Beyond Temptation Audrey Boss, Sophie Boss, 2012-09-06 In *Beyond Temptation* Sophie and Audrey Boss offer a radical alternative to the tried and tested methods used to combat overeating which either encourage women to rely on willpower alone or legitimise overeating by providing lists of free foods on which women are actively encouraged to binge. This book doesn't rely on NLP, CBT or life coaching techniques but instead draws on the authors' own experiences as two overweight and unhappy overeaters and their ten years of experience working with thousands of failed dieters in the *Beyond Chocolate* workshops and the successful techniques used in their newly established *Stop Overeating* workshops to offer women a practical sustainable approach to stopping overeating and achieving long term weight loss. **Donorboy** Brendan Halpin, 2015-04-07

Rosalind is mourning the deaths of both her moms and Sean is working on his own issues; the only thing they have in common is a little DNA. When both of Rosalind's mothers die, she moves in with the donor father she never knew. Fifteen, angry and feeling completely alone, Ros refuses to speak to her biological father Sean, sharing her feelings only with her journal. But through a series of emails and text messages, Ros and Sean slowly get to know each other. Sweet, comic, honest and moving, *Donorboy* is the story of two people who seem to have nothing more than genes in common stumbling toward a shared future. Brendan Halpin has crafted a thoroughly modern take on love, family and figuring it all out. **Eternal**

Promise Kara Leigh Miller, 2021-01-12 Eternity might be shorter than she thought. With graduation looming and her wedding fast approaching, Chloe is fully focused on her future with Trent. She's finally so close to having everything she's ever wanted and she won't let anything or anyone stand in her way. And then a mysterious rogue witch arrives in town and starts causing trouble. Chloe ends up in the hospital; her strongest ally is probably double-crossing her and the Zoya are getting desperate. But are they really the ones behind the attack? The answer has the power to bring her entire world crashing down around her and destroying her happily ever after. *The Cursed Series* is a binge-worthy young adult paranormal romance series perfect for fans of *The Graveyard Book* by Tracy Wolff, *The Twilight Saga* by Stephenie Meyer and *The Vampire Diaries* by LJ Smith. *The Cursed Series* is better enjoyed when read in order: *Eternal Curse*, *Eternal Choice*, *Eternal Bond*, *Eternal Love*, *Eternal Promise*, *Eternal Life*, *Everlasting Hope*.

Eternal Graffiti Peter Marlton,2022-09-06 I don t know if this is a confession or a purge a scream or a lullaby begins twenty seven year old Owen Kilroy s journal in which he writes about the remarkable women friends and lovers who ve come and gone and who have shaped his life as well as the many varieties of heartbreak he s experienced Owen revisits himself as a seventeen year old guitar player songwriter and drug dealer in a small fictional California desert town He relives being arrested violently by half the town s police force and sent to juvenile prison He faces the pain of being disowned by his mother and having his father disappear And he re experiences inadvertently killing his girlfriend by providing her with drugs After escaping from juvenile prison ending up broke desperate and homeless in Venice Beach he eventually meets Kiera a nineteen year old Irish student at UCLA She is the great love of his life a love that he knows would cripple him if he were to lose her

