together an analysis of changes in gender roles attitudes toward sexuality public conceptions of Native peoples and federal Indian policy Jacobs argues that the impetus for this transformation in perception rests less with a progressively tolerant view of Native peoples and more with fundamental shifts in the ways Anglo American women saw their own sexuality and social responsibilities *The American Radical* Mary Jo Buhle,2013-02-01 The American Radical tells the story of American democracy from the late 18th century to the present through the lives of the women and men who have fought to advance it
