Christian in Sri Lanka Leonard Pinto,2015-07-14 Most people know something about their own religions That knowledge is usually restricted to what is going on at the present time When it comes to how their religions developed in their countries their knowledge is on shakier grounds As for religion in foreign lands well for many that information is nonexistent Author Leonard Pintos Being a Christian in Sri Lanka Historical Political Social and Religious Considerations is a critique based on the observations and experience of a Sri Lankan Christian Pinto shares the history and importance of religion in his native land Youll learn about Portuguese Dutch and British rule in the country formerly known as Ceylon and how each affected religion there Pinto dispels popular views about how ruling countries dealt with Christianity and other religions and with those who practiced them Youll learn how religion is practiced today from someone who lives it firsthand Pintos book goes beyond the boundaries of Sri Lanka in assessing the problems faced by Christianity from the corrosive effects of the Age of Enlightenment In Being a Christian in Sri Lanka Historical Political Social and Religious Considerations Pinto comes to the conclusion Sri Lanka would benefit from a Sri Lankan national identity for all its citizens Hegemony based on ethnicity and religion is dissuaded Youll also find Pintos conclusions relevant to other countries The Lion's Roar Sarath

Amunugama,2019-08-12 Anagarika Dharmapala 1864 1933 was a leading Sinhalese Buddhist reformer and national activist who ranks high among the makers of modern Buddhism The Lion s Roar is one of the first detailed accounts of Anagarika Dharmapala s life and the pioneering role he played in the Sinhalese Buddhist nationalism at a time when resistance to colonial rule was mainly confined to the elite The book explores his lifelong struggle for re establishing Buddhist management of their own sacred places under Hindu control particularly the Mahabodhi site in Bihar India Dharmapala s association with the Bengali intelligentsia the bhadrakalok and close interactions with Gandhi and Nehru in India where he spent a greater part of his life form an interesting part of the narration Using a rich variety of primary sources most importantly Dharmapala s diaries the book situates his life within the socio political and cultural ethos of Ceylon Sri Lanka and chronicles the zealous efforts of a Buddhist crusader and monk who wished to reform the religion in his native land and

**Anuradhapura** Brahmachari Walisinha Harischandra,2019      *Government Backed Discrimination, Persecution and Ethnic Politics: Targeting Muslims in Sri Lanka*,2024-12-14 Government supported Buddhist monks and extremist organizations started operating against the Sri Lankan Muslims This was the time when organizations like Sinhala Ravaya Ravana Balaya and the Sri Lanka Podujana Peramuna emerged Since I was in the media field in Colombo I attended many of their media conferences and conducted interviews with them I was able to observe that their activities were taking place with government support This was a time when the Mahinda group believed they could govern with the blessings of Buddhists without the help of minority communities However it is well known that this later became impossible Now why this book Since the beginning of Navamani I have been publishing articles in platforms like the Sri Lankan Muslim online media and Puthiya Kural and I fear that these writings which are not documented in history will be forgotten Therefore I am publishing this in English as well as in Tamil The reason for choosing English is that this book written in Tamil and transformed into a manuscript will contain stories that everyone can recognize However the international community must be made aware of these issues Copies of this book should be sent to several organizations including the UN Human Rights Council Library and Amnesty International and they should be documented by them Many ethnic discriminatory activities have occurred in Sri Lanka but the incidents of racism against Muslims which took place without government support or oversight are recorded in this book initiated by the Rajapakse regime The articles included in this book serve as historical evidence      **Garden Travel**
