Graceful Women Constance Waeber Elsberg,2003 A number of religious movements were born in the United States in the 1970s as refugees from the counterculture sought new ways of living In 1969 in Los Angeles teacher Yogi Bajan founded the Healthy Happy Holy Organization 3HO and dedicated it to yoga and healthy living Many members began to convert to Sikhism Bajan s faith and soon the group numbered in the thousands Graceful Women is the first look at the women who embraced this community as they sought meaning in their lives Constance Waeber Elsberg follows members of an ashram over an extended period of time from affiliation through their first attempts to apply the teachings of 3HO to everyday life through upheavals and doubts in the community and finally to mature formulations of their own purpose and identity Both long term and former members speak about the group and the process of adopting Sikhism and participating in such cultural practices as arranged marriages In studying this group Elsberg found women building individual and collective identities and using symbols narratives and metaphors to participate in a view of the world that stresses an essential unity beneath the conflicts of contemporary life A regimen including yoga meditation and diet helped the women feel that they could control their responses to everyday stress and manage difficult decisions A central focus of the book is the Sikh Dharma ideal of the graceful woman and the ways in which this concept both empowers and constrains women Women are free to choose their degree of engagement in the public sphere some build careers some are active in the 3HO community some dedicate their lives to their families Work in community businesses allows many women to combine family and work lives Curtailing this

freedom of choice however is 3HO's teaching that women should also be gracious undemanding and willing to defer to those in authority. Elsberg places this movement in the context of other alternative religious organizations and provides a brief history of Sikhism as well as reviewing events concerning Sikhs today. She explores the range of ways in which gender identities are created, transformed and contested, particularly as a religion from one part of the world is adopted in a completely different country and culture. The Author Constance Waeber Elsberg is professor of sociology and anthropology at Northern Virginia Community College.

Womb Awakening Azra Bertrand, Seren Bertrand, 2017-08-15 Rediscover the lost ancient mystery teachings of the Cosmic Womb. 2017 Nautilus Silver Award. Explains how each of us has a holographic blueprint of the Womb of Creation, our spiritual Womb. Offers practices to help awaken your spiritual Womb, experience the Womb of God within, and activate the Womb's sacred magic of creation and manifestation. Looks at the power of the moon and its connection to sacred Womb Consciousness. Explores how the lost Womb mystery teachings were encoded in folk and fairy tales, the legends of the Holy Grail, and the traditions of Mary Magdalene and Sophia. Includes access to three guided Womb Awakening audio journeys. The Ancients lived by a feminine cosmology of creation where everything was birthed and dissolved through a sacred universal Womb. Within each of us, whether female or male, lies a holographic blueprint of this Womb of Creation, connecting us to the Web of Life. By awakening your spiritual Womb, the holy of holies within the temple of your body, you can reconnect to the transformative energy of Womb Consciousness and reclaim your sacred powers of creation and love. Drawing on mythical and spiritual traditions from almost every culture, Dr Azra and Seren Bertrand reconstruct the moon-based feminine mystery teachings of a lost global Womb religion, tracing the tradition all the way back to the Neanderthals and beyond. They explore how these teachings were encoded in the symbolism of folk and fairy tales, the legends of the Holy Grail, the traditions of Mary Magdalene and Sophia, the maiden queen and crone archetypes, and the teachings of alchemy and the chakras. They show how sages and shamans across the globe all secretly spoke of the Cosmic Womb and the sacred creative powers of Moon Blood. The authors look at the power of the Moon and its connection to sacred Womb Consciousness, offering meditations and practices to help awaken

your spiritual Womb and activate its sacred magic of creation and manifestation They explain how to activate the energetic gateways of the Womb and merge the heart and Womb to make sexual union the highest sacrament of love Revealing how we must reconnect with the Divine Feminine to rebirth the Divine Masculine and restore balance to our world they show how as we reawaken the powerful ancient path of the Womb Mysteries we help return our world to harmony with the wild untamed creative flows and cyclical rhythms of the cosmos
