media and about America in the age of Trump and Biden It is a book about power apprenticeship politics and succession It s a brave man to take on an autobiography of one of the richest and most powerful men in global media Crikey It is hard to think of a better time to write an account of the life and times of Lachlan Murdoch heir apparent to the News Corp throne or of a better writer to do it Who Lachlan Murdoch is how he thinks and what he does with his power is vital to Australian democracy Paddy Manning has it all covered Monica Attard author of **Russia Which Way Paradise**      **Nonviolence Speaks** Brian Martin, Wendy Varney, 2003 This book addresses the power of popular nonviolent action against repression aggression and oppression A crucial aspect to effective nonviolent action is communication Activists need to be able to contact each other and to mobilize support from other parts of the world However within the nonviolence literature communication has been almost entirely neglected while within the communication literature nonviolent action is seldom mentioned This is the first major study to focus on the joint dynamics of nonviolence and communication Three case studies are examined the popular action that forced the resignation of Indonesian President Suharto in 1998 the successful people s resistance to the Soviet coup in 1991 and the successful internationally coordinated campaign against the Multilateral Agreement on Investment in 1988 In each case special attention is given to the role of communication in the struggle Attention is then turned to theory Surveys are made of nonviolence and communication theories probing for insights relevant to the nonviolence communication nexus Gradually a model for analyzing people s communication is developed The insights from theory are then used to propose a set of steps by which activist groups can analyze communication and develop effective communication strategies      **Social defence** Brian Martin, Jørgen Johansen, 2019-07-11 Social defence is nonviolent community resistance

to aggression and repression as an alternative to military forces Given the enormous damage caused by military systems social defence is an alternative worth investigating and pursuing Since the 1980s Jürgen Johansen and Brian Martin have been involved in promoting social defence In this book they provide an up to date treatment of the issues They address the downsides of military systems historical examples of nonviolent resistance to invasions and coups key ideas about social defence important developments since the end of the Cold War and the role of social movements Social defence challenges deeply embedded assumptions about violence and defence It is also a challenge to powerful groups with vested interests in systems of organised violence especially militaries and governments Popular action against aggression and repression is a radical alternative and a logical one

*Becoming Muslim in Imperial Russia* Agnès Nilüfer Kefeli, 2014-12-18 In the nineteenth century the Russian Empire's Middle Volga region today's Tatarstan was the site of a prolonged struggle between Russian Orthodoxy and Islam each of which sought to solidify its influence among the frontier's mix of Turkic Finno-Ugric and Slavic peoples The immediate catalyst of the events that Agnes Nilufer Kefeli chronicles in *Becoming Muslim in Imperial Russia* was the collective turn to Islam by many of the region's Krashens the Muslim and animist Tatars who converted to Russian Orthodoxy between the sixteenth and eighteenth centuries The traditional view holds that the apostates had really been Muslim all along or that their conversions had been forced by the state or undertaken voluntarily as a matter of convenience In Kefeli's view this argument vastly oversimplifies the complexity of a region where many participated in the religious cultures of both Islam and Orthodox Christianity and where a vibrant Krashen community has survived to the present By analyzing Russian Eurasian and Central Asian ethnographic administrative literary and missionary sources Kefeli shows how traditional education with Sufi mystical components helped to Islamize Finno-Ugric and Turkic peoples in the Kama Volga countryside and set the stage for the development of modernist Islam in Russia Of particular interest is Kefeli's emphasis on the role that Tatar women both Krashen and Muslim played as holders and transmitters of Sufi knowledge Today she notes intellectuals and mullahs in Tatarstan seek to revive both Sufi and modernist traditions to counteract new expressions of Islam and promote a purely Tatar Islam aware of its specificity in a post-Christian and secular environment
