## **Russian Imperial Military Doctrine And Education 1832 1914:**

**Russian Imperial Military Doctrine and Education, 1832-1914** Carl Van Dyke, 1990 **Russian Imperial Military Doctrine and Education, 1832-1914** Carl Van Dyke, 1990-11-29 This work examines the evolution of military scientific research and theory as it was taught to student officers at the Nicholas Academy It is the only work in English or Russian that follows the development of this intellectual tradition within the institutional context of the Russian Imperial General Staff and its growing professional responsibilities in the late 19th and early 20th century The book contains five portraits of influential Russian military theorists and educational administrators Russian Imperial Doctrine features extensive use of original Russian language bibliographic sources and extensive use of French British and American archival sources Copyright Libri GmbH All rights reserved The Military History of the Russian Empire from Peter the Great until Nicholas II John W. Steinberg, 2024-01-11 This book examines the rise and the fall of the Russian Empire through the lens of its military history While much of the literature on this history tends to focus on epochs The Russian Military and the Creation of Empire uses a variety of archival sources to capture this aspect of modern Russia from Peter the Great right up to the present day John W Steinberg analyzes the social dynamic between Russian society and its military over time Through a focus on civil military relations he demonstrates that both the Tsarist and Soviet regimes were built on and ultimately dependent upon the support of the military Case studies of significant battles are also used throughout the volume to reveal insights into the roles missions and capabilities of the Russian military since 1689 The Russian Military and the Creation of Empire is a vital study for all students of modern Russia and the history of modern warfare **The Russian Imperial Army 1796-1917** Roger Reese, 2017-11-30 The majority of the articles assembled in this volume reflect social historical methodology which is used to show the relationship between the tsarist army and society while focusing on the Russian historical experience In each case whether it be a study of the soldiers as peasants alcoholism the nationalities officers military justice social and legal reform and mutiny or revolution the inescapable conclusion arises that the army was at all times a reflection of the many social problems aspirations or political thought of the broader imperial Russian civil society In short this anthology treats the Russian military as a window on the symbiotic triangular relationship between army state and society The Russian General Staff and Asia, 1860-1917 Alex Marshall, 2006-11-22 This new book examines the role of the Tsarist General Staff in studying and administering Russia's Asian borderlands It considers the nature of the Imperial Russian state the institutional characteristics of the General Staff and Russia's relationship with Asia During the nineteenth century Russia was an important player in the so called Great Game in central Asia Between 1800 and 1917 officers of the Russian General Staff travelled extensively through Turkey central Asia and the Far East gathering intelligence that assisted in the formation of future war plans It goes on to consider tactics of imperial expansion and the role of military intelligence and war planning with respect to important regions including the Caucasus central Asia and the Far East In the light of detailed archival

research it investigates objectively questions such as the possibility of Russia seizing the Bosphorus Straits and the probability of an expedition to India Overall this book provides a comprehensive account of the Russian General Staff its role in Asia and of Russian military planning with respect to a region that remains highly strategically significant today

**Russian Rule in Samarkand 1868-1910** Alexander Morrison, 2008-09-11 Russian Rule in Samarkand examines the structures personnel and ideologies of Russian imperialism in Turkestan taking Samarkand and the surrounding region as a case study The creation of a colonial administration in Central Asia presented Russia with similar problems to those faced by the British in India but different approaches to governance meant that the two regimes often stood in stark contrast to one another While the Russian administration was characterised by corruption and inefficiency British rule in India was often more violent and its subjects much more heavily taxed Opening with the background to the political situation in Central Asia and a narrative of the Russian conquest itself the book moves on to analyse official attitudes to Islam and to pre colonial elites and the earliest attempts to establish a functioning system of revenue collection Uncovering the religious and ethnic composition of the military bureaucracy and the social background education and training of its personnel Alexander Morrison assesses the competence of these officers vis vis their Anglo Indian counterparts Subsequent chapters look at the role of the so called native administration in governing the countryside and collecting taxes the attempt to administer the complex systems of irrigation leading from the Zarafshan and Syr Darya rivers and the nature and functions of the Islamic judiciary under colonial rule Based on extensive archival research in Russia India and Uzbekistan and containing much rare source material translated from the original Russian Russian Rule in Samarkand will be of interest to all those interested in the history of the Russian Empire and European Imperialism more generally

**The Russo-Japanese War in Global Perspective** John Steinberg, Bruce Menning, David Schimmelpenninck van der Oye, David Wolff, Shinji Yokote, 2005-06-01 This volume examines the Russo Japanese War in its military diplomatic social political economic and cultural context Through the use of research from newly opened Russian and little used Japanese sources the editors assert that the Russo Japanese War was in fact World War Zero the first global conflict in the 20th century The contributors demonstrate that the Russo Japanese War largely forgotten in the aftermath of World War One actually was a precursor to the catastrophe that engulfed the world less than a decade after the signing of the Treaty of Portsmouth This study not only further reveals the weaknesses of Imperial Russia but also exhibits Japan as it entered its fateful 20th century Contributors Oleg Rudolfovich Airapetov Boris Vasilevich Ananich Michael Auslin Paul A Bushkovitch John Bushnell Frederick R Dickinson Tatiana Aleksandrovna Filippova David Goldfrank Antti Kujala Dominic Lieven Igor Vladimirovich Lukoianov Pertti Luntinen Steven Marks Yoshihisa Tak Matsusaka David Maclaren McDonald Bruce W Menning Edward S Miller Ian Nish Dmitrii Ivanovich Oleinikov Nicholas Papastratigakis Paul A Rodell Norman E Saul Charles Schencking Barry Scherr David Schimmelpenninck Van Der Oye Evgenii Iurevich Sergeev Naoko Shimazu Yokote Shinji John W Steinberg Richard Stites James T Ulak David Wolff Don

