Journey With Me Herbert F. Lamp Jr., 2021-07-27 Have you ever wondered Is this all there is to life and ministry with the Lord Why am I so tired all the time How can I grow in my intimacy with God in practical ways Am I so busy doing that I have forgotten how to be with God As ministry workers we too often face these questions because we too often expect a thriving personal relationship with God to be an outcome of our ministry Journey With Me illustrates that ministry is the result of the overflow of our relationship with God rather than vice versa Exploring over fifteen ancient spiritual graces such as Lectio Divina rule of life silence and solitude and prayer of Examen Herbert F Lamp Jr invites us to prioritize soul care rather than treating ministry as a replacement for intimacy In the process of knowing and being known God fills us up with his love joy peace and wisdom Only then can we minister to others balancing a heart for God with hands for service After almost four decades of missionary service Lamp has experienced the joys and potential pitfalls of serving Christ cross culturally Sharing his experiences and offering practical time tested methods to grow spiritually Lamp invites you to journey with Our Father intimately as you cross your cultural linguistic ethnic and geographic borders serving him wholeheartedly and passionately

Blessed Connections Judith Schwanz,2008-01-15 No pastor sets out to fail but statistics say 15 to 20 percent of pastors leave pastoral ministry within the first five years One seminary administrator said that every person he had heard of leaving the ministry had done so because of a relationship failure We cannot escape relationships in ministry yet few seminaries offer courses in how to build healthy relationships The assumption is that the type of person who is called to ministry will have all the people skills they need which sadly is not always true n Blessed Connections seminary professor Judith Schwanz focuses on the person of the minister and the relational system of the minister s life She spotlights three areas of connection relationship with self relationships with other people and relationship with God Attending to these three primary connections will strengthen the pastor and cushion her or him against the pressures and stresses of daily ministry Blessed Connections is ideal for seminary students and new pastors and includes Assessment Journal questions at the end of each chapter for personal application

Perspectives on Prayer and Spirituality Maurice Elliott,Patrick McGlinchey,2021-02-12 Spirituality has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before Spirituality in this light signals a

new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one It acknowledges that there must be more to life than what secular media or consumerism might tell us The joyful message of Perspectives on Prayer and Spirituality is that the spiritual quest is a valid one and worth exploring There is treasure to be found However the surprise is that we must rediscover what we have left behind In the words of G K Chesterton it is not that the Christian ideal has been tried and found wanting rather it has been found difficult and left untried This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure The title Perspectives on Prayer and Spirituality alerts us to the fact that life giving spirituality stems from relationship with a personal God who can be known

Spirit-Filled Truth Joshua Shaw, 2015-04-20 For many of Christians no matter how many church services we attend podcasts we listen to or conferences we sign up for we often feel a deep sense of emptiness or void in our relationships with Jesus Feelings of being orphaned by God divorced from His family and enslaved to our sins consume our hearts We do everything we can to try and fill our spiritual emptiness but nothing seems to change Despite our best efforts to apply what we are learning from our daily Bible readings and church's weekly sermons what we know in theory rarely becomes what we encounter on a day to day basis Because of this our relationships with Jesus are in desperate need of rejuvenation In John 16:13 Jesus says When the Spirit of Truth comes he will guide you into all truth Within this passage Jesus teaches his followers that it is by the guiding work of the Holy Spirit that we will encounter the truths of God's Word that brings us life The Spirit will be the active agent in guiding our hearts to God's loving truths for our lives Therefore Spirit Filled Truth speaks to the longing many Christians have to encounter God's truths for themselves and how His presence alone can satisfy their deepest needs by means of Unveiling who the Spirit of Truth is and our need for His guidance in our lives Illustrating how to walk in our identity as adopted children of God Revealing how to actively be a part of God's family Displaying how to be used as effective ambassadors for His Kingdom

neighbors was helping her both to heal from pain and loneliness and to enter a deeper relationship with Jesus My Neighbor My Self invites readers not just into Elise s own story but also into the stories of many other people It explores surprising ways that our attempts to live into the second great commandment can actually help us live more fully into the first as well discovering in the process a more fulfilling relationship with the Lord
