Russian Political Institutions

Maksim Maksimovich Kovalevskii

Russian Political Institutions:

Russian Political Institutions Maksim Kovalevski, 1966 *Russian Political Institutions* Maksim Maksimovich Kovalevskii, 1902 [Russian Political Institutions](#) Derek J. R. Scott, 2024-02-29 First published in 1958 Russian Political Institutions is intended primarily to meet the need of university students for a good account of the political institutions of the Soviet Union in terms similar to those used in their study of other countries Though the unique comprehensiveness of the Soviet state's concerns to which the book draws attention precludes a formally comparative approach the ways in which its business is done can be explained as elsewhere by the country's circumstances and historical experience The first chapter indicates something of these circumstances and experience and of the motives of the Soviet state The second explains the way the distinctive institutional form of the Soviet state came into being and the process by which it assumed some of the conventional state machinery The third examines this conventional state and its unconventional functions in a Russian Communist setting The fourth concerns the structure and operation of the complex device called the Party The fifth in turn examines the means evolved for the fulfillment of the state's main task the management of the fully nationalized economy as a single concern and the other main systems of control including the judicial system The sixth chapter suggests briefly how priorities of tasks are decided upon obligations determined and their performance secured This is a must read for students and scholars of Russian history and Soviet politics **Russian Political Institutions** Maxime Kovalevsky, 2015-08-09 Excerpt from Russian Political Institutions The Growth and Development of These Institutions From the Beginnings of Russian History to the Present Time Some time ago meeting occasionally with Professor Bryce author of The American Commonwealth I heard him say he was astonished not to see the appearance of a book on the history and present state of political institutions in Russia Of course Englishmen have the excellent work of Mackenzie Wallace rich in personal information collected by that author during a long stay in Russia and the French the profound and pleasantly written treatise of A Leroy Beaulieu The Empire of the Czars But neither of these authors has seen fit to call the attention of the public to the special question of the evolution of the Russian political regime I was obliged therefore to share in Professor Bryce's astonishment and even to take his remark as an indirect hint for me to supply the lack in sources of information for Europeans on this subject by a short sketch of Russia's institutional development There are of course in the Russian language several excellent treatises written to serve this purpose but even the best of them the works of Professor Gradovsky and of Professor Korkounov are quite too voluminous to be translated into a foreign tongue and if they were translated too technical to be well understood by the general reader Furthermore these books fail to cover the whole field of investigation into the origin of Russian institutions And though Russian legal historians have treated this last subject at length in many valuable and suggestive monographs these are too highly specialized for the foreign reader About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction

of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Politics in Russia Thomas F. Remington,1999 Focusing on institutions and processes while paying rigorous attention to scholarship Politics in Russia Fourth Edition provides an authoritative overview of the Russian political system Book jacket

Presidential Power in Russia Eugene Huskey,2016-09-16 This is the first major assessment of the role of the presidency in Russia s difficult transition from communist rule Huskey analyzes the establishment and functioning of the Russian presidency as an institution and in relation to the other leading institutions of state the government parliament courts and regional authorities Although this is not a biography of the first president Boris Yeltsin his allies and his rivals loom large in the study of a critical phase in the creation of a new Russian political system

Russian Political Institutions Maksim Maksimovich Kovalevskii,1902 *Building The Russian State* Valerie Sperling,2018-02-13 Has the Russian state managed to lay the institutional groundwork for long term stability and democratic governance In Building the Russian State Valerie Sperling assembles a group of cutting edge scholars to critically assess the crises in Russia s transitional institutions Part I of the book shows that Russia s political elites are less focused on serving public interests than on enriching themselves and examines how these elites are ruling Russia Part II focuses on the growth of organized crime the decay of the military the precariousness of the Russian Federation the weakness of the labor movement the corruption of the courts the challenges facing international reformers and the authoritarianism of the super presidential political system By focusing on the challenges failures and occasional successes of the Russian political system this volume offers upper level undergraduates and other scholars valuable insight into post Soviet politics state building and transitions to democracy

