Smith, 2016-07-15 In distracted times like the present Shakespeare too has been driven to distraction Shakespeare Cut considers contemporary practices of cutting up Shakespeare in stage productions videogames book sculptures and YouTube postings but it also takes the long view of how Shakespeare's texts have been cut apart in creative ways beginning in Shakespeare's own time The book's five chapters consider cuts cutting and cutwork from a variety of angles 1 as bodily experiences 2 as essential parts of the process whereby Shakespeare and his contemporaries crafted scripts 3 as units in perception 4 as technologies situated at the interface between figure and life and 5 as a fetish in western culture since 1900 Printed here for the first time are examples of the cut ups that William S Burroughs and Brion Guysin carried out with Shakespeare texts in the 1950s Bruce R Smith's original analysis is accompanied by twenty four illustrations which suggest the multiple media in which cutwork with Shakespeare has been carried out **Shakespeare as Children's Literature** Velma Bourgeois Richmond, 2008-05-14 Although William Shakespeare is widely regarded as the greatest writer in the English language he traditionally receives little notice in studies of children's literature However there is a fascinating relationship between Shakespeare and children's interests and the Bard's works have been successfully adapted for children's use over several centuries This book continues and parallels the author's previous study *Chaucer as Children's Literature* as part of a greater endeavor to evaluate the significance of traditional literature retold as children's literature in modern

English studies It examines the ways in which William Shakespeare's stories have been adapted for children particularly in Mary and Charles Lamb's *Tales from Shakespeare* which was almost immediately recognized as a classic of children's literature when it was first published in 1807 The author describes the significance of the Lamb's *Tales* as the pre eminent children's adaptation of Shakespeare's literature focusing particularly on the lavishly illustrated Edwardian editions which used pictures to convey Shakespeare's stories for children Other topics include Victorian alternatives to the Lamb's stories including anthologies from David Murray Smith Abby Sage Richardson and Mary Seymour the lavish illustrations of Shakespeare's stories found in antique English textbooks Shakespeare in nursery books including sophisticated collections from Mary Macleod Thomas Carter Alice S Hoffman and other noted authors and Shakespeare in multi volume American collections including *The Children's Hour Journeys through Bookland* and *The Junior Classics*
