Sacred Journeys A Pastors Memoir With Spiritual Reflections:

Sacred Journeys Paul Whiting, 2004-07 *Sacred Journeys* is a totally fascinating book raw with spiritual emotion and sexual frankness I recommend that everyone read it Rev Elder Troy Perry Founder Metropolitan Community Church Paul Whiting tells his story in his own unique and engaging way without apologies He is a truth teller a gifted preacher an interpreter of the Word *Sacred Journeys* is a valuable resource for every library Rev Elder Nancy Wilson Metropolitan Community Church While gays and lesbians have gained acceptance among many Christians the same is not true within conservative churches Paul Whiting's writings will be of great interest to evangelicals going through experiences similar to his Andrew Shackleton Evangelical Fellowship United Kingdom **Why God Doesn't Hate You** Tia Michelle

Pesando, 2014-04 Due to the supposedly losing war that Christianity has fought against the decline of its values for the last one hundred years Christians seem to have entered a sort of siege mode they are afraid that acceptance of liberal ideas about women homosexuals and the transgender community are a part of the increasing moral decadence of our society As a result they have defensively shut their gates against such perceptions leaving many of us out in the cold Is this God's will No *Why God Doesn't Hate You* is the result of transgender Roman Catholic consecrated maiden Tia Michelle Pesando's extensive theological research and it brings to light several startling truths No longer should we feel the need to choose between science and faith or between religion and our own understanding of what is right and wrong The knowledge contained herein both reassures and provides an excellent defense for those minorities previously persecuted by Christians as Tia Michelle knows from her own experience coming out after thirty years in the guise of a man Recently she walked into a Roman Catholic church just before mass dressed as a woman wearing the veil of the consecrated maiden and approached the priest with the statement I have assembled a rock solid argument in favour of homosexuality The positive response she received alone shows that there is hope

Otwell, 2008-05-19 Learn how to develop an effective Alzheimer's ministry *The Guide to Ministering to Alzheimer's Patients and Their Families* examines the importance of spirituality in dealing with the everyday challenges of this mysterious disease Not a how to manual with step by step instructions or tried and true formulas this unique book instead examines the essential elements of ministering to dementia patients based on the first hand accounts of family members living through pain and uncertainty The book explores the stages of Alzheimer's grief and guilt available resources and implications of spiritual care for patients and families It is equally useful as a textbook for graduate and undergraduate work a reference for study groups and seminars and a primer for those with limited knowledge of the illness Ministers sometimes neglect Alzheimer's patients

and their families because they feel they don't know what to say or do even though they want to be obedient and faithful servants in this specialized ministry. The Guide to Ministering to Alzheimer's Patients and Their Families communicates the thoughts, feelings, and needs of those affected by the disease to help ministers feel more comfortable, confident, and competent as they develop a theological understanding of God, Alzheimer's patients, and their role in ministry. The book also provides models for ministry role play scenarios, a sample text for a care facility worship service, a care facility memorial service, and a funeral service for a Christian and a non-Christian, as well as a sample clergy seminar program on Alzheimer's ministry. The Guide to Ministering to Alzheimer's Patients and Their Families examines common characteristics of early, mild, moderate, and severe Alzheimer's, general information about Alzheimer's, ethical decision making, support group ministry, respite care, religious rites, faith issues, heredity, hospitalization of Alzheimer's patients, long distance caregiving, working with other clergy. The Guide to Ministering to Alzheimer's Patients and Their Families also includes a special appendix of selections from the Scriptures. This book is a unique resource for all Christians who desire to minister to those affected by Alzheimer's, especially pastors, priests, chaplains, pastoral counselors, church leaders, healthcare professionals, and seminary students.

Transforming the Rough Places Kenneth Pohly, 2016-09-25. The word supervision can have a negative connotation to those being supervised and leaders alike. You don't have to read very far in Transforming the Rough Places to realize that there is nothing negative about the supervision that Dr. Pohly describes. The result of years of research and experience, Dr. Pohly's method and rationale offer tools to make supervision a positive experience for all those involved. What he describes is a value-centered leadership style that focuses equally on the ministry or task to be done and the person doing the task. Practicing these skills in supervision can easily enhance all business, ministry, and personal relationships. Discover what it means to lead in a way that can be transformative for the individual and the institution.

Ministering to Older Adults Donald Koepke, 2013-10-18. Learn how to focus your ministry's programs and services on the elderly. By 2030, 20% of the people living in the United States will be age 65 or older with unique spiritual needs that can affect their physical and mental well-being. Ministering to Older Adults answers the critical need for a ministry that doesn't center primarily on youth and families in its outreach, instead presenting a step-by-step guide to developing a ministry for the aged that is focused on the needs and resources of each congregation. This program has been used effectively with nearly 50 congregations, both large and small, to create a focused older adult ministry. No two congregations are alike. The resources, perspectives, and skills of each congregation are different, as are the needs of its members. Ministering to Older Adults provides a framework for use by planning groups within communities of any religious tradition. The book presents a process that includes essential questions that allow planning groups to develop answers that fit the needs, cultural history, and structure of their individual congregations. Ministering to Older Adults is divided into three sections: The Fundamentals (defining your audience, your mission, and the skills and existing programs that can be brought to the planning process), Programming Possibilities (spiritual

needs based on the aging process continued learning for older adults opportunities to serve and be served providing quality pastoral care and community building Putting it All Together deciding on a direction using desired outcomes for evaluation establishing target dates and ongoing evaluation Ministering to Older Adults also includes forms and charts to help in the planning process The book is an invaluable resource for clergy ministry committees and planning groups and staff persons responsible for older adult ministries Memoirs of the most Rev.
