unfettered enough to see more clearly where our priorities should lie We have the tendency to seek temporary satisfaction through a more convenient or more accommodating value system We settle on whatever gives us permission to do what we want and to acquire what we desire Ruth possessed the virtues of wisdom faith and trust and employing these while enduring personal crisis she realized that Clanton, 2009-04-01 Stories of women in the Bible have been interpreted by artists writers musicians filmmakers and biblical commentators for centuries However in many cases these later interpreters have often adapted and altered the Bible to fit their own views of the stories Ironically these later renderings usually serve as the basis for the generally accepted views of biblical women For example many readers of the Bible assume that Eve is to blame for the disobedient act in the Garden of Eden or that Delilah seduced Samson and then cut his hair A closer look at these assumptions though reveals that they are not based on the Bible but are mediated through the creations of later interpreters In this book the author examines eight such women s stories and shows how later readers interact with the biblical stories to construct sometimes fanciful sometimes faulty views of these women Dan Clanton Jr broadens our awareness of the influence of these later readings on how we understand biblical women so that we can be more critical in our engagement with them and become more familiar with what the Bible actually says about the women whose stories it contains Mishkan Moeid Peter S. Knobel, 2013-09-18 Mishkan Moeid newly revised and updated from the CCAR classic Gates of the Seasons this survey of the sacred days of the Jewish yearly cycle provides detailed guidance on observing Shabbat and the Jewish holidays including historical background essays and extensive notes Mishkan Moeid is perfect for Introduction to Judaism classes and conversion candidates as well as personal study for those wishing to reconnect or deepen their relationship to Judaism Published by CCAR Press a division of the Central Conference of American Ruth Tod Linafelt, David W. univocal answers allowing for complexity perplexity and the importance of accidents Beal emphasizes the general and the tenative over the continuous Using rhetorical criticism as a way into the text Beal also focuses on its narrative structure

Narrative Desire and the Book of Ruth Stephanie Day Powell,2018-02-22 Stephanie Day Powell illuminates the myriad forms of persuasion inducement discontent and heartbreak experienced by readers of Ruth Writing from a lesbian perspective Powell draws upon biblical scholarship contemporary film and literature narrative studies feminist and queer theories trauma studies and psychoanalytic theory to trace the workings of desire that produced the book of Ruth and shaped its history of reception Wrestling with the arguments for and against reading Ruth as a love story between women Powell gleans new insights into the ancient world in which Ruth was written Ruth is known as a tale of two courageous women the Moabite Ruth and her Israelite mother in law Naomi As widows with scarce means of financial or social support Ruth and

Naomi are forced to creatively subvert the economic and legal systems of their day in order to survive Through exceptional acts of loyalty they along with their kinsman Boaz re establish the bonds of family and community while preserving the line of Israel s great king David Yet for many the story of Ruth is deeply dissatisfying Scholars increasingly recognize how Ruth s textual gaps and ambiguities render conventional interpretations of the book s meaning and purpose uncertain Feminist and queer interpreters question the appropriation of a woman's story to uphold patriarchal institutions and heteronormative values Such avenues of inquiry lend themselves to questions of narrative desire that is the study of how stories frame our desires and how our own complex longings affect the way we read **Mothers on the Margin?** E. Anne Clements, 2014-05-01 The Gospel of Matthew opens with a patrilineal genealogy of Jesus that intriguingly includes five women Tamar Rahab Ruth she of Uriah and Mary In a gospel that has a strongly Jewish and male orientated outlook why are women incorporated In particular why include these four Old Testament women alongside Mary Rejecting traditional as well as feminist views Anne Clements undertakes a close literary reading of the narratives to discern how each woman is characterized and presented All are significant scriptural figures on the margins of Israelite society From this intertextual world established by Matthew Clements explores why Matthew may have named these women in the opening genealogy and what implications their inclusion may have for the ongoing gospel narrative Mothers on the Margin argues that Matthew s Gospel contains a counter narrative focused on women The presence of the five women in the genealogy indicates that the birth of the Messiah will bring about a crisis in Israel s identity in terms of ethnicity marginality and gender The women signal that Matthew's Gospel is concerned with the construal of a new identity for the people of God Nystrom, 2011-02-22 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exeges to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written

Appealing to God or Man Nicholas J. Campbell,2025-03-31 Appealing to God or Man Contrasting Barrenness and Family Death Narratives in the Hebrew Bible and Ancient Near East argues for a reevaluation of barrenness type scenes in the Hebrew Bible and ancient Near East More specifically the argument is for a distinction women in family death narratives appeal to men while women in barrenness narratives appeal to God Even the male centric epics of the ancient Near East

show that women interact with the divine more during barrenness crises e g the wife s prophetic dream in the Etana myth than during family death crises e g male divine narratives in Kirta and Aqhat This distinction not only clarifies the narrative tropes but emphasizes the role of women in these crises and intersects with discussions of household roles in the ancient Near East Male and female roles in marriage and fertility drive the responses of characters in these idealized narrative worlds especially in family death and barrenness narratives