Institutions, Ideas and Leadership in Russian Politics Julie Newton,William Tompson,2010-06-23 A stimulating and thought provoking collection that challenges some of the emerging conventional wisdom about contemporary Russia It examines the role of leadership institutions and ideas and the interactions among them in shaping Russia s post Soviet transformation

Absolutism and Ruling Class John P. LeDonne,1991 This is the first comprehensive examination of the Russian ruling elite and its political institutions during an important period of state building from the emergence of Russia on the stage of world politics around 1700 to the consolidation of its position after the victory over Napoleon Instead of focusing on the great rulers of the period Peter Catherine and Alexander the work examines the nobility which alone could make their power effective LeDonne not only gives a full chronological account of the development of bureaucratic military economic and political institutions in Russia during this period but also skillfully analyzes the ways in which local agencies and the ruling class exercised control and shared power with the absolute monarchs **Routledge**

Handbook of Russian Politics and Society Graeme Gill,James Young,2013-03-01 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations

Russian Politics Today Susanne A. Wengle,2022-10-27 Russian Politics Today Stability and Fragility provides an accessible and nuanced introduction to contemporary Russian politics at a time of increasing uncertainty Using the theme of stability versus fragility as its overarching framework this innovative textbook explores the forces that shape Russia s politics economy and society The volume provides up to date coverage of core themes Russia s strong presidency its weak party system the role of civil society and its dependence on oil and gas revenues alongside path breaking chapters on the politics of race class gender sexuality and the environment An international and diverse team of experts presents the most comprehensive available account of the evolution of Russian politics in the post Soviet era providing the tools for interpreting the past and the present while also offering a template for understanding future developments

New Trends in Russian Political Mentality Elena Shestopal,2015-12-17 This book examines recent political and psychological changes in Russian society during Vladimir Putin s third term Instability in 2011

2012 and new domestic and international contexts make this a unique period in the post Soviet political history of Russia This volume focuses on popular perceptions of Russian politics during a new electoral cycle in particular views of political power institutions and leaders The contributors to this collection describe and interpret recent political trends in Russian society by utilizing unique methodologies used for over twenty years allowing results to be compared over time *Out of Order* Ellen Carnaghan, 2007-03-08 One common explanation for the failure of democracy to take root in Russia more quickly and more thoroughly than it has points to inherited cultural values that predispose Russian citizens to favor an autocratic type of governance Ellen Carnaghan takes aim at this cultural determinist thesis in her study of Russian attitudes based on intensive interviews with more than sixty citizens from all walks of life and a variety of political orientations What she finds is that rather than being influenced by an antidemocratic and anticapitalist ideology these ordinary citizens view the economic and political system in Russia today very critically because it simply does not function well for them in meeting their everyday needs They long for order not because they eschew democracy and free markets in any fundamental way but because they experience them currently as chaotic and unpredictable leading to constant frustration As a result there is reason to be optimistic about further progress in democratization it depends on improving the functioning of existing institutions not transforming deep rooted cultural norms In the Conclusion Carnaghan applies her argument to elucidating the reasons why Russians have responded favorably to what Westerners see as moves in an antidemocratic direction by Vladimir Putin s government Russian Government and Politics Eric Shiraev, 2025-02-20 This new edition covers everything students need to know about the key institutions people parties and policies in Russian government and politics as well as covering political behaviour participation and communication Revised to offer coverage and analysis of recent events this new edition offers Discussion of new developments related to the war in Ukraine and its consequences geopolitical political economic social psychological etc for Russia Europe Eurasia and the world Expanded critical discussion of the Russian political system and its pivot toward authoritarianism Detailed discussion of social and cultural issues and their interaction with politics to further underline the role of individual personalities and the political impact of informal political and business arrangements in Russia New research and statistical updates including opinion polls expert opinions and other sources relevant to Russian government and politics This is the ideal text for upper level undergraduate and postgraduate students studying Russian politics or comparative government and politics more broadly Russian Government and Politics Eric Shiraev, 2025-02-20 This new edition covers everything students need to know about the key institutions people parties and policies in Russian government and politics as well as covering political behaviour participation and communication Revised to offer coverage and analysis of recent events this new edition offers Discussion of new developments related to the war in Ukraine and its consequences geopolitical political economic social psychological etc for Russia Europe Eurasia and the world Expanded critical discussion of the Russian political system and its pivot toward authoritarianism Detailed discussion of social and

