

The life of WILLIAM SHAKESPEARE

BY JUSTIN EICK

Widely regarded as one of the finest playwrights ever, William Shakespeare's impressive body of work has remained in perpetual production on stages around the world for the past 400 years.

Since his arrival in London as a young playwright in the late 1590s, his contribution to the theatre has had a tremendous influence on actors, directors, writers, designers, producers and audiences across the globe.

Despite his enormous popularity, we actually know very little about the man himself. Indeed, the veritable dearth of information regarding his life has led some to question his authorship. What we do know about William Shakespeare is derived from two sources.

Foremost, official public records from a variety of sources provide a clear timeline of his family life and business affairs. Moreover, additional information about his life can be gleaned from his plays and poetry. A careful examination of these documents reveal certain key events in his life which directly contributed to his enormous success and enduring impact.

Shakespeare's Beloved The Solution To The Riddle:

Shakespeare's Beloved Rudolf Schmid, 2003 Shakespeare's Sonnets have been a mystery every since they were first published in 1609 by Thomas Thorpe in London Millions have been fascinated by their wisdom and beauty and more millions puzzled by the way their content has been formulated in terms of a hidden dramatic personae the lovely boy the black eyed mistress the rival poets the tenth muse the fair friend the better angel the female evil etc Taking the reader on the journey through the sonnets Rudolf Schmid shows in the truth and beauty of the Poet's own words how this adventure reveals itself to be a path latently present as a dormant seed in the will of Everyman every human soul leading it to the birth and unfoldment of its own sweet self thus answering the Poet's call make thee another self for love of me In the course of the adventure the riddle of the who behind the personages of the dramatic personae including the object of the Dedication itself Mr W H and of course Shakespeare's Beloved is once and for all solved

In Shakespeare's Shadow Michael Blanding, 2021-03-30 The true story of a self taught sleuth's quest to prove his eye opening theory about the source of the world's most famous plays taking readers inside the vibrant era of Elizabethan England as well as the contemporary scene of Shakespeare scholars and obsessives What if Shakespeare wrote Shakespeare but someone else wrote him first Acclaimed author of *The Map Thief* Michael Blanding presents the twinning narratives of renegade scholar Dennis McCarthy and Elizabethan courtier Sir Thomas North Unlike those who believe someone else secretly wrote Shakespeare McCarthy argues that Shakespeare wrote the plays but he adapted them from source plays written by North decades before In *Shakespeare's Shadow* alternates between the enigmatic life of North the intrigues of the Tudor court the rivalries of English Renaissance theater and academic outsider McCarthy's attempts to air his provocative ideas in the clubby world of Shakespearean scholarship Through it all Blanding employs his keen journalistic eye to craft a captivating drama upending our understanding of the beloved playwright and his singular genius Winner of the 2021 International Book Award in Narrative Non Fiction

The Drama in Shakespeare's Sonnets Mark Jay Mirsky, 2011-07-16 The Drama in Shakespeare's Sonnets A Satire to Decay is a work of detective scholarship Unable to believe that England's great dramatist would publish a sequence of sonnets without a plot Mark Jay Mirsky novelist playwright and professor of English proposes a solution to a riddle that has frustrated scholars and poets alike Arguing that the Sonnets are not just a higgledy piggledy collection of poems but were put in order by Shakespeare himself and drawing on the insights of several of the Sonnets foremost contemporary scholars Mirsky examines the Sonnets poem by poem to ask what is the story of the whole Mirsky takes Shakespeare at his own word in Sonnet 100

where the poet tongue in cheek advises his lover to regard time's spoils in this case any wrinkle graven in his cheek as but a satire to decay The comfort is obviously double edged but it can also be read as a mirror of Shakespeare's satire on himself as if to praise his own wrinkles and reflects the poet's intention in assembling the Sonnets to satirize the playwright's own decay as a man and a lover In a parody of sonnet sequences written by his fellow poets Spenser and Daniel Shakespeare's mordant wit conceals a bitter laugh at his own romantic life The Drama in Shakespeare's Sonnets demonstrates the playwright's wish to capture the drama of the sexual betrayal as he experienced it in a triangle of friendship and eroticism with a man and a woman It is a plot however that the playwright does not want to advertise too widely and conceals in the 1609 Quarto from all but a very few Despite Shakespeare's moments of despair at his male friend's betrayal and the poet's cursing at the sexual promiscuity of the so called Dark Lady The Drama in Shakespeare's Sonnets sees the whole as a satire by Shakespeare and particularly when read with the poem that accompanied it in the 1609 printing A Lover's Complaint as a laughing meditation on the irrepressible joy of sexual life *Shakespeare-Lexicon* Alexander Schmidt,1886 [The Works of William Shakespeare: Two gentlemen of Verona.