Wright     Militarism and Politics in Latin America Daniel Masterson,1991-08-26 This comprehensive case study of the modern Peruvian military examines the professional development of South America s most controversial military establishment from the early 1930s to the present Based on extensive research in Peruvian military archives and numerous interviews with active and retired members of the Peruvian armed forces this study is placed in the context of Peruvian national politics and South American military affairs Particular emphasis is given to the impact of France and U S military theory upon the Peruvian military mentality Revolutionary politics from the Alianza Popular Revolucionaria Americana APRA in the 1930s to the present day s Sendero Luminoso also figure prominently This study also explores the rationale behind General Velasco s social and economic reforms 1968 1975 and assesses the Velasco government s legacy for contemporary Peru For the first time the Soviet Union s heavy involvement in Peru is examined As the only comprehensive case study in English of the modern Peruvian military this volume will be of interest to students and scholars of contemporary Latin America This is a detailed historical study of the highly complex Peruvian military establishment and its place in Peruvian society It includes a review of the 1930s an in depth analysis of the armed forces from the late 1930s to the first Belaunde regime 1963 1968 the immediate antecedents of Peru s 12 year military government 1968 1980 known as the Docenio preliminary overview of the Docenio and its troubled legacy an assessment of the Sendero Luminoso Shining Path insurgency and a critique of the armed force s counter terrorism campaign Militarism and Politics in Latin America draws extensively on Latin American and U S archival sources and personal interviews and includes rare photographs     Authority, Identity and the Social History of the Great War Frans Coetzee,Marilyn Shevin-Coetzee,1995 The unprecedented scope and intensity of the First World War has prompted an enormous body of retrospective scholarship However efforts to provide a coherent synthesis about the war s impact and significance have remained circumscribed tending to focus either on the operational outlines of military strategy and tactics or on the cultural legacy of the conflict as transmitted bythe war s most articulate observers This volume departs from traditional accounts on several scores by exploring issues barely touched upon in previous works by deviating from the widespread tendency to treat the experiences of front and homefront isolation and by employing a thematic treatment that by considering the construction of authority and identity between 1914 and 1918 illuminates the fundamental question of how individuals whether in uniform or not endured the war s intrusion into so many aspects of their public and private lives     **Western Warfare, 1775-1882** Jeremy Black,2014-12-18 This is a wide ranging and comprehensive survey of warfare from the outbreak of the American War of Independence to the British conquest of Egypt Drawing on both primary and secondary sources this book offers an unrivalled account of civil and international conflicts involving Western powers integrating both naval and land warfare This book covers military capability as well as conflict social and political contexts as well as weaponry tactics and strategy As well as examining such major conflicts as the Napoleonic Wars the Crimean War the American Civil War and the Wars of German Unification this book redresses the

imbalance of previous treatments by examining other important conflicts for example those in Latin America as well as insurgency and counter insurgency in Europe This book s global perspective provides for a more reliable assessment of what constitutes military capability In so doing the author challenges the technological determinism and linear conceptions of developments in military science that continue to characterise much of military history Instead the author reveals a much more complex dynamic indeed going so far as to question the idea of modernity itself Bold in scope and cutting edge in its interpretations this book offers much for the student general reader and professional historian alike The Enterprisers Igor Fedyukin,2019 The Enterprisers traces the emergence of the modern school in Russia during the reigns of Peter I and his immediate successors up to the accession of Catherine II Creation of the new secular technically oriented schools based on the imported Western European blueprints is traditionally presented as the key element in Peter I s transformation of Russia The tsar it is assumed needed schools to train officers and engineers for his new army and the navy and so he personally designed these new institutions and forced them upon his unwilling subjects In this sense school also stands in as a metaphor for modern institutions in Russia in general which are likewise seen as created from the top down by the forceful state in response to its military and technological needs Yet in reality Peter I himself never wrote much about education and while he championed learning in a broad sense he had remarkably little to say about the ways schools and schooling should be organized Nor were his general and admirals including foreigners in Russian service keen on promoting formal schooling for them practical apprenticeship still remained the preferred method of training Rather as Fedyukin argues in this book the trajectories of institutional change were determined by the efforts of administrative entrepreneurs or projecteurs as they were also called who built new schools as they sought to achieve diverse career goals promoted their own pet ideas advanced their claims for expertise and competed for status and resources By drawing on a wealth of unpublished archival sources Fedyukin explores the micropolitics behind the key episodes of educational innovation in the first half of the eighteenth century and offers an entirely new way of thinking about Petrine revolution and about the early modern state in Russia

