Shakespeares Avon:

Shakespeare's House Richard Schoch, 2023-11-16 A page turning story Times Literary Supplement Eye opening Michael Billington A detailed and highly compelling story that involves so much more than bricks and mortar The Stratford Herald In the wide realm of Shakespeare worship the house in Stratford upon Avon where William Shakespeare was born in 1564 known colloquially as the Birthplace remains the chief shrine It s not as romantic as Anne Hathaway s thatched cottage it s not where he wrote any of his plays and there s nothing inside the house that once belonged to Shakespeare himself So why for centuries have people kept turning up on the doorstep Richard Schoch answers that question by examining the history of the Birthplace and by exploring how its changing fortunes over four centuries perfectly mirror the changing attitudes toward Shakespeare himself Based on original research in the archives of the Shakespeare Birthplace Trust in Stratford upon Avon and the Folger Shakespeare Library in Washington DC and featuring two black and white illustrated plate sections which draw on the wide array of material available at the Folger Shakespeare Library and the Victoria and Albert Museum this book traces the history of Shakespeare s birthplace over four centuries Beginning in the 1560s when Shakespeare was born there it ends in the 1890s when the house was rescued from private purchase and turned into the Shakespeare monument that it remains today *Shakespeare Memorial, Stratford-on-Avon* Shakespeare Memorial (Stratford-upon-Avon, England), 1878 *Shakespeare's Home and Rural Life* James Walter, 2023-12-31 Reprint of the original first published in 1874 *Shakespeare Memorial, Stratford-on-Avon* Shakespeare Memorial Association. Council, 1877 **The Home of Shakespeare** Samuel Neil, 1862 *The Guild and Guild Buildings of Shakespeare's Stratford* J.R. Mulryne, 2016-03-09 The guild buildings of Shakespeare s Stratford represent a rare instance of a largely unchanged set of buildings which draw together the threads of the town s civic life With its multi disciplinary perspectives on this remarkable group of buildings this volume provides a comprehensive account of the religious educational legal social and theatrical history of Stratford focusing on the sixteenth century and Tudor Reformation The essays interweave with one another to provide a map of the complex relationships between the buildings and their history Opening with an investigation of the Guildhall which served as the headquarters of the Guild of the Holy Cross until the Tudor Reformation the book explores the building s function as a centre of local government and community law and as a place of entertainment and education It is beyond serious doubt that Shakespeare was a school boy here and the many visits to the Guildhall by professional touring players during the latter half of the sixteenth century may have prompted his acting and playwriting career The Guildhall continues to this day to house a school for the education of secondary level boys The book considers educational provision during the mid sixteenth century as well as examining the interaction between touring players and the everyday politics and social life of Stratford At the heart of the volume is archaeological and documentary research which uses up to date analysis and new dendrochronological investigations to interpret the buildings and their medieval wall paintings as well as proposing a possible location of the

school before it transferred to the Guildhall Together with extensive archival research into the town s Court of Record which throws light on the commercial and social activities of the period this rich body of research brings us closer to life as it was lived in Shakespeare s Stratford *Shakespeare-bibliographie, 1894, 1895 und 1896* Albert Cohn,1897 The Rough Guide to Cotswolds, Stratford-upon-Avon and Oxford (Travel Guide eBook) Rough Guides,2021-10-01 The Rough Guide to the Cotswolds Stratford Upon Avon and Oxford Make the most of your time on Earth with the ultimate travel guides Discover the Cotswolds Stratford Upon Avon and Oxford with this comprehensive and entertaining travel guide packed with practical information and honest recommendations by our independent experts Whether you plan to wander amid stunning medieval architecture in Oxford marvel at perhaps the finest cloisters in England at Gloucester Cathedral or visit Shakespeare s birthplace of Stratford Upon Avon The Rough Guide to the Cotswolds Stratford Upon Avon and Oxford will help you discover the best places to explore eat drink shop and sleep along the way Features of this travel guide to Cotswolds Stratford Upon Avon and Oxford Detailed regional coverage provides practical information for every kind of trip from off the beaten track adventures to chilled out breaks in popular tourist areas Honest and independent reviews written with Rough Guides trademark blend of humour honesty and expertise our writers will help you make the most from your trip to the Rockies Meticulous mapping practical full colour maps with clearly numbered colour coded keys Find your way around Stratford Upon Avon Cheltenham Stroud Cirencester and many more locations without needing to get online Fabulous full colour photography features inspirational colour photography Time saving itineraries carefully planned routes will help inspire and inform your on the road experiences Things not to miss Rough Guides rundown of the best sights and top experiences to be found in the Cotswolds Stratford Upon Avon and Oxford Travel tips and info packed with essential pre departure information including getting around accommodation food and drink health the media festivals sports and outdoor activities culture and etiquette shopping and more Background information comprehensive Contexts chapter provides fascinating insights into Scotland with coverage of history religion ethnic groups environment wildlife and books plus a handy language section and glossary Covers Cheltenham and the South Cotswolds the Central Cotswolds Stratford Upon Avon and the Feldon the Oxfordshire Cotswolds Banbury and North Oxfordshire and Oxford You may also be interested in Rough Guide to England About Rough Guides Rough Guides have been inspiring travellers for over 35 years with over 30 million copies sold globally Synonymous with practical travel tips quality writing and a trustworthy tell it like it is ethos the Rough Guides list includes more than 260 travel guides to 120 destinations gift books and phrasebooks **Highways and Byways in Shakespeare's Country** William Holden Hutton,1914 *Shakespeare and Tourism* Robert Ormsby,Valerie Clayman Pye,2022-08-19 Shakespeare and Tourism provides a dialogical mapping of Shakespeare studies and touristic theory through a collection of essays by scholars on a wide range of material This volume examines how Shakespeare tourism has evolved since its inception and how the phenomenon has been influenced and redefined by performance studies the prevalence of the World
