Measure for Measure is a play by William Shakespeare probably written in 1603 or 1604 and recordedly first performed in 1604 It was published in the First Folio of 1623 Its protagonist the Duke of Vienna steps out from public life setting in his place a very respectable and precise person while disguising himself as a friar in order to see if power will corrupt his chosen substitute Measure for Measure was printed as a comedy in the first folio and continues to be classified as one though its tone sometimes defies this classification 1 Today it is often called one of Shakespeare's problem plays

Aspects of Shakespeare's 'Problem Plays' Kenneth Muir, Stanley Wells, 1982-02-18 These articles reprinted from various volumes of Shakespeare Survey concern three plays which have gradually become appreciated by critics and in the theatre Since the early years of this century they have been seen as an interrelated group with a peculiarly twentieth century appeal Measure for Measure concerned as it is with adolescents first encounters with sex love and death has a special appeal for young people Troilus and Cressida set in the Trojan War has been found deeply relevant to our own war troubled times and All's Well That Ends Well sharing these preoccupations is a necessary companion piece John Barton who has directed all three plays is interviewed in one of the articles which together illustrate the often heated controversy about the plays Reviews and photographs of post war productions at Stratford are also included The book as a whole is designed as a stimulating introduction to these plays and to conflicting interpretations of them