**Power Shifts, Strategy and War** Dong Sun Lee,2007-11-21 Marked changes in the balance of power between states in the international system are generally seen by IR scholars as among the most common causes of war This book explains why such power shifts lead to war breaking out in some cases but not in others In contrast to existing approaches this book argues that the military strategy of declining states is the key determinant of whether power shifts result in war or pass peacefully More specifically Dong Sun Lee argues that the probability of war is primarily a function of whether a declining state possesses a manoeuvre strategy or an attrition strategy The argument is developed through the investigation of fourteen power shifts among great powers over the past two centuries Shifts in the balance of power and the attendant risks of war remain an enduring feature of international politics This book argues that policymakers need to understand the factors influencing the risk of war as a result of these changes in particular the contemporary shifts in power resulting from

the rise of China and from the growth of nuclear proliferation      **Parameters** ,1991      *Historical Dictionary of the Russian Civil Wars, 1916-1926* Jonathan D. Smele,2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The *Historical Dictionary of the Russian Civil Wars 1916 1926* covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War      *The Soviet Invasion of Finland, 1939-40* Carl Van Dyke,2013-01-11 Western accounts of the Soviet Finnish war have been reliant on Western sources Using Russian archival and previously classified secondary sources to document the experience of the Red Army in conflict with Finland Carl Van Dyke offers a reassessment of the conflict      **Great Power Strategy in Asia** Jonathan Bailey,2006-11-22 This book analyzes the enduring themes underlying the strategic struggles of the great powers in East Asia beginning with the watershed event of the 1904-5 Russo Japanese War      *The History of Officer Social Origins, Selection, Education and Training Since the Eighteenth Century* Elliott Vanveltner Converse,1996      **War and Enlightenment in Russia** Eugene Miakinkov,2020-06-16 War and Enlightenment in Russia explores how members of the military during the reign of Catherine II reconciled Enlightenment ideas about the equality and moral worth of all humans with the Russian reality based on serfdom a world governed by autocracy absolute respect for authority and subordination to seniority While there is a sizable literature about the impact of the Enlightenment on government economy manners and literature in Russia no analytical framework that outlines its impact on the military exists Eugene Miakinkov's research addresses this gap and challenges the assumption that the military was an unadaptable and vertical institution Using archival sources military manuals essays memoirs and letters the author demonstrates how the Russian militaires philosophes operationalized the Enlightenment by turning thought into reality      **The Imperial Security State** James Louis Hevia,2012-06-28 An important new study of the information systems of the British empire and of how knowledge was used to maintain empire      *Reader's Guide to Military History* Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as

well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations

This is likewise one of the factors by obtaining the soft documents of this **Russian Imperial Military Doctrine And Education 1832 1914** by online. You might not require more get older to spend to go to the book introduction as competently as search for them. In some cases, you likewise reach not discover the declaration Russian Imperial Military Doctrine And Education 1832 1914 that you are looking for. It will agreed squander the time.

However below, later you visit this web page, it will be in view of that very simple to get as with ease as download guide Russian Imperial Military Doctrine And Education 1832 1914

It will not give a positive response many time as we tell before. You can get it though work something else at house and even in your workplace. suitably easy! So, are you question? ### **Russian Imperial Military Doctrine And Education 1832 1914 Introduction**

In today's digital age, the availability of Russian Imperial Military Doctrine And Education 1832 1914 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Imperial Military Doctrine And Education 1832 1914 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Imperial Military Doctrine And Education 1832 1914 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Imperial Military Doctrine And Education 1832 1914 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Imperial Military Doctrine And Education 1832 1914 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Imperial Military Doctrine And Education 1832 1914 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Imperial Military Doctrine And Education 1832 1914 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Imperial Military Doctrine And Education 1832 1914 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Imperial Military Doctrine And Education 1832 1914 books and manuals for download and embark on your journey of knowledge?

### **FAQs About Russian Imperial Military Doctrine And Education 1832 1914 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Imperial Military Doctrine And Education 1832 1914 is one of the best book in our library for free trial. We provide copy of Russian Imperial Military

Doctrine And Education 1832 1914 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Imperial Military Doctrine And Education 1832 1914. Where to download Russian Imperial Military Doctrine And Education 1832 1914 online for free? Are you looking for Russian Imperial Military Doctrine And Education 1832 1914 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russian Imperial Military Doctrine And Education 1832 1914. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Russian Imperial Military Doctrine And Education 1832 1914 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Russian Imperial Military Doctrine And Education 1832 1914. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Russian Imperial Military Doctrine And Education 1832 1914 To get started finding Russian Imperial Military Doctrine And Education 1832 1914, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Russian Imperial Military Doctrine And Education 1832 1914 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Russian Imperial Military Doctrine And Education 1832 1914. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Russian Imperial Military Doctrine And Education 1832 1914, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Russian Imperial Military Doctrine And Education 1832 1914 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Russian Imperial Military Doctrine And Education 1832 1914 is universally compatible with any devices to read.