cultural issues and their interaction with politics to further underline the role of individual personalities and the political impact of informal political and business arrangements in Russia New research and statistical updates including opinion polls expert opinions and other sources relevant to Russian government and politics This is the ideal text for upper level undergraduate and postgraduate students studying Russian politics or comparative government and politics more broadly

The Soldier in Russian Politics 1988-1996 Robert V. Barylski, **Russian Politics Under Putin** Cameron Ross, 2004-08-21 In March 2000 Vladimir Putin was elected President of the Russian Federation the largest country in the world In the space of just a few years Putin s radical reforms in the areas of domestic and foreign policy have made a major impact on Russian politics and society and we have witnessed a new orientation in Russia s external relations with the West But is Putin an authoritarian or a democrat Does his presidency signal a break with Russia s past or is he just another autocratic czar in modern clothing This is a lively comprehensive and highly accessible account of contemporary Russian politics There are fifteen chapters covering such key areas as leadership and regime change political parties and democratization economy and society regional politics the war in Chechnya and Russian foreign policy **The Soldier in Russian Politics, 1985-96** Robert Barylski, 2018-04-17 If Russia is to become a viable democracy it will need a viable state to make and enforce decisions that nurture societal cohesion and sustain complex economic activity Armed forces are essential attributes of viable modern states but what happens when states undergo major structural changes What was the military s contribution to the end of the Soviet Union and the rise of post Soviet Russia *The Soldier in Russian Politics* is the first study to go beyond familiar accounts of the main events that brought down the Soviet state and began its reconstruction It captures the interplay between soldier and civilian politicians in a major political history based on solid political sociological analysis Barylski uses the study of civil military relations to explore new political and intellectual conditions and explain the historic relationship between changes in Western models of Russian reality and political change in the former Soviet Union Examining the military s participation in every major twentieth century political change from 1917 to 1991 Barylski demonstrates that every deep political transformation in Russia has military dimensions Barylski discusses how the Russian presidency s power to command and control the military without legislative checks and balances led to armed conflict with Parliament in October 1993 and to the Chechen war of 1994 1996 and is unhealthy for long term democratic development Barylski analyzes ministers of defense Yazov Shaposhnikov Grachev and Rodionov as political actors traces the careers of ambitious political soldiers such as Aleksandr Lebed and Aleksandr Rutskoi and describes the military s growing political alienation from the Yeltsin administration His final chapters cover the presidential elections the short lived Yeltsin Lebed political alliance the tensions associated with Yeltsin s ailments and Yeltsin s efforts to rebuild his personal power political effectiveness *The Soldier in Russian Politics* presents political history in an incisive and objective manner It applauds the progressive officers soldiers and politicians where decisions minimized bloodshed and prevented civil war But it also

warns that civilian and military leaders can make mistakes which cause political institutional failure violence and dictatorship
This book will interest political scientists political sociologists students of Russian and soviet politics and all military
historians and professionals

Russian Political Institutions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Political Institutions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Political Institutions has opened up a world of possibilities. Downloading Russian Political Institutions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Political Institutions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Political Institutions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Political Institutions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Political Institutions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Political Institutions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russian Political Institutions Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Political Institutions is one of the best book in our library for free trial. We provide copy of Russian Political Institutions in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Political Institutions. Where to download Russian Political Institutions online for free? Are you looking for Russian Political Institutions PDF?