Now ten years later Owen discovers that writing about her and all that came before isn't enough. If he is to move on, he realizes he must go back to California and face his ghosts directly. Sheila's Tree Malcolm Crawford, 2004-10 A prologue describes the location and beautiful physical setting of the story and sets the western theme of self-reliance and willingness to fight for survival in a hostile world. Colorado Palmer Winston is the attractive young Mayor of a small city struggling for prosperity in the rural backwater of the Cowboy State. The success of her ranch, her city, her marriage and even her physical safety are threatened by the criminal activities of aggressive strangers who flood into the area in search of mineral riches. The laid-back friendly cattle culture is contrasted with competitive amoral ambitions of mining industry newcomers. Crime appears along with environmental degradation of rivers, prairie and ranchlands that change the landscape of the new mining region. Social and political issues of the Korean War period impact everyone affected by the uranium discovery and many lives are changed forever. The story of Milo Harris, a black cowboy and his love affair with a white businesswoman explores racial bias of the pre-Rosa Parks era. You may have been born too late to remember the days before color television, computers and cell phones, but there was a rich culture and technology that foreshadowed the rapid progress of the latter half of the century. **Empty Shield** Giacomo Donis, 2021-05-20 A people's history and the horror of war. Howard Zinn meets Apocalypse Now. Political autobiography. March 1972 about to graduate from NYU. A journey two days and nights in the New York subway. Love it or leave it. A decision becomes a Great Academic Marxist blow-up. The Williamsburg Bridge goes into exile. Vietnam Veterans with placards for and against the war. Seven placard men at the seven gates of Thebes brandishing their shields. A decision. Political or personal. Or pure Zen. Mind or no mind. Kill for peace. Dylan, Hendrix or the Fugs. The two Suzukis or Dogen, Monk and Coltrane. The relation between Hegel's logic of thinking as such and his logic of practice which does not exist. The screech of the subway stops. A fork where three roads cross the realm of shadows. What is to be done. A Chinese menu. Stab it. Stab it with your fork. But what I myself decide is not the point. The point is the question of what a decision is and what making a decision means. The answer is never stop asking. Ask yourself. Ask FDR, JFK, LBJ, McNamara and his band, John Kerry or a Vietnam War veteran of your choice. Ask Nixon, Kissinger, Trump. Ask Trump. Yes, great decision makers. Have you ever asked yourselves what a decision is and what making a decision means? That is the question. The Empty Shield asks it. Repeatedly, repetitiously, abysally and possibly once and for all. Fur Kids Resh Ramlakan, 2013-03 I recently wrote a book in honour of my beloved Boerboel and Cross Boerboel dogs. It is a book that highlights a series of events which transformed me from a girl who didn't like dogs to a lady whose heart has been filled with unconditional love for them. It is an amazing story of love in its truest and most sincere form. Boerboels are intelligent, self-assured dogs bred to have extremely strong guarding instincts and it is the only breed in the world bred with only one purpose: to guard and protect his family. The book highlights how cross-breeding and inter-breeding has led to many Boerboels in South Africa becoming prone to getting elbow and hip dysplasia. Three of my dogs were diagnosed with hip dysplasia, with two having been put to sleep as a result of

this condition By writing this book I hope to create awareness in many ways Firstly to let people know the love and joy that animals bring into our lives and show them how rewarding it can be Secondly to raise awareness about buying Boerboels from registered breeders and lastly to put more focus on the beautiful South African Boerboel itself in an effort to preserve the breed The book highlights love loyalty happiness sadness and tells of my experiences over the years with my 5 fur kids This is a book that will inspire people to never give up but to keep on trying **Men Rising** Alyssa Ditch,2021-09-21 What does it mean to be masculine These eleven men thought they knew following in the footsteps of their fathers marching to society's drumbeat of manhood A man is strong A man doesn't cry A man is the provider A man does it alone in the course of their lives each of these very different men found this same rigid idea of manhood standing between them and their happiness Standing between them and being a fully realized man Standing between them and their relationships Standing between them and their heart's path Instead of building them up and making them stronger they found themselves chained and isolated by these standards of masculinity In these soulful interviews conducted by intuitive healer and author Alyssa Ditch these eleven men candidly share their ascent into becoming real men from heartache to healing failure to triumph Join her as she dives into the hearts of these eleven brave men to understand how these fully realized men had cast away society's limitations on masculinity rising to become better men for themselves their families and their communities Learn the tools and techniques that worked for each of them on their journey to self discovery Be inspired by the example they set for all men as it makes us think anew What is healthy masculinity *The Ramblings of a Merry Heart* Harold William Marihart,2013-07-03 Although his earliest days were spent in a town author Harold William Marihart had the dream of one day becoming a farmer From very young age he enjoyed helping his grandparents and others with the chores on their farms In *The Ramblings of a Merry Heart* Marihart narrates these and many other stories from his eighty years In this memoir he shares some of the highlights of his life his birth in small town Minnesota in 1931 being raised as an only child attending school helping with farm chores earning money as a produce salesman at age seven buying his first car becoming a sailor meeting his wife navigating parenthood and realizing his dream of owning a ranch Including photos *The Ramblings of a Merry Heart* includes descriptions of true events and anecdotes from Marihart's long life It is eighty years of love and laughter bound into one book **The Language of the Soul** John L.
